Further amend said bill, page 92, section 208.1345, line 18, by inserting immediately after said line the following:

“334.104. 1. A physician may enter into collaborative practice arrangements with registered professional nurses. Collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols, or standing orders for the delivery of health care services. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer or dispense drugs and provide treatment as long as the delivery of such health care services is within the scope of practice of the registered professional nurse and is consistent with that nurse's skill, training and competence.

2. Collaborative practice arrangements, which shall be in writing, may delegate to a registered professional nurse the authority to administer, dispense or prescribe drugs and provide treatment if the registered professional nurse is an advanced practice nurse as defined in subdivision (2) of section 335.016, RSMo. **Collaborative practice arrangements may delegate to an advanced practice registered nurse, as defined in section 335.016, RSMo, the authority to administer, dispense, or prescribe controlled substances listed in Schedules III, IV, and V of section 195.017, RSMo.** Such collaborative practice arrangements shall be in the form of written agreements, jointly agreed-upon protocols or standing orders for the delivery of health care services.

3. **The written collaborative practice arrangement shall contain at least the following provisions:**

(1) **Complete names, home and business addresses, zip codes, and telephone numbers of the collaborating physician and the advanced practice registered nurse;**

(2) **A list of all other offices or locations besides those listed in subdivision (1) of this subsection where the collaborating physician authorized the advanced practice registered nurse to prescribe;**

(3) **A requirement that there shall be posted at every office where the advanced practice registered nurse is authorized to prescribe, in collaboration with a physician, a prominently displayed disclosure statement informing patients that they may be seen by an advanced practice registered nurse and have the right to see the collaborating physician;**

(4) **All specialty or board certifications of the collaborating physician and all certifications of the advanced practice registered nurse;**

(5) The manner of collaboration between the collaborating physician and the advanced practice registered nurse, including how the collaborating physician and the advanced practice registered nurse will:

(a) Engage in collaborative practice consistent with each professional's skill, training, education, and competence;

(b) Maintain geographic proximity; and

(c) Provide coverage during absence, incapacity, infirmity, or emergency by the collaborating physician;

(6) A description of the advanced practice registered nurse's controlled substance prescriptive authority in collaboration with the physician, including a list of the controlled substances the physician authorizes the nurse to prescribe and documentation that it is consistent with each professional's education, knowledge, skill, and competence;

(7) A list of all other written practice agreements of the collaborating physician and the advanced practice registered nurse;

(8) The duration of the written practice agreement between the collaborating physician and the advanced practice registered nurse; and

(9) A description of the time and manner of the collaborating physician's review of the advanced practice registered nurse's prescribing practices. The description shall include provisions that the advanced practice registered nurse shall submit documentation of the advanced practice registered nurse's prescribing practices to the collaborating physician within fourteen days. The documentation shall include, but not be limited to, a random sample review by the collaborating physician of at least twenty percent of the charts and medications prescribed.

4. The state board of registration for the healing arts pursuant to section 334.125 and the board of nursing pursuant to section 335.036, RSMo, may jointly promulgate rules regulating the use of collaborative practice arrangements. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements **including delegating authority to prescribe controlled substances**. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Neither the state board of registration for the healing arts nor the board of nursing may separately promulgate rules relating to collaborative practice arrangements. Such jointly promulgated rules shall be consistent with guidelines for federally funded clinics. The rulemaking authority granted in this subsection shall not extend to collaborative practice arrangements of hospital employees providing inpatient care within hospitals as defined pursuant to chapter 197, RSMo.

[4.] 5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing,

investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

[5.] **6.** Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, **including collaborative practice agreements delegating the authority to prescribe controlled substances**, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

[6.] **7.** Notwithstanding anything to the contrary in this section, a registered nurse who has graduated from a school of nurse anesthesia accredited by the Council on Accreditation of Educational Programs of Nurse Anesthesia or its predecessor and has been certified or is eligible for certification as a nurse anesthetist by the Council on Certification of Nurse Anesthetists shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197, RSMo.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020, RSMo, if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe

medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

SECOND REGULAR SESSION

FIFTY-SIXTH DAY—WEDNESDAY, APRIL 23, 2008

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“The fault with charity—too little; with speech—too much.” (Judah Al-Harizi)

Merciful God, You have created us to live with an open heart and a forgiving spirit so we pray that we may truly open our hearts to the needs of others about us and try to meet those needs the best that we can. And let us not love to hear ourselves talk so that we drown out the voice of others but have an openness to hear what may be wise and helpful in our work here. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Information about collection, recycling, and reuse on a manufacturer's publicly available Internet site does not constitute a determination by the department that the manufacturer's recovery plan or actual practices are in compliance with sections 260.1050 to 260.1101 or other state or federal law.

8. Each manufacturer shall submit a report to the department not later than January thirty-first of each year that includes:

(1) The weight of equipment collected, recycled, and reused during the preceding calendar year; and

(2) Documentation certifying that the collection, recycling, and reuse of equipment during the preceding calendar year was conducted in a manner that complies with section 260.1089 regarding sound environmental management.

9. If more than one person is a manufacturer of a certain brand of equipment as defined by section 260.1053, any of those persons may assume responsibility for and satisfy the obligations of a manufacturer under sections 260.1050 to 260.1101 for that brand. If none of those persons assumes responsibility or satisfies the obligations of a manufacturer for the equipment of that brand, the department may consider any of those persons to be the responsible manufacturer for purposes of sections 260.1050 to 260.1101.

10. The obligations under sections 260.1050 to 260.1101 of a manufacturer who manufactures or manufactured equipment, or sells or sold equipment manufactured by others, under a brand that was previously used by a different person in the manufacture of the equipment extends to all equipment bearing that brand regardless of its date of manufacture.

260.1065. 1. A person who is a retailer of equipment shall not sell or offer to sell new equipment in this state unless the equipment is labeled with the manufacturer's label and the manufacturer is included on the department's list of manufacturers that have recovery plans.

2. Retailers can go to the department's Internet site as outlined in section 260.1071 and view all manufacturers that are listed as having registered a collection program. Covered electronic products from manufacturers on that list may be sold in or into this state.

3. A retailer is not required to collect equipment for recycling or reuse under sections 260.1050 to 260.1101.

260.1068. 1. A manufacturer or retailer of equipment is not liable in any way for information in any form that a consumer leaves on computer materials that are collected, recycled, or reused under sections 260.1050 to 260.1101.

2. The consumer is responsible for any information in any form left on the consumer's computer materials that are collected, recycled, or reused.

3. Compliance with sections 260.1050 to 260.1101 does not exempt a person from liability under other law.

260.1071. 1. The department shall educate consumers regarding the collection, recycling, and reuse of equipment.

2. The department shall host or designate another person to host an Internet site providing consumers with information about the recycling and reuse of equipment, including best management practices and information about and links to information on:

(1) Manufacturers' collection, recycling, and reuse programs, including manufacturers' recovery plans; and

(2) Equipment collection events, collection sites, and community equipment recycling and reuse programs.

260.1074. 1. The department may conduct audits and inspections to determine compliance with sections 260.1050 to 260.1101.

2. The department and the attorney general, as appropriate, shall enforce sections 260.1050 to 260.1101 and, except as provided by subsections 4 and 5 of this section, take enforcement action against any manufacturer, retailer, or person who recycles or reuses equipment for failure to comply with sections 260.1050 to 260.1101.

3. The attorney general may file suit to enjoin an activity related to the sale of equipment in violation of sections 260.1050 to 260.1101.

4. The department shall issue a written warning notice to a person upon the person's first violation of sections 260.1050 to 260.1101. The person shall comply with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

5. A retailer who receives a warning notice from the department that the retailer's inventory violates sections 260.1050 to 260.1101 because it includes equipment from a manufacturer that has not submitted the recovery plan required by section 260.1062 shall bring the inventory into compliance with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

6. (1) The department may assess a penalty against a manufacturer that does not label its equipment or adopt, implement, or submit a recovery plan as required by section 260.1062. No penalty shall be assessed for a first violation and the amount of the penalty shall not exceed ten thousand dollars for the second violation or twenty-five thousand dollars for each subsequent violation.

(2) Any penalty collected under this section shall be credited to the “Equipment Recycling Subaccount”, which is hereby created, in the hazardous waste fund. Moneys in the subaccount shall be used for the purpose of administering the provisions of sections 260.1050 to 260.1101. The state treasurer shall be custodian of the subaccount and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the subaccount shall be used solely for the administration of sections 260.1050 to 260.1101. Any moneys remaining in the subaccount at the end of the biennium shall revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the subaccount.

260.1077. Financial or proprietary information submitted to the department under sections 260.1050 to 260.1101 shall not be considered a public record under chapter 610, RSMo.

260.1080. The department shall compile information from manufacturers and issue an electronic report to the committee in each house of the general assembly having primary jurisdiction over environmental matters not later than March first of each year.

260.1083. Sections 260.1050 to 260.1101 do not authorize the department to impose a fee, including a recycling fee or registration fee, on a consumer, manufacturer, retailer, or person who recycles or reuses equipment.

260.1089. 1. All equipment collected under sections 260.1050 to 260.1101 shall be recycled or reused in a manner that complies with federal, state, and local law.

2. The department shall, by rule, adopt as mandatory standards for recycling or reuse of equipment in this state the standards provided by “Electronics Recycling Operating Practices” as approved by the board of directors of the Institute of Scrap Recycling Industries, Inc., April 25, 2006, or other standards issued from the U.S. Environmental Protection Agency, if available.

260.1092. 1. If federal law establishes a national program for the collection and recycling of equipment and the department determines that the federal law substantially meets the purposes of sections 260.1050 to 260.1101, the department may adopt an agency statement that interprets the federal law as preemptive of sections 260.1050 to 260.1101.

2. Sections 260.1050 to 260.1101 shall expire on the date the department issues a statement under this section.

260.1101. 1. The department shall adopt any rules required to implement sections 260.1050 to 260.1101 not later than July 1, 2009. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

2. Sections 260.1050 to 260.1101 shall not be enforced before rules developed under this section are promulgated.

3. It shall not be considered a violation of sections 260.1050 to 260.1101 for a retailer to sell any inventory accrued before the effective date of sections 260.1050 to 260.1101.”; and

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-SEVENTH DAY—THURSDAY, APRIL 24, 2008

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“Love has nothing to do with what you are expecting to get, it’s what you are expected to give—which is everything.” (Unknown)

Loving Lord, as we complete another week we are mindful of what You have yet for us to do and the time away from loved ones seems to have a multiplying factor on our lives. Bless us and guide us to prioritize our work and do what You desire for us to complete and help us to understand the pressures on our loved ones when we are away and be there for them when we are home. In Your Holy Name we pray. Amen.

In all things let us follow the path You desire for us. In Your Holy Name we pray. Amen.

HOUSE COMMITTEE SUBSTITUTE FOR
HOUSE CONCURRENT RESOLUTION NOS. 43 and 46

WHEREAS, The Boeing Company Integrated Defense Systems (Boeing), based in St. Louis, Missouri, has been building and maintaining

refueling tankers for the United States Air Force (USAF) for 50 years and has more experience building tankers than any other company in the world; and

WHEREAS, Boeing has proposed the KC-767 as a replacement for the KC-135 Stratotanker, an American-made tanker that has been in use since 1958; and

WHEREAS, the KC-767 meets or exceeds all USAF requirements, including range and fuel offload capabilities, mission flexibility for carrying patients, passengers, and material; and

WHEREAS, the KC-767 will interoperate with 99% of USAF's existing equipment, saving an estimated \$4 billion in lifecycle costs, and will operate from existing infrastructure throughout the world saving the expense of costly runway, tarmac, and hangar expansion required for a larger plane; and

WHEREAS, the KC-767 would have created or sustained 44,000 jobs in 40 states with 300 suppliers; and

WHEREAS, on February 29, 2008, the USAF announced the selection of European Aeronautic Defence and Space Company (EADS), a company based in France, and its partner Northrop Grumman Corporation, for a contract to replace aerial refueling tankers, a contract that could reach in excess of \$100 billion in value; and

WHEREAS, the U.S. Government has a WTO lawsuit pending against EADS regarding illegal subsidies that have caused great harm to U.S. Industry; and

WHEREAS, EADS routinely sells military products and technology to countries on the U.S. Embargo list; and

WHEREAS, the EADS tanker is wasteful and bad for the environment as it burns 24% more fuel and pumps 30% greater emissions into our environment than the KC-767; and

WHEREAS, EADS and Northrop Grumman have never jointly built a tanker aircraft or delivered an air-to-air refueling boom, while Boeing has built and upgraded over 2,000 operational tankers and delivered over 1,800 air-to-air refueling booms; and

WHEREAS, given the current state of the U.S. economy, taxpayer dollars should not be used to fund the economic growth of European countries, while America loses 44,000 quality jobs associated with the KC-767; and

WHEREAS, relying on a foreign supplier of military equipment is unwise and not in the national security interest of the country:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, hereby urge the United States Air Force to reconsider its decision to replace the KC-135 refueling tanker with a tanker supplied by a foreign company that is substantially built in foreign countries; and

BE IT FURTHER RESOLVED that the General Assembly strongly urges the President of the United States and Congress to immediately and vigorously investigate the proposed outsourcing of taxpayer-funded jobs, and its impact on the U.S. economy and the procurement process that made possible this transfer of billions of dollars to foreign workers; and

BE IT FURTHER RESOLVED that the General Assembly urge the President of the United States and Congress to investigate and thoroughly review the benefits, costs, and national security risks associated with contracting for the design and construction of high-technology military equipment and systems in and by foreign nations which may not always share U.S. interests, objectives, and missions; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President of the United States, the United States Secretary of Defense, the Secretary of the Air Force, and each member of the Missouri Congressional delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 15**.

HOUSE CONCURRENT RESOLUTION NO. 15

Whereas, the Commercial Motor Vehicle Safety Act of 1986 was signed into law with the goal to improve highway safety by ensuring that drivers of large trucks and buses are qualified to operate those vehicles and to remove unsafe and unqualified drivers from the highways; and

Whereas, the federal Act retained a State's right to issue a driver's license, but established minimum national standards which States must meet when licensing commercial motor vehicle drivers; and

Whereas, the federal Act corrected the situation that existed prior to 1986 by making it illegal to hold more than one license and by requiring States to adopt testing and licensing standards for truck and bus drivers to check a person's ability to operate the type of vehicle the driver plans to operate; and

Whereas, since April 1, 1992, drivers have been required to have a commercial driver's license (CDL) in order to drive a commercial motor vehicle. The Federal Highway Administration (FHWA) issued standards for testing and licensing of commercial motor vehicle drivers which require States to issue CDLs to their commercial motor vehicle drivers only after the driver passes knowledge and skills tests administered by the State related to the type of vehicle to be operated; and

Whereas, drivers need CDLs if they are in interstate, intrastate, or foreign commerce and drive a vehicle that meets the federal definition of a commercial motor vehicle; and

Whereas, States develop their own tests which must be at least as stringent as the federal standards; and

Whereas, this restriction does not prohibit States from allowing a person 19 years of age to qualify for a CDL, because it is limited to intrastate operation only. Such a restriction prohibits a person between the ages of 19 and 21 with a CDL from the interstate operation of a commercial motor vehicle; and

Whereas, the establishment of a controlled pilot program by the Federal Motor Carrier Safety Administration (FMCSA) lowering the federal minimum age for commercial motor vehicle drivers in interstate commerce from 21 to 19, which would include behind the wheel training, mentoring, and an evaluation component, would be the first step in advancing the program while still promoting highway safety; and

Whereas, a FMCSA controlled pilot program for 19 to 21 year-olds has the potential of relieving a severe commercial motor vehicle driver shortage in the States and Nation, and creating excellent career opportunities:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, hereby urge the Federal Motor Carrier Safety Administration to establish a controlled pilot program to evaluate the potential of lowering the age requirements for interstate commercial motor carrier drivers from 21 to 19 years of age; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Administrator of the Federal Motor Carrier Safety Administration, John H. Hill, and each member of the Missouri Congressional Delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 34**.

HOUSE CONCURRENT RESOLUTION NO. 34

Whereas, the health and safety of our children is of highest concern to the citizens of Missouri; and

Whereas, promoting safe and healthful walking and bicycling to school is important to Missouri students, parents, and teachers, and has been shown to improve student's health and academic performance; and

Whereas, hundreds of children could be saved from harm each year if communities take steps to make pedestrian safety a priority; and

Whereas, driving students to school by private vehicle contributes to traffic congestion and air pollution, creating over 25% of community traffic at the beginning and end of each school day; and

Whereas, lack of physical activity plays a leading role in rising rates of obesity, diabetes, and other health problems among children, and

walking or bicycling to school offers an opportunity to build healthful physical activity into a child's daily routine; and

Whereas, the number of children walking and bicycling to school has decreased dramatically in recent years, with less than 10% of students walking or bicycling to school now compared to 50% just 30 years ago; and

Whereas, the MoDOT Safe Routes to School program is helping dozens of Missouri communities make the neighborhoods near their schools safer and more inviting for walking and bicycling, and developing programs to encourage parents and students to walk and bicycle to school; and

Whereas, an important role for parents and caregivers is to teach children about pedestrian safety and become aware of the difficulties and dangers that children face on their trips to school each day and the health and environmental risks related to physical inactivity and air pollution; and

Whereas, community members and leaders should make a plan to make immediate changes to enable children to safely walk and bicycle in our communities and develop a list of suggestions for improvements that can be done over time; and

Whereas, children, parents, and community leaders around the world are joining together to walk to school and evaluate walking and bicycling conditions in their communities; and

Whereas, Walk and Bicycle to School Month in October and Walk and Bicycle to School Week the first week in October have proven to be helpful in encouraging children to safely walk and bicycle to school and in creating and promoting local Safe Route to Schools programs across the United States and throughout the world:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, hereby recognize the month of October 2008 as "Walk and Bicycle to School Month", the week of October 6-10, 2008, as "Walk and Bicycle to School Week", and October 8, 2008, as "Walk and Bicycle to School Day" in Missouri; and

Be it further resolved that the General Assembly urges all students, parents, teachers, administrators, schools, and school districts to participate in these events.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 35**.

HOUSE CONCURRENT RESOLUTION NO. 35

Whereas, the bicycle is a viable and environmentally sound form of transportation and an excellent form of recreation; and

Whereas, millions of Missourians will experience the joys of bicycling during the month of May through educational programs, races, commuting events, trail work days, helmet promotion, charity events, or just getting out and going for a ride; and

Whereas, Missouri's Katy Trail attracts hundreds of thousands of bicyclists each year from all 50 states and from across the globe, providing economic, health, and scenic benefits to the citizens of Missouri and the world; and

Whereas, Missouri hosts four major cross-country bicycle tourism routes that attracts thousands of cross-country and local bicyclists each year, including the Mississippi River/Great Rivers Trail, the American Discovery Trail, the Lewis and Clark Trail, and the TransAmerican Trail; and

Whereas, the Tour of Missouri bicycle race is poised to again bring hundreds of world-class athletes and thousands of bicycle tourists to Missouri on September 8-14, 2008, and put Missouri's bicycling attractions and scenic countryside before a world stage; and

Whereas, these bicycling activities and attractions have great potential to have a positive impact on Missouri's economy and tourism industry and to stimulate economic development by making the state attractive to businesses and citizens who enjoy the out of doors and healthy lifestyles; and

Whereas, creating bicycle-friendly communities has been shown to improve citizens' health, well-being, and quality of life, to boost community spirit, to improve traffic safety, and to reduce pollution and congestion; and

Whereas, May has been declared National Bike Month for each of the last 52 years, and is so again in 2008; and

Whereas, the League of American Bicyclists, the Missouri Bicycle Racing Association, the Missouri Bicycle Federation, bicycle clubs, schools, parks and recreation departments, police departments, hospitals, companies and civic groups through Missouri will be promoting bicycling as a leisure activity as well as an environmentally-friendly alternative to the automobile during the month of May 2008; and

Whereas, the education of bicyclists and motorists as to the proper and safe operation of bicycles is important to ensure the safety and comfort of all users; and

Whereas, the Missouri Bicycle Federation, the Kansas City Share the Road Safety Task Force, St. Louis TrailNet, the St. Louis Regional Bicycle Federation, GetAbout Columbia, the Columbia PedNet Coalition, Velo Girardeau, SpringBike, Ozark Greenways, Parkland Cyclists, St. Joseph Bicycle Club, Quad States Trails of St. Joseph, and other organizations across the state will promote bicycle safety during the month of May 2008:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-fourth General Assembly, Second Regular Session, the Senate concurring therein, hereby recognize the month of May 2008 as "National Bike Month and Bicycle Safety Month", and the week of May 12-16, 2008, as "Bike to Work Week"; and

Be it further resolved that the General Assembly urges all who support bicycling to participate in the events planned and urges all road users to share the road safety with bicyclists.

In which the concurrence of the Senate is respectfully requested.

The Senate met pursuant to adjournment.

O God of heaven and earth, thank You for touching our hearts and minds with Your words of life and the guidance that they provide us this day. May we speak to others with graciousness and conviction that You have given to us that must be said. SENATE RESOLUTION NO. 2523

Whereas, the members of the Missouri Senate feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens or distinguished themselves through significant personal achievement; and

Whereas, the members now pause to recognize William "Billyo" O'Donnell, of Eureka, Missouri, who is well known for his project "Painting Missouri"; and

Whereas, Billyo O'Donnell has traveled across this state for the past seven years during all seasons capturing "en plein air" each of the state's 114 counties and the City of St. Louis, thus creating "Painting Missouri"; and

Whereas, a life-long resident of Missouri, Billyo O'Donnell grew up in Pendleton and graduated from Warrenton R-III High School, East Central College in Union, and Southwest Missouri State College in Springfield; and

Whereas, Billyo O'Donnell is highly regarded for his effective teaching methods and lecture and his local, national international awards include 2006 Best Body of Work (Maui Plein Air Painting Invitational), 2006 King of Frames (Maui Plein Air Painting Invitational), 2003 Missouri Citizens for Arts Missouri Arts Advocacy Award, 1999 National Oil and Acrylic "Best Use of Light and Color", 1996 Painters' Society Exhibition, 1994 Selection for the cover of Japan Creators' Association Annual, and 1987 Painting Selected for Tourism Poster by Austria's Board of Tourism; and

Whereas, Billyo O'Donnell is the only artist in Missouri who can boast that practically every citizen in the state has had the opportunity to enjoy his art at no cost and on a daily basis, because he is the artist who designed Missouri's official license plate, without any compensation from Missouri taxpayers; and

Whereas, Billyo O'Donnell will be the honored guest at a special reception showcasing "Painting Missouri" that will be hosted by Missouri First Lady Melanie Blunt on Tuesday, April 29, 2008, at the Governor's Mansion; and

Whereas, Billyo O'Donnell lives in a 170-year-old cabin near Eureka with his wife, Peggy, where they raised their three children:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fourth General Assembly, extend our admiration to Billyo O'Donnell for his body of work and the contribution he has made to this great state; and

[4.] 5. The state board of registration for the healing arts shall not deny, revoke, suspend or otherwise take disciplinary action against a physician for health care services delegated to a registered professional nurse provided the provisions of this section and the rules promulgated thereunder are satisfied. Upon the written request of a physician subject to a disciplinary action imposed as a result of an agreement between a physician and a registered professional nurse or registered physician assistant, whether written or not, prior to August 28, 1993, all records of such disciplinary licensure action and all records pertaining to the filing, investigation or review of an alleged violation of this chapter incurred as a result of such an agreement shall be removed from the records of the state board of registration for the healing arts and the division of professional registration and shall not be disclosed to any public or private entity seeking such information from the board or the division. The state board of registration for the healing arts shall take action to correct reports of alleged violations and disciplinary actions as described in this section which have been submitted to the National Practitioner Data Bank. In subsequent applications or representations relating to his medical practice, a physician completing forms or documents shall not be required to report any actions of the state board of registration for the healing arts for which the records are subject to removal under this section.

[5.] 6. Within thirty days of any change and on each renewal, the state board of registration for the healing arts shall require every physician to identify whether the physician is engaged in any collaborative practice agreement, **including collaborative practice agreements delegating the authority to prescribe controlled substances**, or physician assistant agreement and also report to the board the name of each licensed professional with whom the physician has entered into such agreement. The board may make this information available to the public. The board shall track the reported information and may routinely conduct random reviews of such agreements to ensure that agreements are carried out for compliance under this chapter.

[6. Notwithstanding anything to the contrary in this section, a registered nurse who has graduated from a school of nurse anesthesia accredited by the Council on Accreditation of Educational Programs of Nurse Anesthesia or its predecessor and has been certified or is eligible for certification as a nurse anesthetist by

the Council on Certification of Nurse Anesthetists shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed.]

7. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016, RSMo, shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016, RSMo, from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, RSMo.

8. A collaborating physician shall not enter into a collaborative practice arrangement with more than three full-time equivalent advanced practice registered nurses. This limitation shall not apply to collaborative arrangements of hospital employees providing inpatient care service in hospitals as defined in chapter 197, RSMo.

9. It is the responsibility of the collaborating physician to determine and document the completion of at least a one-month period of time during which the advanced practice registered nurse shall practice with the collaborating physician continuously present before practicing in a setting where the collaborating physician is not continuously present.

10. No agreement made under this section shall supersede current hospital licensing regulations governing hospital medication orders under protocols or standing orders for the purpose of delivering inpatient or emergency care within a hospital as defined in section 197.020, RSMo, if such protocols or standing orders have been approved by the hospital's medical staff and pharmaceutical therapeutics committee.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. An advanced practice registered nurse shall have the right to refuse to collaborate, without penalty, with a particular physician.

11. No contract or other agreement shall require a physician to act as a collaborating physician for an advanced practice registered nurse against the physician's will. A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has

taken up and passed **HCS** for **SB 841**, entitled:

An Act to repeal sections 304.180 and 304.190, RSMo, and to enact in lieu thereof three new sections relating to vehicle weight regulations.

With House Amendment No.1 and House Substitute Amendment No.1 for House Amendment No. 2.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 841, Page 6, Section 304.180, Line 100, by inserting after the second occurrence of the word “pounds” the following: “, **except as provided in subsection 9 of this section**”; and

Further amend said bill, Page 6, Section 304.180, Line 116, by inserting after all of said line the following:

“9. Notwithstanding subsections 3 and 6 of this section or any other provision of law to the contrary, the total gross weight of any vehicle or combination of vehicles hauling livestock may be as much as, but shall not exceed, eighty-five thousand five hundred pounds while operating on U.S. Highway 36 from St. Joseph to U.S. Highway 65, and on U.S. Highway 65 from the Iowa state line to U.S. Highway 36.”; and

Further amend said bill, Pages 6 through 8, Section 304.190 by removing said section from the bill; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE SUBSTITUTE AMENDMENT NO. 1 FOR HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Bill No. 841, Section 304.190, Page 8, Line 50, by inserting immediately after all of said line the following:

“304.230. 1. It shall be the duty of the sheriff of each county or city to see that the provisions of sections 304.170 to 304.230 are enforced, and any peace officer or police officer of any county or city or any highway patrol officer shall have the power to arrest on sight or upon a warrant any person found violating or having violated the provisions of such sections.

2. The sheriff or any peace officer or any highway patrol officer is hereby given the power to stop any such conveyance or vehicle as above described upon the public highway for the purpose of determining whether such vehicle is loaded in excess of the provisions of sections 304.170 to 304.230, and if he or she finds such vehicle loaded in violation of the provisions thereof he or she shall have a right at that time and place to cause the excess load to be removed from such vehicle; and provided further, that any regularly employed maintenance man of the department of transportation shall have the right and authority in any part of this state to stop any such conveyance or vehicle upon the public highway for the purpose of determining whether such vehicle is loaded in excess of the provisions of sections 304.170 to 304.230, and if he or she finds such vehicle loaded in violation of the provisions thereof, he or she shall have the right at that time and place to cause the excess load to be removed from such vehicle. When only an axle or a tandem axle group of a vehicle is overloaded, the operator shall be permitted to shift the load, if this will not overload some other axle or axles, without being charged with a violation; provided, however, the privilege of shifting the weight without being charged with a violation shall not extend to or include vehicles while traveling on the federal interstate system of highways. When only an axle or tandem axle group of the vehicle traveling on the federal interstate system of highways is overloaded and a court authorized to

enforce the provisions of sections 304.170 to 304.230 finds that the overloading was due to the inadvertent shifting of the load changing axle weights in transit through no fault of the operator of the vehicle and that the load thereafter had been shifted so that no axle had been overloaded, then the court may find that no violation has been committed. The operator of any vehicle shall be permitted to back up and reweigh, or to turn around and weigh from the opposite direction. Any operator whose vehicle is weighed and found to be within five percent of any legal limit may request and receive a weight ticket, memorandum or statement showing the weight or weights on each axle or any combinations of axles. Once a vehicle is found to be within the limits of section 304.180 after having been weighed on any state scale and there is no evidence that any cargo or fuel has been added, no violation shall occur, but a presumption shall exist that cargo or fuel has been added if upon reweighing on another state scale the total gross weight exceeds the applicable limits of section 304.180 or 304.190. The highways and transportation commission of this state may deputize and appoint any number of their regularly employed maintenance men to enforce the provisions of such sections, and the maintenance men delegated and appointed in this section shall report to the proper officers any violations of sections 304.170 to 304.230 for prosecution by such proper officers.

3. The superintendent of the Missouri state highway patrol may assign qualified persons who are not highway patrol officers to supervise or operate permanent or portable weigh stations used in the enforcement of commercial vehicle laws. These persons shall be designated as commercial vehicle inspectors and have limited police powers:

(1) To issue uniform traffic tickets at a permanent or portable weigh station for violations of rules and regulations of the division of motor carrier and railroad safety of the department of economic development and department of public safety, and laws, rules, and regulations pertaining to commercial motor vehicles and trailers and related to size, weight, fuel tax, registration, equipment, driver requirements, transportation of hazardous materials and operators' or chauffeurs' licenses, and the provisions of sections 303.024 and 303.025, RSMo;

(2) To require the operator of any commercial vehicle to stop and submit to a vehicle and driver inspection to determine compliance with commercial vehicle laws, rules, and regulations, the provisions of sections 303.024 and 303.025, RSMo, and to submit to a cargo inspection when reasonable grounds exist to cause belief that a vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations;

(3) To make arrests for violation of subdivisions (1) and (2) of this subsection. Commercial vehicle inspectors shall not have the authority to exercise the powers granted in subdivisions (1), (2) and (3) of this subsection until they have successfully completed training approved by the superintendent of the Missouri state highway patrol; nor shall they have the right as peace officers to bear arms.

4. The superintendent of the Missouri state highway patrol may appoint qualified persons, who are not members of the highway patrol, designated as commercial vehicle enforcement officers, with the powers:

(1) To issue uniform traffic tickets for violations of laws, rules and regulations pertaining to commercial vehicles, trailers, special mobile equipment and drivers of such vehicles, and the provisions of sections 303.024 and 303.025, RSMo;

(2) To require the operator of any commercial vehicle to stop and submit to a vehicle and driver inspection to determine compliance with commercial vehicle laws, rules, and regulations, compliance with the provisions of sections 303.024 and 303.025, RSMo, and to submit to a cargo inspection when reasonable grounds exist to cause belief that a vehicle is transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations;

(3) To make arrests upon warrants and for violations of subdivisions (1) and (2) of this subsection. Commercial vehicle enforcement officers shall not have the authority to exercise the powers granted in subdivisions (1), (2) and (3) of this subsection until they have successfully completed training approved by the superintendent of the Missouri state highway patrol. Commercial vehicle enforcement officers shall have the right as peace officers to bear arms.

5. Any additional employees needed for the implementation of this section shall be hired in conformity with the provisions of the federal fair employment and antidiscrimination acts.

6. Any part of this section which shall be construed to be in conflict with the axle or tandem axle load limits permitted by the Federal-Aid Highway Act, Section 127 of Title 23 of the United States Code (Public Law 85-767, 85th Congress) shall be null, void and of no effect.

7. The superintendent may also appoint members of the patrol who are certified under the commercial vehicle safety alliance with the power to conduct commercial motor vehicle and driver inspections and to require the operator of any commercial vehicle to stop and submit to said inspections to determine compliance with commercial vehicle laws, rules, and regulations, compliance with the provisions of sections 303.024 and 303.025, RSMo, and to submit to a cargo inspection when reasonable grounds exist to cause belief that a vehicle s transporting hazardous materials as defined by Title 49 of the Code of Federal Regulations.”; and

SENATE AMENDMENT NO. 1

Amend Senate Committee Substitute for Senate Bill No. 1170, Page 1, In the Title, Line 2, by striking the following: “the”; and further amend the title, line 3, by striking the following: “rebuild Missouri schools program” and insert in lieu thereof the following: “elementary and secondary education”; and

further amend said bill, page 1, section A, line 2, by inserting after said line the following:

“160.410. 1. A charter school shall enroll:

(1) All pupils resident in the district in which it operates;

(2) Nonresident pupils eligible to attend a district's school under an urban voluntary transfer program;
[and]

(3) In the case of a charter school whose mission includes student drop-out prevention or recovery, a nonresident pupil from the same or an adjacent county who submits a timely application; and

(4) In the case of a workplace charter school, any student eligible to attend under subdivision (1) or (2) of this subsection whose parent is employed in the business district, who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level or building. The configuration of a business district shall be set forth in the charter and shall not be construed to create an undue advantage for a single employer or small number of employers.

2. If capacity is insufficient to enroll all pupils who submit a timely application, the charter school shall have an admissions process that assures all applicants of an equal chance of gaining admission except that:

(1) A charter school may establish a geographical area around the school whose residents will receive a preference for enrolling in the school, provided that such preferences do not result in the establishment of racially or socioeconomically isolated schools and provided such preferences conform to policies and guidelines established by the state board of education; [and]

(2) A charter school may also give a preference for admission of children whose siblings attend the school or whose parents are employed at the school or in the case of a workplace charter school, a child whose parent is employed in the business district or at the business site of such school; **and**

(3) A charter school whose mission includes student drop-out prevention or recovery as described in subdivision (3) of subsection 1 of this section shall give preference for admission to resident pupils over nonresident pupils.

3. A charter school shall not limit admission based on race, ethnicity, national origin, disability, gender, income level, proficiency in the English language or athletic ability, but may limit admission to pupils within a given age group or grade level.

4. The department of elementary and secondary education shall commission a study of the performance of students at each charter school in comparison with a comparable group and a study of the impact of charter schools upon the districts in which they are located, to be conducted by a contractor selected through a request for proposal. The department of elementary and secondary education shall reimburse the contractor from funds appropriated by the general assembly for the purpose. The study of a charter school's student performance in relation to a comparable group shall be designed to provide information that would allow parents and educators to make valid comparisons of academic performance between the charter school's students and a group of students comparable to the students enrolled in the charter school. The impact study shall be undertaken every two years to determine the effect of charter schools on education stakeholders in the districts where charter schools are operated. The impact study may include, but is not limited to, determining if changes have been made in district policy or procedures attributable to the charter school and to perceived changes in attitudes and expectations on the part of district personnel, school board members, parents, students, the business community and other education stakeholders. The department of elementary and secondary education shall make the results of the studies public and shall deliver copies to the governing boards of the charter schools, the sponsors of the charter schools, the school board and

superintendent of the districts in which the charter schools are operated.

5. A charter school shall make available for public inspection, and provide upon request, to the parent, guardian, or other custodian of any school-age pupil resident in the district in which the school is located the following information:

- (1) The school's charter;
- (2) The school's most recent annual report card published according to section 160.522; and
- (3) The results of background checks on the charter school's board members.

The charter school may charge reasonable fees, not to exceed the rate specified in section 610.026, RSMo, for furnishing copies of documents under this subsection.”; and

further amend said bill, page 4, section B, line 2, by striking the following: “A of this act” and insert in lieu thereof the following: “160.459”; and

SIXTIETH DAY—WEDNESDAY, APRIL 30, 2008

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“(Contemplation) is..life itself, fully awake, fully active, fully aware that it is alive. It is spiritual wonder. It is spontaneous awe at the sacredness of life, of being.” (Thomas Merton)

Almighty God, help us to take time each day for contemplation that we might be fully alive to Your presence and to the preciousness of life and living in each moment fully. Help us to be aware of the sacredness of all life and those that we share it with. Help us be Your person in the task that You have for us each day in all that is expected of us. And help us be still and know that You are God. In Your Holy Name we pray. Amen.

2. For the purpose of this section, the term "combat veteran" shall mean a person who served in armed combat in the military after September 11, 2001, and to whom the following criteria shall apply:

- (1) The veteran was a Missouri resident when first entering the military; and**
- (2) The veteran was discharged from military service under honorable conditions.**

3. All public institutions of higher education that receive any state funds appropriated by the general assembly shall limit the amount of tuition such institutions charge to combat veterans to fifty dollars per credit hour, as long as the veteran achieves and maintains a cumulative grade point average of at least two and one-half on a four point scale, or its equivalent. The tuition limitation shall

only be applicable if the combat veteran is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. The period during which a combat veteran is eligible for a tuition limitation under this section shall expire at the end of the ten-year period beginning on the date of such veteran's last discharge from service.

7. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void."

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-FIRST DAY—THURSDAY, MAY 1, 2008

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“I’ve learned that you can’t give what you’ve never received. There’s no aquifer of love, there’s no distillery of faith within me, so I have to receive it.” (*Max Lucado*)

Loving Lord, it is only by Your grace that we can know You and come to experience Your love of us and it is for this that we are most thankful. We pray help us to open ourselves to Your love of others and freely give of ourselves to them so our service here and at home will be a witness of our love for You. And Lord help us be more loving and patient with those You have given us to love. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

With House Amendment Nos. 1 and 3.

HOUSE AMENDMENT NO. 1

Amend Senate Bill No. 1068, Section A, Page 1, Lines 1-2 by inserting after all of said section the following:

“338.600. 1. Notwithstanding any other provision of law to the contrary, when an audit of the records of a pharmacy licensed in this state is conducted by a managed care company, insurance company, third-party payor, the department of insurance, financial institutions and professional registration, or any entity that represents such companies, groups, or department, such audit shall be conducted in accordance with the following:

(1) The entity conducting the initial on-site audit shall provide the pharmacy with notice at least one week prior to conducting the initial on-site audit for each audit cycle;

(2) Any audit which involves clinical judgment shall be conducted by or in consultation with a licensed pharmacist;

(3) Any clerical or recordkeeping error, such as a typographical error, scriveners error, or computer error, regarding a required document or record shall not in and of itself constitute fraud or grounds for recoupment. No claim arising under this subdivision shall be subject to criminal penalties without proof of intent to commit fraud;

(4) A pharmacy may use the records of a hospital, physician, or other authorized practitioner of the healing arts involving drugs or medicinal supplies written or transmitted by any means of communication for purposes of validating the pharmacy record with respect to orders or refills of a legend or narcotic drug. Electronically stored images of prescriptions, electronically created annotations and other related supporting documentation shall be considered valid prescription records. Hard copy and electronic signature logs that indicate the delivery of pharmacy services shall be considered valid proof of receipt of such services by a program enrollee;

(5) A finding of an overpayment or underpayment may be a projection based on the number of

patients served and having a similar diagnosis or on the number of similar orders or refills for similar drugs; except that, recoupment of claims shall be based on the actual overpayment or underpayment unless the projection for overpayment or underpayment is part of a settlement as agreed to by the pharmacy;

(6) Each pharmacy shall be audited under the same standards and parameters as other similarly situated pharmacies audited by the entity;

(7) A pharmacy shall be allowed at least thirty days following receipt of the preliminary audit report in which to produce documentation to address any discrepancy found during an audit;

(8) The period covered by the audit shall not exceed a two-year period beginning two years prior to the initial date of the on-site portion of the audit unless otherwise provided by contractual agreement or if there has been a previous finding of fraud or as otherwise provided by state or federal law;

(9) An audit shall not be initiated or scheduled during the first three business days of any month due to the high volume of prescriptions filled during such time unless otherwise consented to by the pharmacy;

(10) The preliminary audit report shall be delivered to the pharmacy within one hundred twenty days after conclusion of the audit, with reasonable extensions permitted. A final audit report shall be delivered to the pharmacy within six months of receipt by the pharmacy of the preliminary audit report or final appeal, as provided for in subsection 3 of this section, whichever is later;

(11) Notwithstanding any other provision in this subsection, the entity conducting the audit shall not use the accounting practice of extrapolation in calculating recoupments or penalties for audits, except as otherwise authorized under subdivision (5) of this subsection.

2. Recoupments of any disputed moneys shall only occur after final internal disposition of the audit, including the appeals process set forth in subsection 3 of this section. Should the identified discrepancy for an individual audit exceed twenty five thousand dollars, future payments to the pharmacy in excess of twenty five thousand dollars may be withheld pending finalization of the audit.

3. Each entity conducting an audit shall establish an appeals process, lasting no longer than six months, under which a licensed pharmacy may appeal an unfavorable preliminary audit report to the entity. If, following such appeal, the entity finds that an unfavorable audit report or any portion thereof is unsubstantiated, the entity shall dismiss the audit report or such portion without the necessity of any further proceedings.

4. Each entity conducting an audit shall provide a copy of the final audit report, after completion of any appeal process, to the plan sponsor.

5. This section shall not apply to any audit conducted as a part of an investigation regarding alleged criminal wrongdoing, willful misrepresentation, or abuse.

6. This section shall not apply to any audit conducted as part of any inspection or investigation conducted by the board of pharmacy.”; and

“135.681. 1. The director of the department of economic development or the director's designee shall issue letter rulings regarding the tax credit program authorized under section 135.680, subject to the terms and conditions set forth in this section. The director of the department of economic development may impose additional terms and conditions consistent with this section to requests for letter rulings by regulation promulgated under chapter 536, RSMo. For the purposes of this section, the term “letter ruling” means a written interpretation of law to a specific set of facts provided by the applicant requesting a letter ruling.

2. The director or director's designee shall respond to a request for a letter ruling within sixty days of receipt of such request. The applicant may provide a draft letter ruling for the department's consideration. The applicant may withdraw the request for a letter ruling, in writing, prior to the issuance of the letter ruling. The director or the director's designee may refuse to issue a letter ruling for good cause, but must list the specific reasons for refusing to issue the letter ruling. Good cause includes, but is not limited to:

(1) The applicant requests the director to determine whether a statute is constitutional or a regulation is lawful;

(2) The request involves a hypothetical situation or alternative plans;

(4) The issue is currently being considered in a rulemaking procedure, contested case, or other agency or judicial proceeding that may definitely resolve the issue.

3. Letter rulings shall bind the director and the director's agents and their successors until such time as the taxpayer or its shareholders, members, or partners, as applicable, claim all of such tax credits on a Missouri tax return, subject to the terms and conditions set forth in properly published regulations. The letter ruling shall apply only to the applicant.

4. Letter rulings issued under the authority of this section shall not be a rule as defined in section 536.010, RSMo, in that it is an interpretation issued by the department with respect to a specific set of facts and intended to apply only to that specific set of facts, and therefore shall not be subject to the rulemaking requirements of chapter 536, RSMo.

5. Information in letter ruling requests as described in section 620.014, RSMo, shall be closed to the public. Copies of letter rulings shall be available to the public provided that the applicant identifying information and otherwise protected information is redacted from the letter ruling as provided in subsection 1 of section 610.024, RSMo.”; and

"140.150. 1. All lands, lots, mineral rights, and royalty interests on which taxes or neighborhood improvement district special assessments are delinquent and unpaid are subject to sale to discharge the lien for the delinquent and unpaid taxes or unpaid special assessments as provided for in this chapter on the fourth Monday in August of each year.

2. No real property, lots, mineral rights, or royalty interests shall be sold for state, county or city taxes or special assessments without judicial proceedings, unless the notice of sale contains the names of all record owners thereof, or the names of all owners appearing on the land tax book and all other information required by law. Delinquent taxes or unpaid special assessments, penalty, interest and costs due thereon may be paid to the county collector at any time before the property is sold therefor. **The collector is required to send notices to the publicly recorded owner of record before any delinquent and unpaid taxes or unpaid special assessments as specified in this section subject to sale are published. The first notice is to be by first class mail and the second notice is to be sent by certified mail. If the certified mailing is returned to the collector unsigned, then notice, before the sale, is to be sent by first class mail at least fifteen days prior to the fourth Monday in August. The postage for the mailing of the notices shall be furnished by the county commission. The failure of the taxpayer or the publicly recorded owner to receive the notice provided for in this section in no case relieves such taxpayer or publicly recorded owner of any tax liability imposed by law.**

3. The entry in the back tax book by the county clerk of the delinquent lands, lots, mineral rights, and royalty interests constitutes a levy upon the delinquent lands, lots, mineral rights, and royalty interests for the purpose of enforcing the lien of delinquent and unpaid taxes or unpaid special assessments as provided in section 67.469, RSMo, together with penalty, interest and costs.

140.230. 1. When real estate has been sold for taxes or other debt by the sheriff or collector of any

county within the state of Missouri, and the same sells for a greater amount than the debt or taxes and all costs in the case it shall be the duty of the sheriff or collector of the county, when such sale has been or may hereafter be made, to make a written statement describing each parcel or tract of land sold by him for a greater amount than the debt or taxes and all costs in the case together with the amount of surplus money in each case. The statement shall be subscribed and sworn to by the sheriff or collector making it before some officer competent to administer oaths within this state, and then presented to the county commission of the county where the sale has been or may be made; and on the approval of the statement by the commission, the sheriff or collector making the same shall pay the surplus money into the county treasury, take the receipt in duplicate of the treasurer for the overplus of money and retain one of the duplicate receipts himself and file the other with the county commission, and thereupon the commission shall charge the treasurer with the amount.

2. The treasurer shall place such moneys **in the county treasury to be held for the use and benefit of the person entitled to such moneys or** to the credit of the school fund of the county, to be held in trust for the term of three years for the owner or owners or their legal representatives. At the end of three years, if such fund shall not be called for, then it shall become a permanent school fund of the county.

3. County commissions shall compel owners or agents to make satisfactory proof of their claims before receiving their money; provided, that no county shall pay interest to the claimant of any such fund.

140.250. 1. Whenever any lands have been or shall hereafter be offered for sale for delinquent taxes, interest, penalty and costs by the collector of the proper county for any two successive years and no person shall have bid therefor a sum equal to the delinquent taxes thereon, interest, penalty and costs provided by law, then such county collector shall at the next regular tax sale of lands for delinquent taxes sell same to the highest bidder, and there shall be a ninety-day period of redemption from such sales as specified in section 140.405.

2. No certificate of purchase shall issue as to such sales, but the purchaser at such sales shall be entitled to the issuance and delivery of a collector's deed upon completion of title search action as specified in section 140.405.

3. If any lands or lots are not sold at such third offering, then the collector, in his discretion, need not again advertise or offer such lands or lots for sale more often than once every five years after the third offering of such lands or lots, and such offering shall toll the operation of any applicable statute of limitations.

4. A purchaser at any sale subsequent to the third offering of any land or lots, **whether by the collector or a trustee as provided in section 140.260**, shall be entitled to the immediate issuance and delivery of a collector's deed and there shall be no period of redemption from such sales **after the third offering**; provided, however, before any purchaser at a sale to which this section is applicable shall be entitled to a collector's deed it shall be the duty of the collector to demand, and the purchaser to pay, in addition to his bid, all taxes due and unpaid on such lands or lots that become due and payable on such lands or lots subsequent to the date of the taxes included in such advertisement and sale. **The collector's deed or trustee's deed shall have priority over all other liens or encumbrances on the property sold except for real property taxes or federal liens.**

5. In the event the real purchaser at any sale to which this section is applicable shall be the owner of the lands or lots purchased, or shall be obligated to pay the taxes for the nonpayment of which such lands or lots were sold, then no collector's deed shall issue to such purchaser, or to anyone acting for or on behalf

of such purchaser, without payment to the collector of such additional amount as will discharge in full all delinquent taxes, penalty, interest and costs.

140.260. 1. It shall be lawful for the county commission of any county, and the comptroller, mayor and president of the board of assessors of the city of St. Louis, to designate and appoint a suitable person or persons with discretionary authority to bid at all sales to which section 140.250 is applicable, and to purchase at such sales all lands or lots necessary to protect all taxes due and owing and prevent their loss to the taxing authorities involved from inadequate bids.

2. Such person or persons so designated are hereby declared as to such purchases and as titleholders pursuant to collector's deeds issued on such purchases, to be trustees for the benefit of all funds entitled to participate in the taxes against all such lands or lots so sold.

3. Such person or persons so designated shall not be required to pay the amount bid on any such purchase but the collector's deed issuing on such purchase shall recite the delinquent taxes for which said lands or lots were sold, the amount due each respective taxing authority involved, and that the grantee in such deed or deeds holds title as trustee for the use and benefit of the fund or funds entitled to the payment of the taxes for which said lands or lots were sold.

4. The costs of all collectors' deeds, the recording of same and the advertisement of such lands or lots shall be paid out of the county treasury in the respective counties and such fund as may be designated therefor by the authorities of the city of St. Louis.

5. All lands or lots so purchased shall be sold and deeds ordered executed and delivered by such trustees upon order of the county commission of the respective counties and the comptroller, mayor and president of the board of assessors of the city of St. Louis, and the proceeds of such sales shall be applied, first, to the payment of the costs incurred and advanced, and the balance shall be distributed pro rata to the funds entitled to receive the taxes on the lands or lots so disposed of, **and then any excess proceeds shall be distributed to the county treasurer to be held for the use and benefit of the person or persons entitled to such proceeds.**

6. Upon appointment of any such person or persons to act as trustee as herein designated a certified copy of the order making such appointment shall be delivered to the collector, and if such authority be revoked a certified copy of the revoking order shall also be delivered to the collector.

7. Compensation to trustees as herein designated shall be payable solely from proceeds derived from the sale of lands purchased by them as such trustees and shall be fixed by the authorities herein designated, but not in excess of ten percent of the price for which any such lands and lots are sold by the trustees; provided further, that if at any such sale any person bid a sufficient amount to pay in full all delinquent taxes, penalties, interest and costs, then the trustees herein designated shall be without authority to further bid on any such land or lots. **If a third party is a successful bidder and there are excess proceeds, such proceeds shall be distributed as provided in subsection 5 of this section.**

8. If the county commission of any county does not designate and appoint a suitable person or persons as trustee or trustees, so appointed, or the trustee or trustees do not accept property after the third offering where no sale occurred then it shall be at the discretion of the collector to sell such land subsequent to the third offering of such land and lots at any time and for any amount.

140.290. 1. After payment shall have been made the county collector shall give the purchaser a certificate in writing, to be designated as a certificate of purchase, which shall carry a numerical number

and which shall describe the land so purchased, each tract or lot separately stated, the total amount of the tax, with penalty, interest and costs, and the year or years of delinquency for which said lands or lots were sold, separately stated, and the aggregate of all such taxes, penalty, interest and costs, and the sum bid on each tract.

2. If the purchaser bid for any tract or lot of land a sum in excess of the delinquent tax, penalty, interest and costs for which said tract or lot of land was sold, such excess sum shall also be noted in the certificate of purchase, in a separate column to be provided therefor. Such certificate of purchase shall also recite the name and address of the owner or reputed owner if known, and if unknown then the party or parties to whom each tract or lot of land was assessed, together with the address of such party, if known, and shall also have incorporated therein the name and address of the purchaser. Such certificate of purchase shall also contain the true date of the sale and the time when the purchaser will be entitled to a deed for said land, if not redeemed as in this chapter provided, and the rate of interest that such certificate of purchase shall bear, which rate of interest shall not exceed the sum of ten percent per annum. Such certificate shall be authenticated by the county collector, who shall record the same in a permanent record book in his office before delivery to the purchaser.

3. Such certificate shall be assignable, but no assignment thereof shall be valid unless endorsed on such certificate and acknowledged before some officer authorized to take acknowledgment of deeds and an entry of such assignment entered in the record of said certificate of purchase in the office of the county collector.

4. For each certificate of purchase issued, including the recording of the same, the county collector shall be entitled to receive and retain a fee of fifty cents, to be paid by the purchaser and treated as a part of the cost of the sale, and so noted on the certificate. For noting any assignment of any certificate the county collector shall be entitled to a fee of twenty-five cents, to be paid by the person requesting such recital of assignment, and which shall not be treated as a part of the cost of the sale.

5. No collector shall be authorized to issue a certificate of purchase to any nonresident of the state of Missouri or to enter a recital of any assignment of such certificate upon his record to a nonresident of the state, until such purchaser or assignee of such purchaser, as the case may be, shall have complied with the provisions of section 140.190 pertaining to nonresident purchasers.

6. This section shall not apply to any post-third year tax sale.

140.310. 1. The purchaser of any tract or lot of land at sale for delinquent taxes, homesteads excepted, shall at any time after one year from the date of sale be entitled to the immediate possession of the premises so purchased during the redemption period provided for in this law, unless sooner redeemed; provided, however, any owner or occupant of any tract or lot of land purchased may retain possession of said premises by making a written assignment of, or agreement to pay, rent certain or estimated to accrue during such redemption period or so much thereof as shall be sufficient to discharge the bid of the purchaser with interest thereon as provided in the certificate of purchase.

2. The purchaser, his heirs or assigns, may enforce his rights under said written assignment or agreement in any manner now authorized or hereafter authorized by law for the collection of delinquent and unpaid rent; provided further, nothing herein contained shall operate to the prejudice of any owner not in default and whose interest in the tract or lot of land is not encumbered by the certificate of purchase, nor shall it prejudice the rights of any occupant of any tract or lot of land not liable to pay taxes thereon nor such occupant's interest in any planted, growing or unharvested crop thereon.

3. Any additions or improvements made to any tract or lot of land by any occupant thereof, as tenant

or otherwise, and made prior to such tax sale, which such occupant would be permitted to detach and remove from the land under his contract of occupancy shall also, to the same extent, be removable against the purchaser, his heirs or assigns.

4. Any rent collected by the purchaser, his heirs or assigns, shall operate as a payment upon the amount due the holder of such certificate of purchase, and such amount or amounts, together with the date paid and by whom shall be endorsed as a credit upon said certificate, and which said sums shall be taken into consideration in the redemption of such land, as provided for in this chapter.

5. Any purchaser, heirs or assigns, in possession within the period of redemption against whom rights of redemption are exercised shall be protected in the value of any planted, growing and/or unharvested crop on the lands redeemed in the same manner as such purchaser, heirs or assigns would be protected in valuable and lasting improvements made upon said lands after the period of redemption and referred to in section 140.360.

6. The one-year redemption period shall not apply to third year tax sales, but the ninety-day redemption period as provided in section 140.405 shall apply to such sales. There shall be no redemption period for a post-third year tax sale.

140.340. 1. The owner or occupant of any land or lot sold for taxes, or any other persons having an interest therein, may redeem the same at any time during the one year next ensuing, in the following manner: by paying to the county collector, for the use of the purchaser, his heirs or assigns, the full sum of the purchase money named in his certificate of purchase and all the cost of the sale, **including the cost of the title search and mailing of notification required in sections 140.250 to 140.405**, together with interest at the rate specified in such certificate, not to exceed ten percent annually, except on a sum paid by a purchaser in excess of the delinquent taxes due plus costs of the sale, no interest shall be owing on the excess amount, with all subsequent taxes which have been paid thereon by the purchaser, his heirs or assigns, with interest at the rate of eight percent per annum on such taxes subsequently paid, and in addition thereto the person redeeming any land shall pay the costs incident to entry of recital of such redemption.

2. Upon deposit with the county collector of the amount necessary to redeem as herein provided, it shall be the duty of the county collector to mail to the purchaser, his heirs or assigns, at the last post office address if known, and if not known, then to the address of the purchaser as shown in the record of the certificate of purchase, notice of such deposit for redemption.

3. Such notice, given as herein provided, shall stop payment to the purchaser, his heirs or assigns, of any further interest or penalty.

4. In case the party purchasing said land, his heirs or assigns, fails to take a tax deed for the land so purchased within six months after the expiration of the one year next following the date of sale, no interest shall be charged or collected from the redemptioner after that time.

140.405. Any person purchasing property at a delinquent land tax auction shall not acquire the deed to the real estate, as provided for in section 140.420, until the [person] **purchaser** meets [with the following requirement or until such person makes affidavit that a title search has revealed no publicly recorded deed of trust, mortgage, lease, lien or claim on the real estate] **the requirements of this section**. [At least] **The purchaser shall obtain a title search from a licensed attorney, abstract or title company** ninety days prior to the date when a purchaser is authorized to acquire the deed, **however, such deed shall not be acquired prior to the expiration date of the redemption period as provided in section 140.340**. The

purchaser shall notify any person who holds a publicly recorded deed of trust, mortgage, lease, lien or claim upon that real estate of the latter person's right to redeem such person's publicly recorded security or claim. Notice shall be sent by certified mail to any such person, including one who was the publicly recorded owner of the property sold at the delinquent land tax auction previous to such sale, at such person's last known available address, **except that no ninety-day notice is required for post-third year tax sales as provided in subsection 4 of section 140.250. The ninety-day period as permitted by law shall begin on the date immediately at such time a purchaser provides the collector an original affidavit specifying the required title search is complete, a copy of the title search, the notices sent by certified mail, and the mail certifications and receipts.** Failure of the purchaser to comply with this provision shall result in such purchaser's loss of all interest in the real estate. **Provided further, any such publicly recorded owner of the property sold at the delinquent land tax auction desiring to transact or transfer ownership of property during the ninety-day period, shall first redeem such property pursuant to the provisions in section 140.340, prior to executing any such transactions or transfers of ownership of property. Failure of the publicly recorded owner of the property to comply with this provision, prior to transacting or transferring ownership of such property, shall result in such publicly recorded owner's loss of all interest in the real estate or the publicly recorded owner shall reimburse the purchaser for all the cost of the sale, including the cost of the title search and mailing of notification required in sections 140.250 to 140.405, together with interest at the rate specified in the certificate of purchase, not to exceed ten percent annually, and make further reimbursement for any taxes that the purchaser may have paid plus eight percent interest on such taxes.** If any real estate is purchased at a third-offering tax auction and has a publicly recorded deed of trust, mortgage, lease, lien or claim upon the real estate, the purchaser of said property at a third-offering tax auction shall notify anyone with a publicly recorded deed of trust, mortgage, lease, lien or claim upon the real estate pursuant to this section **within forty-five days after the purchase at the collector's sale.** Once the purchaser has [notified] **provided** the county collector [by affidavit that proper notice has been given] **the required documents, pursuant to this section,** anyone with a publicly recorded deed of trust, mortgage, lease, lien or claim upon the property shall have ninety days to redeem said property or be forever barred from redeeming said property, **except that no notice is required for post-third year tax sales as provided in subsection 4 of section 140.250.** If the county collector chooses to have the title search done then the county collector must comply with all provisions of this section, and may charge the purchaser the cost of the title search before giving the purchaser a deed pursuant to section 140.420.

140.420. If no person shall redeem the lands sold for taxes, **if redemption is allowed,** within one year [from the sale] **or within ninety days of the notice as specified in section 140.405 after a third-year tax sale,** at the expiration thereof, and on production of certificate of purchase, the collector of the county in which the sale of such lands took place shall execute to the purchaser, his heirs or assigns, in the name of the state, a conveyance of the real estate so sold, which shall vest in the grantee an absolute estate in fee simple, subject, however, to all claims thereon for unpaid taxes except such unpaid taxes existing at time of the purchase of said lands and the lien for which taxes was inferior to the lien for taxes for which said tract or lot of land was sold.”; and

“190.430. 1. The commissioner of the office of administration is authorized to establish a fee, if approved by the voters pursuant to section 190.440, not to exceed [fifty] **twenty-five** cents per wireless telephone number per month to be collected by wireless service providers from wireless service customers.

2. The office of administration shall promulgate rules and regulations to administer the provisions of sections 190.400 to 190.440. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is promulgated pursuant to the authority delegated in sections 190.400 to 190.440 shall become effective only if it has been promulgated pursuant to the provisions of chapter 536, RSMo. All rulemaking authority delegated prior to [July 2, 1998] **August 28, 2008**, is of no force and effect and repealed; however, nothing in this section shall be interpreted to repeal or affect the validity of any rule filed or adopted prior to July 2, 1998, if it fully complied with the provisions of chapter 536, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after [July 2, 1998] **August 28, 2008**, shall be invalid and void.

3. The office of administration is authorized to administer the fund and to distribute the moneys in the wireless service provider enhanced 911 service fund for approved expenditures as follows:

(1) For the reimbursement of actual expenditures for implementation of wireless enhanced 911 service by wireless service providers in implementing Federal Communications Commission order 94-102; and

(2) To subsidize and assist the public safety answering points based on a formula established by the office of administration, which may include, but is not limited to the following:

(a) The volume of wireless 911 calls received by each public safety answering point;

(b) The population of the public safety answering point jurisdiction;

(c) The number of wireless telephones in a public safety answering point jurisdiction by zip code; and

(d) Any other criteria found to be valid by the office of administration provided that of the total amount of the funds used to subsidize and assist the public safety answering points, at least ten percent of said funds shall be distributed equally among all said public safety answering points providing said services under said

section;

(3) For the reimbursement of actual expenditures for equipment for implementation of wireless enhanced 911 service by public safety answering points to the extent that funds are available, provided that ten percent of funds distributed to public safety answering points shall be distributed in equal amounts to each public safety answering point participating in enhanced 911 service;

(4) Notwithstanding any other provision of the law, no proprietary information submitted pursuant to this section shall be subject to subpoena or otherwise released to any person other than to the submitting wireless service provider, without the express permission of said wireless service provider. General information collected pursuant to this section shall only be released or published in aggregate amounts which do not identify or allow identification of numbers of subscribers or revenues attributable to an individual wireless service provider.

4. Wireless service providers are entitled to retain one percent of the surcharge money they collect for administrative costs associated with billing and collection of the surcharge.

5. No more than five percent of the moneys in the fund, subject to appropriation by the general assembly, shall be retained by the office of administration for reimbursement of the costs of overseeing the fund and for the actual and necessary expenses of the board.

6. The office of administration shall review the distribution formula once every year and may adjust the amount of the fee within the limits of this section, as determined necessary.

7. The provisions of sections 190.307 and 190.308 shall be applicable to programs and services authorized by sections 190.400 to 190.440.

8. Notwithstanding any other provision of the law, in no event shall any wireless service provider, its officers, employees, assigns or agents, be liable for any form of civil damages or criminal liability which directly or indirectly result from, or is caused by, an act or omission in the development, design, installation, operation, maintenance, performance or provision of 911 service or other emergency wireless two- and three-digit wireless numbers, unless said acts or omissions constitute gross negligence, recklessness or intentional misconduct. Nor shall any wireless service provider, its officers, employees, assigns, or agents be liable for any form of civil damages or criminal liability which directly or indirectly result from, or is caused by, the release of subscriber information to any governmental entity as required under the provisions of this act unless the release constitutes gross negligence, recklessness or intentional misconduct.

190.440. 1. The office of administration shall not be authorized to establish a fee pursuant to the authority granted in section 190.430 unless a ballot measure is submitted and approved by the voters of this state. The ballot measure shall be submitted by the secretary of state for approval or rejection at the general election held and conducted on the Tuesday immediately following the first Monday in November, [1998] **2008**, or at a special election to be called by the governor on the ballot measure. If the measure is rejected at such general or special election, the measure may be resubmitted at each subsequent general election, or may be resubmitted at any subsequent special election called by the governor on the ballot measure, until such measure is approved.

2. The ballot of the submission shall contain, but is not limited to, the following language:

Shall the Missouri Office of Administration be authorized to establish a fee of up to [fifty] **twenty-five** cents per month to be charged every wireless telephone number for the purpose of funding wireless

enhanced 911 service?

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “Yes”. If you are opposed to the question, place an “X” in the box opposite “No”.

3. If a majority of the votes cast on the ballot measure by the qualified voters voting thereon are in favor of such measure, then the office of administration shall be authorized to establish a fee pursuant to section 190.430, and the fee shall be effective on January 1, [1999] **2009**, or the first day of the month occurring at least thirty days after the approval of the ballot measure, **but in no case shall the fee be imposed for more than ten years following its effective date unless reauthorized by the voters of this state in a manner substantially similar to that provided in subsection 2 of this section.** If a majority of the votes cast on the ballot measure by the qualified voters voting thereon are opposed to the measure, then the office of administration shall have no power to establish the fee unless and until the measure is approved.”; and

Further amend the title and enacting clause accordingly.

The application shall contain a full description of the vessel, factory number or serial number, together with a statement of the applicant's source of title and of any liens or encumbrances on the vessel. For good cause shown the director of revenue may extend the period of time for making such application. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true, and, if satisfied that the applicant is the lawful owner of such vessel, or otherwise entitled to have the same registered in his or her name, shall thereupon issue an appropriate certificate of title over the director's signature and sealed with the seal of the director's office, procured and used for such purpose, and a certificate of number stating the number awarded to the vessel. The application shall include a provision stating that the applicant will consent to any inspection necessary to determine compliance with the provisions of this chapter and shall be signed by the owner of the vessel and shall be accompanied by the fee specified in subsection 10 of this section. The owner shall paint on or attach to each side of the bow of the vessel the identification number in a manner as may be prescribed by rules and regulations of the division of water safety in order that it may be clearly visible. The number shall be maintained in legible condition. The certificate of number shall be pocket size and shall be available at all times for inspection on the vessel for which issued, whenever the vessel is in operation. No additional or substitute number shall be issued unless the number is a duplicate of an existing Missouri number.

4. In the event that an agency of the United States government shall have in force an overall system of identification numbering for vessels within the United States, the numbering system employed pursuant to this chapter by the department of revenue shall be in conformity therewith.

5. All records of the department of revenue made and kept pursuant to this section shall be public records.

6. Every certificate of number awarded pursuant to this chapter shall continue in force and effect for a period of three years unless sooner terminated or discontinued in accordance with the provisions of this chapter. Certificates of number may be renewed by the owner in the same manner provided for in the initial securing of the same or in accordance with the provisions of sections 306.010 to 306.030.

7. The department of revenue shall fix the days and months of the year on which certificates of number due to expire during the calendar year shall lapse and no longer be of any force and effect unless renewed pursuant to this chapter and may stagger such dates in order to distribute the workload.

8. When applying for or renewing a vessel's certificate of number, the owner shall submit a paid personal property tax receipt for the tax year which immediately precedes the year in which the application is made or the year in which the renewal is due and which reflects that the vessel being renewed is listed as personal property and that all personal property taxes, including delinquent taxes from prior years, have been paid, or a statement certified by the county or township in which the owner's property was assessed showing that the state and county tangible personal property taxes for such previous tax year and all delinquent taxes due have been paid by the applicant or that no such taxes were due.

For vessels at least 40 feet and over	\$150.00.

11. The certificate of title and certificate of number issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection.

12. The first two million dollars collected annually under the provisions of this section shall be deposited into the state general revenue fund. All fees collected under the provisions of this section in excess of two million dollars annually shall be deposited in the Missouri state water patrol fund and shall be used exclusively for the Missouri state water patrol.

In addition the fund may include any gifts, contributions, grants, or bequests received from federal, state, private, or other sources. The fund shall be administered by the authority. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the fund shall not be transferred to the credit of the general revenue fund at the end of the biennium. Interest and moneys earned on the fund shall be credited to the fund.

6. The authority shall have the following powers, together with all powers incidental thereto or necessary for the performance thereof:

- (8) To collect reasonable fees and charges in connection with making and servicing its loans, notes, bonds, obligations, commitments, and other evidences of indebtedness, and in connection with providing technical, consultative and project assistant services. Such fees and charges shall be used to pay the costs of the authority;
- (9) To invest any funds not required for immediate disbursement in obligations of the state of Missouri or of the United States government or any instrumentality thereof, the principal and interest of which are guaranteed by the state of Missouri, or the United States government or any instrumentality thereof, or certificates of deposit or time deposits of federally insured banks, or federally insured savings and loan associations or of insured credit unions, or, with respect to moneys pledged or held under a trust estate or otherwise available for the owners of bonds or other forms of indebtedness, any investment authorized under the bond resolution governing the security and payment of such obligations or repurchase agreements for the specified investments;
- (10) To acquire, hold and dispose of personal property for its purposes;

(11) To enter into agreements or other transactions with any federal or state agency, any person and any domestic or foreign partnership, corporation, association or organization.

7. The authority may from time to time issue renewal notes. Renewal notes may be sold at public or private sale and the proceeds applied to the purchase, redemption, or payment of the notes to be refunded.

8. (1) The authority may set interest rates between one percent and two points below the prime interest rates.

(2) The ratio of loan to project cost and the amortization period of loans made by the authority shall be determined in accordance with regulations promulgated by the authority.

9. The renewable energy loan authority is assigned to the department. The authority shall annually file with the director of the department a report of its previous year's income, expenditures and bonds or other forms of indebtedness issued and outstanding.

10. The authority shall adopt a code of conduct which shall govern the conduct of its members and its employees. The authority shall promulgate rules and regulations necessary to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.”; and

Further amend the title and enacting clause accordingly.

10. Upon the issuance of a reinstatement or termination notice after a suspension or revocation of any person's license and driving privilege under the provisions of sections 302.010 to 302.540, the accumulated point value shall be reduced to four points, except that the points of any person serving as a member of the armed forces of the United States outside the limits of the United States during a period of suspension or revocation shall be reduced to zero upon the date of the reinstatement or termination of notice. It shall be the responsibility of such member of the armed forces to submit copies of official orders to the director of revenue to substantiate such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary notwithstanding, the effective date of the four points remaining on the record upon reinstatement or termination shall be the date of the reinstatement or termination notice.

11. No credit toward reduction of points shall be given during periods of suspension or revocation or any period of driving under a limited driving privilege granted by a court or the director of revenue.

12. Any person or nonresident whose license or privilege to operate a motor vehicle in this state has been suspended or revoked under this or any other law shall, before having the license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee of twenty dollars which shall be in addition to all other fees provided by law.

13. Notwithstanding any other provision of law to the contrary, if after two years from the effective date of any suspension or revocation issued under this chapter, the person or nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such license or privilege to operate a motor vehicle in this state.

14. No person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of subsection 1 of section 302.302 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 302.010, or a program determined to be comparable by the department of mental health. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, RSMo, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary

unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee in an amount to be determined by the department of mental health for the purposes of funding the substance abuse traffic offender program defined in section 302.010 and section 577.001, RSMo, or a program determined to be comparable by the department of mental health. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rate established pursuant to the provisions of section 32.065, RSMo, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

16. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

17. Any person who has had a license to operate a motor vehicle suspended or revoked as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of section 302.302 shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement of the license. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked and the person shall be guilty of a class A misdemeanor.

302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

(a) A business, occupation, or employment;

- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs; [or]
- (e) **Seeking the required services of a certified ignition interlock device provider; or**
- (f) Any other circumstance the court or director finds would create an undue hardship on the operator;

the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

(4) No limited driving privilege shall be issued to any person otherwise eligible under the provisions of paragraph (a) of subdivision (6) of subsection 3 of this section on a license revocation resulting from a conviction under subdivision (9) of subsection 1 of section 302.302; or a license denial under paragraph (a) or (b) of subdivision (8) of subsection 3 of this section; until the applicant has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of limited driving privilege.

(5) The court order or the director's grant of the limited **or restricted** driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. **Failure of the driver to maintain proof of financial**

responsibility, as required by chapter 303, or to maintain proof of installation of a functioning, certified ignition interlock device, as applicable, shall terminate the privilege. The director shall notify by ordinary mail the driver whose privilege is so terminated.

[(5)] (6) Except as provided in subdivision [(7)] (8) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) or (11) of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state; or

(g) Due to a suspension pursuant to subsection 2 of section 302.525 and who has not completed the first thirty days of such suspension, provided the person is not otherwise ineligible for a limited driving privilege; or due to a revocation pursuant to subsection 2 of section 302.525 if such person has not completed such revocation.

[(6)] (7) No person who possesses a commercial driver's license shall receive a limited driving privilege issued for the purpose of operating a commercial motor vehicle if such person's driving privilege is suspended, revoked, canceled, denied, or disqualified. Nothing in this section shall prohibit the issuance of a limited driving privilege for the purpose of operating a noncommercial motor vehicle provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege.

[(7)] (8) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the

person no longer poses a threat to the public safety of this state.

(b) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege or convicted of involuntary manslaughter while operating a motor vehicle in an intoxicated condition, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of five years because of two convictions of driving while intoxicated, as prescribed in subdivision (10) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least two years of such disqualification or revocation. Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. Any person who is denied a license permanently in this state because of an alcohol-related conviction subsequent to a restoration of such person's driving privileges pursuant to subdivision (9) of section 302.060 shall not be eligible for limited driving privilege pursuant to the provisions of this subdivision.

4. Any person who has received notice of denial of a request of limited driving privilege by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

302.525. 1. The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior alcohol-related enforcement contacts during the immediately preceding five years, the period of suspension shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege as defined in section 302.010 and issued by the director of revenue. The restricted driving privilege shall not be issued until he or she has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, RSMo,

and is otherwise eligible. In no case shall restricted driving privileges be issued pursuant to this section or section 302.535 until the person has completed the first thirty days of a suspension under this section;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol-related enforcement contacts during the immediately preceding five years;

(3) In no case shall restricted driving privileges be issued under this section to any person whose driving record shows one or more prior alcohol-related enforcement contacts until the person has completed the first thirty days of a suspension under this section and has filed proof with the department of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of the restricted driving privilege. If the person fails to maintain such proof the restricted driving privilege shall be terminated.

3. For purposes of this section, "alcohol-related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving **while intoxicated, driving while under the influence of drugs or alcohol, or driving** a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012, RSMo, or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol-related traffic offense, both the suspension or revocation under this section and any other suspension or revocation arising from such convictions shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation arising from such convictions, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods.

5. Any person who has had a license to operate a motor vehicle revoked under this section or suspended under this section with one or more prior alcohol-related enforcement contacts showing on their driver record shall be required to file proof with the director of revenue that any motor vehicle operated by that person is equipped with a functioning, certified ignition interlock device as a required condition of reinstatement. The ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director, the license shall be resuspended or revoked, as applicable."; and

Further amend said bill, Page 48, Section 577.023, Line 112, by inserting after all of said line the following:

"577.041. 1. If a person under arrest, or who has been stopped pursuant to subdivision (2) or (3) of subsection 1 of section 577.020, refuses upon the request of the officer to submit to any test allowed pursuant to section 577.020, then none shall be given and evidence of the refusal shall be admissible in a proceeding pursuant to section 565.024, 565.060, or 565.082, RSMo, or section 577.010 or 577.012. The request of the officer shall include the reasons of the officer for requesting the person to submit to a test and also shall inform the person that evidence of refusal to take the test may be used against such person and that the person's license shall be immediately revoked upon refusal to take the test. If a person when requested to submit to any test allowed pursuant to section 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which to attempt to contact an attorney. If upon the completion

of the twenty-minute period the person continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the officer shall, on behalf of the director of revenue, serve the notice of license revocation personally upon the person and shall take possession of any license to operate a motor vehicle issued by this state which is held by that person. The officer shall issue a temporary permit, on behalf of the director of revenue, which is valid for fifteen days and shall also give the person a notice of such person's right to file a petition for review to contest the license revocation.

2. The officer shall make a certified report under penalties of perjury for making a false statement to a public official. The report shall be forwarded to the director of revenue and shall include the following:

(1) That the officer has:

(a) Reasonable grounds to believe that the arrested person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer has reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

(2) That the person refused to submit to a chemical test;

(3) Whether the officer secured the license to operate a motor vehicle of the person;

(4) Whether the officer issued a fifteen-day temporary permit;

(5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice of the right to file a petition for review, which notices and permit may be combined in one document; and

(6) Any license to operate a motor vehicle which the officer has taken into possession.

3. Upon receipt of the officer's report, the director shall revoke the license of the person refusing to take the test for a period of one year; or if the person is a nonresident, such person's operating permit or privilege shall be revoked for one year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, an order shall be issued denying the person the issuance of a license or permit for a period of one year.

4. If a person's license has been revoked because of the person's refusal to submit to a chemical test, such person may petition for a hearing before a circuit or associate circuit court in the county in which the arrest or stop occurred. The person may request such court to issue an order staying the revocation until such time as the petition for review can be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form prescribed by the director of revenue and shall send a copy of such order to the director. Such order shall serve as proof of the privilege to operate a motor vehicle in this state and the director shall maintain possession of the person's license to operate a motor vehicle until termination of any revocation pursuant to this section. Upon the person's request the clerk of the court shall notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on behalf of the director of revenue. At the hearing the court shall determine only:

(1) Whether or not the person was arrested or stopped;

(2) Whether or not the officer had:

(a) Reasonable grounds to believe that the person was driving a motor vehicle while in an intoxicated or drugged condition; or

(b) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths of one percent or more by weight; or

(c) Reasonable grounds to believe that the person stopped, being under the age of twenty-one years, was committing a violation of the traffic laws of the state, or political subdivision of the state, and such officer had reasonable grounds to believe, after making such stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

(3) Whether or not the person refused to submit to the test.

5. If the court determines any issue not to be in the affirmative, the court shall order the director to reinstate the license or permit to drive.

6. Requests for review as provided in this section shall go to the head of the docket of the court wherein filed.

7. No person who has had a license to operate a motor vehicle suspended or revoked pursuant to the provisions of this section shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program defined in section 577.001, or a program determined to be comparable by the department of mental health or the court. Assignment recommendations, based upon the needs assessment as described in subdivision (22) of section 302.010, RSMo, shall be delivered in writing to the person with written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court of the county in which such assignment was given, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Upon hearing the motion, the court may modify or waive any assignment recommendation that the court determines to be unwarranted based upon a review of the needs assessment, the person's driving record, the circumstances surrounding the offense, and the likelihood of the person committing a like offense in the future, except that the court may modify but may not waive the assignment to an education or rehabilitation program of a person determined to be a prior or persistent offender as defined in section 577.023, or of a person determined to have operated a motor vehicle with fifteen-hundredths of one percent or more by weight in such person's blood. Compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

8. The fees for the substance abuse traffic offender program, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee to be determined by the department of mental health for the purposes

of funding the substance abuse traffic offender program defined in section 302.010, RSMo, and section 577.001. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health on or before the fifteenth day of each month the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not to exceed the annual rates established pursuant to the provisions of section 32.065, RSMo, plus three percentage points. The supplemental fees and any interest received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

9. Any administrator who fails to remit to the division of alcohol and drug abuse of the department of mental health the supplemental fees and interest for all persons enrolled in the program pursuant to this section shall be subject to a penalty equal to the amount of interest accrued on the supplemental fees due the division pursuant to this section. If the supplemental fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the department of mental health within six months of the due date, the attorney general of the state of Missouri shall initiate appropriate action of the collection of said fees and interest accrued. The court shall assess attorney fees and court costs against any delinquent program.

10. Any person who has had a license to operate a motor vehicle revoked more than once for violation of the provisions of this section shall be required to file proof with the director of revenue that any motor vehicle operated by the person is equipped with a functioning, certified ignition interlock device as a required condition of license reinstatement. Such ignition interlock device shall further be required to be maintained on all motor vehicles operated by the person for a period of not less than six months immediately following the date of reinstatement. If the person fails to maintain such proof with the director as required by this section, the license shall be rerevoked and the person shall be guilty of a class A misdemeanor.

11. The revocation period of any person whose license and driving privilege has been revoked under this section and who has filed proof of financial responsibility with the department of revenue in accordance with chapter 303, RSMo, and is otherwise eligible, shall be terminated by a notice from the director of revenue after one year from the effective date of the revocation. Unless proof of financial responsibility is filed with the department of revenue, the revocation shall remain in effect for a period of two years from its effective date. If the person fails to maintain proof of financial responsibility in accordance with chapter 303, RSMo, the person's license and driving privilege shall be rerevoked and the person shall be guilty of a class A misdemeanor.

577.600. 1. In addition to any other provisions of law, a court may require that any person who is found guilty of or pleads guilty to a first intoxication-related traffic offense, as defined in section 577.023, and a court shall require that any person who is found guilty of or pleads guilty to a second or subsequent intoxication-related traffic offense, as defined in section 577.023, shall not operate any motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device for a period of not less than [one month] **six months** from the date of reinstatement of the person's driver's license. In addition, any court authorized to grant a limited driving privilege under section 302.309, RSMo, to any person who is found guilty of or pleads guilty to a second or subsequent intoxication-related traffic offense shall require the use of an ignition interlock device on all vehicles operated by the person as a required condition of the limited driving privilege. **These requirements shall be in addition to any other provisions of this chapter or chapter 302, RSMo, requiring installation and maintenance of an ignition interlock device.** Any person

required to use an ignition interlock device, **either under the provisions of this chapter or chapter 302, RSMo**, shall comply with [the court order,] **such requirement** subject to the penalties provided by this section.

2. No person shall knowingly rent, lease or lend a motor vehicle to a person known to have had that person's driving privilege restricted as provided in subsection 1 of this section, unless the vehicle is equipped with a functioning, certified ignition interlock device. Any person whose driving privilege is restricted as provided in subsection 1 of this section shall notify any other person who rents, leases or loans a motor vehicle to that person of the driving restriction imposed pursuant to this section.

3. Any person convicted of a violation of this section shall be guilty of a class A misdemeanor.

577.602. 1. If a court imposes a fine and requires the use of an ignition interlock device for the same offense, the amount of the fine may be reduced by the cost of the ignition interlock device.

2. If the court requires the use of an ignition interlock device, it shall order the installation of the device on any vehicle which the offender operates during the period of probation or limited driving privilege.

3. If the court imposes the use of an ignition interlock device on a person having full or limited driving privileges, the court shall require the person to provide proof of compliance with the order to the court or the probation officer within thirty days of this court's order or sooner, as required by the court, **in addition to any proof required to be filed with the director of revenue under the provisions of this chapter or chapter 302, RSMo**. If the person fails to provide proof of installation within that period, absent a finding by the court of good cause for that failure which is entered in the court record, the court shall revoke or terminate the person's probation or limited driving privilege.

4. Nothing in sections 577.600 to 577.614 shall be construed to authorize a person to operate a motor vehicle whose driving privileges have been suspended or revoked, unless the person has obtained a limited driving privilege or restricted driving privilege under other provisions of law.

5. The person whose driving privilege is restricted pursuant to section 577.600 shall report to the court or the probation officer at least once annually, or more frequently as the court may order, on the operation of each ignition interlock device in the person's vehicle or vehicles. Such person shall be responsible for the cost and maintenance of the ignition interlock device. If such device is broken, destroyed or stolen, such person shall also be liable for the cost of replacement of the device.

Upon request of the director, a warrantor shall make available to the director all accounts, books, and records concerning vehicle protection products provided by the warrantor that are necessary to enable the director to reasonably determine compliance or noncompliance with sections 385.400 to 385.436.

2. If the director determines that a person has engaged, is engaging in, or has taken a substantial step toward engaging in An Act, practice, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, or a person has materially aided or is materially aiding An Act, practice, omission, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, the director may issue such administrative orders as authorized under section 374.046, RSMo. A violation of these sections is a level two violation under section 374.049, RSMo.

3. If the director believes that a person has engaged, is engaging in, or has taken a substantial step toward engaging in An Act, practice, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, or that a person has materially aided or is materially aiding An Act, practice, omission, or course of business constituting a violation of sections 385.400 to 385.436 or a rule adopted or order issued pursuant thereto, the director may maintain a civil action for relief authorized under section 374.048, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after January 1, 2009, shall be invalid and void.

The failure of any person to comply with sections 385.400 to 385.436 prior to January 1, 2009, shall not be admissible in any court proceeding, administrative proceeding, arbitration, or alternative dispute resolution proceeding and may not otherwise be used to prove that the action of any person or the affected vehicle protection product was unlawful or otherwise improper. The adoption of sections 385.400 to 385.436 does not imply that a vehicle protection product warranty was insurance prior to January 1, 2009. The penalty provision of sections 385.400 to 385.436 do not apply to any violation of sections 385.400 to 385.436 relating to or in connection with the sale or failure to disclose in a retail installment contract or lease, or contract or agreement that provides for payments under a vehicle protection product warranty so long as the sale of such product, contract, or agreement was otherwise disclosed to the purchaser in writing at the time of the purchase or lease.”; and

Further amend said title, enacting clause and intersectional references accordingly.

“302.181. 1. The license issued pursuant to the provisions of sections 302.010 to 302.340 shall be in such form as the director shall prescribe, but the license shall be a card made of plastic or other comparable material. All licenses shall be manufactured of materials and processes that will prohibit, as nearly as possible, the ability to reproduce, alter, counterfeit, forge, or duplicate any license without ready detection. All licenses shall bear the licensee's Social Security number, if the licensee has one, and if not, a notarized affidavit must be signed by the licensee stating that the licensee does not possess a Social Security number, or, if applicable, a certified statement must be submitted as provided in subsection 4 of this section. The license shall also bear the expiration date of the license, the classification of the license, the name, date of birth, residence address including the county of residence or a code number corresponding to such county established by the department, and brief description and colored photograph or digitized image of the licensee, and a facsimile of the signature of the licensee. The director shall provide by administrative rule the procedure and format for a licensee to indicate on the back of the license together with the designation for an anatomical gift as provided in section 194.240, RSMo, the name and address of the person designated pursuant to sections 404.800 to 404.865, RSMo, as the licensee's attorney in fact for the purposes of a durable power of attorney for health care decisions. No license shall be valid until it has been so signed by the licensee. If any portion of the license is prepared by a private firm, any contract with such firm shall be made in accordance with the competitive purchasing procedures as established by the state director of the division of purchasing. For all licenses issued or renewed after March 1, 1992, the applicant's Social Security number shall serve as the applicant's license number. Where the licensee has no Social Security number, or where the licensee is issued a license without a Social Security number in accordance with subsection 4 of this section, the director shall issue a license number for the licensee and such number shall also include an indicator showing that the number is not a Social Security number.

2. All film involved in the production of photographs for licenses shall become the property of the department of revenue.

3. The license issued shall be carried at all times by the holder thereof while driving a motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any police officer or peace officer, or any other duly authorized person, for inspection when demand is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any duly authorized officer shall be presumptive evidence that such person is not a duly licensed operator.

4. The director of revenue shall issue a commercial or noncommercial driver's license without a Social Security number to an applicant therefor, who is otherwise qualified to be licensed, upon presentation to the director of a certified statement that the applicant objects to the display of the Social Security number on the license. The director shall assign an identification number, that is not based on a Social Security number, to the applicant which shall be displayed on the license in lieu of the Social Security number.

5. The director of revenue shall not issue a license without a facial photograph or digital image of the license applicant, except as provided pursuant to subsection 8 of this section. A photograph or digital image of the applicant's full facial features shall be taken in a manner prescribed by the director. No photograph or digital image will be taken wearing anything which cloaks the facial features of the individual.

6. The department of revenue may issue a temporary license or a full license without the photograph or with the last photograph or digital image in the department's records to members of the armed forces, except that where such temporary license is issued it shall be valid only until the applicant shall have had time to appear and have his or her picture taken and a license with his or her photograph issued.

7. The department of revenue shall issue upon request a nondriver's license card containing essentially the same information and photograph or digital image, except as provided pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A person who has passed his or her seventieth birthday shall upon application be issued a nonexpiring nondriver's license card. The nondriver's license card shall be used for identification purposes only and shall not be valid as a license.

8. If otherwise eligible, an applicant may receive a driver's license or nondriver's license without a photograph or digital image of the applicant's full facial features except that such applicant's photograph or digital image shall be taken and maintained by the director and not printed on such license. In order to qualify for a license without a photograph or digital image pursuant to this section the applicant must:

(1) Present a form provided by the department of revenue requesting the applicant's photograph be omitted from the license or nondriver's license due to religious affiliations. The form shall be signed by the applicant and another member of the religious tenant verifying the photograph or digital image exemption on the license or nondriver's license is required as part of their religious affiliation. The required signatures on the prescribed form shall be properly notarized;

(2) Provide satisfactory proof to the director that the applicant has been a U.S. citizen for at least five years and a resident of this state for at least one year, except that an applicant moving to this state possessing a valid driver's license from another state without a photograph, shall be exempt from the one-year state residency requirement. The director may establish rules necessary to determine satisfactory proof of citizenship and residency pursuant to this section;

(3) Applications for a driver's license or nondriver's license without a photograph or digital image must be made in person at a license office determined by the director. The director is authorized to limit the number of offices that may issue a driver's or nondriver's license without a photograph or digital image pursuant to this section.

9. The department of revenue shall make available, at one or more locations within the state, an opportunity for individuals to have their full facial photograph taken by an employee of the department of revenue, or their designee, who is of the same sex as the individual being photographed, in a segregated location.

10. An applicant who desires to receive a driver's license or nondriver's license without a photograph under subsection 8 of this section may receive such a driver's license or nondriver's license without having his or her photograph or digital image taken and maintained by the director provided that the applicant:

(1) Complies with all of the provisions of subsection 8 of this section except for the provision requiring the applicant's photograph or digital image be taken and maintained by the director;

(2) Submits a set of fingerprints in a format prescribed by the director upon application for the driver's license or nondriver's license. The fingerprints shall be maintained by the director in a manner prescribed by the director and shall be accessible to the Missouri highway patrol and other law enforcement officers as established by rule. The applicant shall pay a twenty five dollar fee for the submission of such fingerprints; and

(3) Presents evidence satisfactory to the director that the applicant is exempt from paying social security and Medicare taxes because the applicant is a member of a recognized religious group that:

(a) Has existed continuously since December 31, 1950;

(b) Conscientiously opposes accepting benefits of any private or public insurance that makes payments in the event of death, disability, old age, or retirement or that makes payments for the cost of medical care or provides services for medical care including the benefits of any insurance system established by the social security act and Medicare benefits; and

(c) Provides a reasonable level of living for its dependent members.

For purposes of this subdivision, a Form 4029, or a copy thereof, approved by the Internal Revenue Service shall be considered satisfactory evidence.

11. Beginning July 1, 2005, the director shall not issue a driver's license or a nondriver's license for a period that exceeds an applicant's lawful presence in the United States. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any driver's license or nondriver's license issued under this section.

If the court determines that any proposed funding method is illegal or unconstitutional, it shall enter its judgment striking that funding method in whole or part. If the court determines the petition is not legally defective and the proposed district and method of funding are neither illegal nor unconstitutional, the court shall enter its judgment to that effect. HOUSE AMENDMENT NO. 24

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill Nos. 930 and 947, Section 301.130, Page 15, Line 107 by inserting after all of said Line the following:

“301.161. 1. The provisions of sections 301.161 to 301.164 shall be known as the “Missouri Universal Red Light Enforcement Act” (MURLE). No motor vehicle registration fees shall be charged under sections 301.161 to 301.164. For the purposes of sections 301.161 to 301.164, the following terms mean:

(1) “Agency”, any county, city, town, village, municipality, state agency, or other political subdivision of this state that is authorized to issue a notice of violation for a violation of a state or local traffic law or regulation;

(3) “Owner”, the owner of a motor vehicle as shown on the motor vehicle registration records of the Missouri department of revenue or the analogous department or agency of another state or country. The term “owner” includes:

(a) A lessee of a motor vehicle under a lease of six months or more; or

(b) The lessee of a motor vehicle rented or leased from a motor vehicle rental or leasing company, but does not include the motor vehicle rental or leasing company itself.

If there is more than one owner of the motor vehicle, the primary owner will be deemed the owner. If no primary owner is named, the first-listed owner will be deemed the owner;

(4) “Recorded image”, an image recorded by an automated photo red light enforcement system that depicts the rear view of a motor vehicle and is automatically recorded by a high-resolution camera as a digital image;

(5) “Steady red signal indication violation” or “violation”, a violation of a steady red signal indication under sections 304.271 and 304.281 or substantially similar agency ordinance or traffic

laws;

(6) “Traffic control signal”, a traffic control device that displays alternating red, yellow, and green lights intended to direct traffic as when to stop at or proceed through an intersection.

2. All automated photo red light enforcement systems shall be registered with the Missouri department of transportation prior to installation. The department of transportation shall collect a one-time registration fee of five hundred dollars per light and all registration fees collected shall be deposited in the “Red Light Enforcement Fund” hereby established. The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used to conduct audits to ensure agency compliance with the provisions of sections 304.271 to 304.281, including, but not limited to, ensuring that the agency is distributing the fines collected as required under section 301.162. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

3. No agency shall use an automated photo red light enforcement system unless the system is capable of producing at least two high-resolution color digital recorded images that show:

(1) The traffic control signal while it is emitting a steady red signal;

(2) The offending vehicle; and

(3) The rear license plate of the offending vehicle. One of the images must be of sufficient resolution to show clearly, while the vehicle is in the intersection and while the traffic signal is emitting a steady red signal, all three elements set forth in this subdivision and subdivisions (1) and (2) of this subsection.

4. The automated photo red light enforcement system shall not capture images of the front license plate of the motor vehicle.

5. The automated photo red light enforcement system shall utilize a video recording component which shall record the local time at which the two violation images were captured, as well as at least five seconds before and at least five seconds after the violation event.

6. No system may photograph or otherwise capture an image of the driver's face.

7. Agencies that utilize automated photo red light enforcement systems to detect and enforce steady red signal indication violations are subject to the conditions and limitations specified in sections 301.161 to 301.164.

8. Prior to activation of the system at an intersection:

(1) If not already present, the roadway first must be clearly marked with a white stripe indicating the stop line and the perimeter of the intersection;

(2) Warning signs shall be installed within five hundred feet of the white stripe indicating the stop line;

(3) Signal phase timings at intersections equipped with a system shall be certified by the Missouri department of transportation before the automated photo red light enforcement systems may be

activated for enforcement purposes and any adjustment to such timing shall be made only by a department of transportation traffic engineer. The department of transportation shall also certify that the green light is not arbitrarily short. If an agency alters the signal phase timing at an intersection without prior written approval from the Missouri department of transportation and without certification by the department of transportation traffic engineer, the agency shall be assessed a municipal fine of fifty thousand dollars for a first offense and the red light device shall be removed upon a subsequent violation. In no case shall a private vendor have the ability to control the signal phase timing connected with a system.

9. Prior to installing the automated photo red light enforcement system, the agency shall give notice of the intersection where the system will be located and of the date on which the system will begin to monitor the intersection. The agency shall give reasonable notice at least fourteen days prior to the installation of the system in a newspaper of general circulation throughout the political subdivision served by the agency.

10. Any agency that implements a system shall submit an annual report to the Missouri department of transportation. The report shall include, at a minimum:

- (1) The number of intersections enforced by active systems;
- (2) The number of notices of violation mailed;
- (3) The number of notices of violation paid;
- (4) The number of hearings; and
- (5) The total revenue collected as a result of the program.

Any agency failing to complete the annual report required under this subsection within forty-five days of the time such report is due shall be assessed a fine of fifty thousand dollars and all automated photo red light enforcement systems shall be removed from the agency's jurisdiction.

11. Within three years of the establishment of an automated photo traffic law enforcement program, the implementing jurisdiction shall initiate a formal evaluation of the program to determine the program's impact on traffic safety. That evaluation shall be completed within one year.

12. An agency that establishes an automated photo red light enforcement system shall enter into an agreement or agreements for the purpose of compensating a private vendor to perform operational and administrative tasks associated with the use of such system. The notice of violation issued under section 301.162, however, shall not be issued by a private vendor. Any compensation paid to a private vendor shall not be based upon the number of violations mailed, the number of citations issued, or the number of violations paid. The compensation paid to a private vendor shall be based upon the value of the equipment and the services provided or rendered in support of the system.

301.162. 1. Before a notice may be issued, all violation images produced by a system shall be reviewed and approved by a law or code enforcement officer employed by the agency in which the alleged violation occurred. Such review and acceptance shall be based on a full review of the images that clearly demonstrate a violation.

2. Based on inspection of recorded images produced by a system, a notice of violation or copy of such notice alleging that the violation occurred and signed manually or digitally by a duly authorized

agent of the agency shall be evidence of the facts contained therein and shall be admissible in any proceeding alleging a violation under sections 301.161 to 301.164.

3. An agency shall mail or cause to be mailed a notice of violation by certified mail to the owner of the motor vehicle, which notice shall include, in addition to the requirements of supreme court rule no. 37:

(1) The name and address of the owner of the vehicle;

(2) The registration number of the motor vehicle involved in the violation;

(3) A copy of the two recorded images and a zoomed and cropped image of the vehicle license plate which was extracted from one of the two images;

(4) Information advising the registered owner of how he or she can review the video, photographic, and recorded images that captured the alleged violation. The agency may provide access to the video and other recorded images through the Internet. If access to the video and other recorded images is provided through the Internet, the agency shall ensure that such video and recorded images are accessible only to the registered owner through a password-protected system;

(5) A manually or digitally signed statement by a law or code enforcement officer employed by the agency that, based on inspection of the two recorded images and video sequence, the motor vehicle was operated in violation of a traffic control device or prevailing traffic laws or statutes;

(6) Information advising the registered owner of the manner, time, and place in which liability as alleged in the notice of violation may be contested, and warning that failure to pay the civil penalty or to contest liability within fourteen days from the mailing of notice is an admission of liability; and

(7) Information advising the registered owner that he or she may file an affidavit under subsection 8 of this section stating that he or she was not the operator of the vehicle at the time of the violation.

4. A notice of violation issued under this section shall be mailed no later than three business days after the violation was recorded by the automated photo red light enforcement system. The issuance of a notice of violation under this section shall be made by the agency, and shall not be subcontracted to a third party.

5. The civil penalties and court costs imposed for a violation detected and enforced pursuant to a system shall not exceed an amount that would have been imposed if the violation had been detected by a law enforcement officer present when the violation occurred. In no event shall the combined fine and court costs exceed one hundred dollars. Any revenue generated from fines collected under this section shall be distributed as follows:

(1) One-third to the agency;

(2) One-third to the private vendor performing the operational and administrative tasks associated with the use of an automated photo red light enforcement system; and

(3) One-third to the local school district where the infraction occurred.

Revenue distributed to schools shall not be distributed through the school funding mechanisms of section 163.031, RSMo. The chief elected official of any agency failing to distribute the funds as

directed under this subsection shall be subject to criminal liability.

6. Notwithstanding any provision of law to the contrary, including but not limited to, sections 304.271, 304.281, 304.361, and 304.570, any person who commits a steady red light violation that is detected and enforced through an automated photo red light enforcement system is guilty of an infraction. A penalty imposed by an agency for a violation detected pursuant to a system shall not be deemed a moving violation and shall not be made part of the operating record of the person upon whom such liability is imposed, nor shall such imposition of a penalty be subject to merit rating for insurance purposes and no surcharge points shall be imposed in the provision of motor vehicle insurance coverage. In no case shall points be assessed against any person under section 302.302, RSMo, for a violation detected by an automated photo red light enforcement system.

7. Payment of the established fine and any applicable civil penalties shall operate as a final disposition of the case. Payment of the fine and any penalties, whether before or after hearing, by one motor vehicle owner shall be satisfaction of the fine as to all other motor vehicle owners of the same motor vehicle for the same violation.

8. In the prosecution of a steady red signal indication violation under sections 304.286 to 304.289, the agency shall have the burden of proving that the vehicle described in the notice of violation issued under this section was operated in violation of sections 301.161 to 301.164 and that the defendant was at the time of such violation the owner and the driver of such vehicle. The agency shall not enter into any plea-bargaining agreements in relation to any violation occurring under sections 301.161 to 301.164.

301.163. 1. For each automated photo red light enforcement system that is installed at an intersection by an agency, during the first thirty days the system is monitoring an intersection, the agency shall issue only warning notices and shall not issue any ticket or citation for any violation detected by the system.

2. No agency shall employ the use of a photo radar system to enforce speeding violations. As used in this subsection, the term “photo radar system” shall mean a device used primarily for highway speed limit enforcement substantially consisting of a radar unit linked to a camera, which automatically produces a photograph of a motor vehicle traveling in excess of the legal speed limit.

301.164. Photographic and other recorded evidence obtained through the use of automated photo red light enforcement devices shall be maintained according to law and shall be maintained by the appropriate agency for a period of at least three years. Such photographic and other recorded evidence obtained through the use of an automated photo red light enforcement system shall be confidential and shall not be deemed a “public record” under section 610.010, RSMo, and shall not be subject to the provisions of section 109.180, RSMo, or chapter 610, RSMo.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

In the case of a sale of assets or stock, the written notice shall also contain the name, **phone number**, and address of the purchaser. Upon receipt of such written notification, the state board may take reasonable and necessary action to determine that any preneed contracts which the provider is obligated to service will be satisfied at the time of need, **including, but not limited to, an examination of books and records or audit of any joint account.** The state board may waive the requirements of this subsection, or may shorten the period of notification whenever in its discretion it determines that compliance with its provisions are not necessary. Failure of the state board to take action regarding such sale or termination of business within thirty days shall constitute such a waiver.

3. It is a violation of the provisions of sections 436.005 to [436.071] **436.072** and subdivision (3) of section 333.121, RSMo, for any person to sell, transfer or otherwise dispose of the assets of a provider without first complying with the provisions of subdivision (4) of subsection 2 of this section. This violation shall be in addition to the provisions of section 436.061.

4. If any licensed embalmer, funeral director or licensed funeral establishment shall knowingly allow such licensee's name to be designated as the provider under, or used in conjunction with the sale of, any preneed contract, such licensee shall be liable for the provider's obligations under such contract.

5. With respect to a provider or seller licensed under the provisions of chapter 333, RSMo, any violation of the provisions of sections 436.005 to 436.071 shall constitute a violation of subdivision (3) of section 333.121, RSMo.

436.021. 1. No person, including without limitation a person who is a provider under one or more preneed contracts, shall sell, perform or agree to perform the seller's obligations under, or be designated as the seller of, any preneed contract unless, at the time of that sale, performance, agreement, or designation, that person shall:

3. Each seller under one or more preneed contracts shall:

(1) Maintain adequate records of all such contracts and related agreements with providers and the trustee of preneed trusts regarding such contracts, including copies of all such agreements;

(2) Notify the state board in writing of the name and address of each provider who has authorized the seller to sell one or more preneed contracts under which the provider is designated or obligated as the contract's "provider";

(3) File annually with the state board **by the thirty-first day of October** a signed and notarized report on forms provided by the state board **and pay the annual renewal fee established by the board by rule. Annual reports filed after the date provided in this section shall be subject to a late fee of one hundred dollars for every six months past the renewal deadline or any amount as determined by the board by rule. Any seller who fails to file their annual report on or before the thirty-first day of October shall be prohibited from selling any preneed contracts until the annual report, and all applicable fees, have been paid to the board.** Such [a] report shall [only] contain:

(a) The date the report is submitted and the date of the last report;

(b) The name and address of each provider with whom it is under contract;

(c) The total number of preneed contracts sold in Missouri since the filing of the last report **and a detailed list including the name, contract number, amount of each preneed contract the seller has written in Missouri since the last filing report, the amount the seller has received as payment for each preneed contract and the address and phone number of the purchaser as reflected in the contract;**

(d) The total face value of all preneed contracts sold in Missouri since the filing of the last report;

(e) The name and address of the **insurance company issuing a whole life insurance policy on the life of each beneficiary for each preneed contract or the** financial institution in Missouri in which it maintains the trust accounts required under the provisions of sections 436.005 to [436.071] **436.072** and the account numbers of such trust accounts, **or the financial institution that issued any certificate of deposit purchased on behalf of a preneed contract beneficiary;**

(f) A consent authorizing the state board to order an examination and if necessary an audit [by staff of the division of professional registration who are not connected with the board] of the trust account, designated by depository and account number. [The staff of the division of professional registration in conducting the audit shall not release a detailed accounting of the trust account to the board unless there

exist circumstances indicating that the account does not comply with the requirements of sections 436.005 to [436.071] **436.072**, but shall provide the board with a summary of the examination or audit showing general compliance with the provisions of sections 436.005 to 436.071];

(4) File with the state board a consent authorizing the state board to order an **investigation**, examination and if necessary an audit [by staff of the division of professional registration who are not connected with the board] of its books and records relating to the sale of preneed contracts and the name and address of the person designated by the seller as custodian of these books and records. [The staff of the division of professional registration in conducting the audit shall not release a detailed accounting of the trust account to the board unless there exist circumstances indicating that the account does not comply with the requirements of sections 436.005 to 436.071, but shall provide the board with a summary of the examination or audit showing general compliance with the provisions of sections 436.005 to 436.071];

(5) Cooperate with the state board, the office of the attorney general, [and] the division, **the division of finance, and the division of insurance** in any investigation, examination or audit brought under the provisions of sections 436.005 to [436.071] **436.072**.

The written notice shall be sent, at the same time as it is provided to the state board, to all providers who are then obligated to provide funeral services or merchandise under preneed contracts sold by the seller. Upon receipt of the written notification, the state board may take reasonable and necessary action to determine that the seller has made proper plans to assure that the trust [assets] **accounts** of the seller will be set aside and used to service outstanding preneed contracts sold by the seller, **including, but not limited to, an examination of books and records or audit of the trust account**. The state board may waive the requirements of this subsection or may shorten the period of notification whenever in its discretion it determines that compliance with its provisions are not necessary. Failure of the state board to take action regarding such sale or termination of business within sixty days shall constitute such a waiver.

[4.] **5.** It is a violation of the provisions of sections 436.005 to [436.071] **436.072** for any person to sell, transfer or otherwise dispose of the assets of a seller without first complying with the provisions of subsection 3 of this section.

436.027. The seller may retain as his **or her** own money, for the purpose of covering his selling expenses, servicing costs, and general overhead, the initial funds so collected or paid until he **or she** has received for his **or her** use and benefit an amount not to exceed twenty percent of the total amount agreed to be paid by the purchaser of such prepaid funeral benefits as such total amount is reflected in the contract. **After the seller retains the amount authorized by this section, all funds paid to the purchaser shall be placed in trust, or shall be used to purchase insurance or certificates of deposit, as authorized by this chapter.**

436.031. 1. The trustee of a preneed trust shall be a state or federally chartered financial institution authorized to exercise trust powers in Missouri. The trustee shall accept all deposits made to it by the seller of a preneed contract and shall hold, administer, and distribute such deposits, in trust, as trust principal, pursuant to the provisions of sections 436.005 to [436.071] **436.072**. Payments regarding two or more preneed contracts may be deposited into and commingled in the same preneed trust, so long as the trust's

grantor is the seller of all such preneed contracts and the trustee maintains adequate records of all payments received.

2. All property held in a preneed trust, including principal and undistributed income, shall be invested and reinvested by the trustee thereof. The trustee shall exercise such judgment and care under circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their [funds] **moneys**, considering the probable income therefrom as well as the probable safety of their capital. [A preneed trust agreement may provide that when the principal and interest in a preneed trust exceeds two hundred fifty thousand dollars, investment decisions regarding the principal and undistributed income may be made by a federally registered or Missouri-registered independent qualified investment advisor designated by the seller who established the trust; provided, that title to all investment assets shall remain with the trustee and be kept by the trustee to be liquidated upon request of the advisor of the seller.] In no case shall control of said assets be divested from the trustee nor shall said assets be placed in any investment which would be beyond the authority of a reasonably prudent trustee to invest in. [The trustee shall be relieved of all liability regarding investment decisions made by such qualified investment advisor.]

3. The seller of a preneed contract shall be entitled to all income, including, without limitation, interest, dividends, and capital gains, and losses generated by the investment of preneed trust property regarding such contract, and the trustee of the trust may distribute all income, net of losses, to the seller at least annually; but no such income distribution shall be made to the seller if, and to the extent that, the distribution would reduce the aggregate market value on the distribution date of all property held in the preneed trust, including principal and undistributed income, below the sum of all deposits made to such trust pursuant to subsection 1 of this section for all preneed contracts then administered through such trust.

4. All expenses of establishing and administering a preneed trust, including, without limitation, trustee's fees, legal and accounting fees, investment expenses, and taxes, shall be paid or reimbursed directly by the seller of the preneed contracts administered through such trust and shall not be paid from the principal of a preneed trust.

5. The trustee of a preneed trust shall maintain adequate books of account of all transactions administered through the trust and pertaining to the trust generally. The trustee shall assist **the** seller who established the trust or its successor in interest in the preparation of the annual report described in subdivision (3) of subsection 2 of section 436.021. The seller shall furnish to each contract purchaser, within fifteen days after receipt of the purchaser's written request, a written statement of all deposits made to such trust regarding such purchaser's contract.

6. The trustee of a preneed trust shall, from time to time, distribute trust principal as provided by sections 436.005 to [436.071] **436.072**.

7. A preneed trust shall terminate when trust principal no longer includes any payments made under any preneed contract, and upon such termination the trustee shall distribute all trust property, including principal and undistributed income, to the seller which established the trust.

436.048. If a seller shall fail to make timely payment of an amount due a purchaser or a provider pursuant to the provisions of sections 436.005 to [436.071] **436.072**, the purchaser or provider, as appropriate, shall have the right, in addition to other rights and remedies against such seller, to make demand upon the trustee of the preneed trust for the contract to distribute to the purchaser or provider from the trust, as damages for its breach, an amount equal to all deposits made into the trust for the contract.

436.051. Upon the death or legal incapacity of a purchaser, all rights and remedies granted to the purchaser pursuant to the provisions of sections 436.005 to [436.071] **436.072** shall be enforceable by and accrue to the benefit of the purchaser's legal representative or [his] **the purchaser's** successor designated in such contract, and all payments otherwise payable to the purchaser shall be paid to that person.

436.053. 1. Notwithstanding the provisions of sections 436.021 to 436.048, the provider and the purchaser may agree that all [funds] **moneys** paid the provider by the purchaser shall be deposited with financial institutions chartered and regulated by the federal or state government authorized to do business in Missouri in an account in the joint names and under the joint control of the provider and purchaser. If the purchaser has irrevocably waived and renounced his right to cancel the agreement between the provider and the purchaser pursuant to subdivision (5) of this subsection, such agreement may provide that all funds held in the account at the beneficiary's death shall be applied toward the purchase of funeral or burial services or facilities, or funeral merchandise, selected by the purchaser or the responsible party after the beneficiary's death, in lieu of the detailed identification of such items required by subdivision (3) of subsection 1 of section 436.007. The agreement between the provider and purchaser shall provide that:

(1) The total consideration to be paid by the purchaser under the contract shall be made in one or more payments into the joint account, **including the name and address of the financial institution which holds such moneys and the account numbers of such moneys**, at the time the agreement is executed or, thereafter within five days of receipt, respectively, **and the agreements shall contain the name and address of the financial institution that holds such moneys and the account numbers of such moneys**;

(2) The financial institution shall hold, invest, and reinvest the deposited [funds] **moneys** in savings accounts, certificates of deposit or other accounts offered to depositors by the financial institutions, as the [agreement] **contract** shall provide;

(3) The income generated by the deposited funds shall be used to pay the reasonable expenses of administering the agreement, and the balance of the income shall be distributed or reinvested as provided in the agreement;

(4) At any time before the final disposition, or before funeral services, facilities, and merchandise described in a preneed contract are furnished, the purchaser may cancel the contract without cause by delivering written notice thereof to the provider and the financial institution, and within fifteen days after its receipt of the notice, the financial institution shall distribute the deposited [funds] **moneys** to the purchaser;

(5) Notwithstanding the provisions of subdivision (4) of this subsection, if a purchaser is eligible, becomes eligible, or desires to become eligible to receive public assistance under chapter 208, RSMo, or any other applicable state or federal law, the purchaser may irrevocably waive and renounce his **or her** right to cancel such [agreement] **contract**. The waiver and renunciation must be in writing and must be delivered to the provider and the financial institution, **if requested**;

(6) If the death of the beneficiary occurs outside the general area served by the provider, then the provider shall either provide for the furnishing of comparable funeral services and merchandise by a licensed mortuary selected by the purchaser or, at the provider's option, shall pay over to the purchaser in fulfillment of the obligation of the preneed contract, an amount equal to the sums actually paid in cash by such purchaser under such preneed contract together with interest to be provided for in the contract, in which event the financial institution shall distribute the deposited funds to the provider;

(7) Within fifteen days after a provider and a witness certifies in writing to the financial institution that he **or she** has furnished the final disposition, or funeral services, facilities, and merchandise described in a contract, or has provided alternative funeral **arrangements or** benefits for the beneficiary pursuant to special arrangements made with the purchaser, if the certification has been approved by the purchaser, then the financial institution shall distribute the deposited funds to the provider.

2. There shall be a separate joint account as described in subsection 1 of this section for each preneed contract sold or arranged under this section.

3. If the total face value of the contracts sold by a provider operating solely under the provisions of this section does not exceed thirty-five thousand dollars in any one fiscal year, such a provider shall not be required to pay the annual reporting fee for such year required under subsection 1 of section 436.069.

436.054. It is unlawful for the seller to:

(1) Purchase with preneed funds any term life insurance to fund the preneed contract;

(2) Procure or accept any loan against any life insurance contract.

436.055. 1. All complaints received by the state board which allege a [registrant's] **licensee's** noncompliance with the provisions of sections 436.005 to [436.071 shall be forwarded to the division of professional registration for investigation, except minor complaints which the state board can mediate or otherwise dispose of by contacting the parties involved] **436.072, or allege that a licensee has committed any act for which the board may discipline or refuse to issue a license under section 436.062, may be investigated by the board.** A copy of each such complaint shall be forwarded to the subject [registrant] **licensee, except [that each complaint] the board shall not be required to forward complaints** in which the complainant alleges [under oath] that a [registrant] **licensee** has misappropriated preneed contract payments [may be forwarded to the division of professional registration without notice to the subject registrant]. **This section shall not be construed to limit the board's authority to file a complaint with the administrative hearing commission charging a licensee of the board with any actionable conduct or violation, regardless of whether such complaint exceeds the scope of acts charged in a preliminary public complaint filed with the board and whether any public complaint has been filed with the board.**

2. [The division shall investigate each complaint forwarded from the state board using staff who are not connected with the state board and shall forward the results of such investigation to the subject registrant and to the attorney general for evaluation. If the attorney general, after independent inquiry using staff of the attorney general's office who have not represented the board, determines that there is no probable cause to conclude that the registrant has violated sections 436.005 to 436.071, the registrant and the state board shall be so notified and the complaint shall be dismissed; but, if the attorney general determines that there is such probable cause the registrant shall be so notified and the results of such evaluation shall be transmitted to the state board for further action as provided in sections 436.061 and 436.063.] **The board may investigate, examine or audit the books or records of any licensee, or examine or audit a preneed trust or joint account, at any time to ensure a licensee's compliance with the provisions of sections 436.005 to 436.072. The board shall have authority to conduct random inspections or audits with or without cause.**

3. Upon determining that an inspection, investigation, examination or audit shall be conducted, the board shall issue a notice authorizing one or more employees or independent contractors to perform such inspection, investigation, examination or audit and instructing such employees or

independent contractors as to the scope of such inspection, investigation, examination or audit. The board shall not appoint any employee or contract if such employee or contractor either directly or indirectly has a conflict of interest or is affiliated with the management of, or owns a pecuniary interest in, any person subject to inspection, investigation, examination or audit under section 436.005 to 436.072. The board shall request that the director of the division of professional registration or the director of the department of insurance, financial institutions and professional registration designate one or more financial examiners to assist in any examination or audit.

436.061. 1. Each person **including the officers, directors, partners, agents, or employees of such person** who shall knowingly and willfully violate or assist or enable any person to violate any provision of sections 436.005 to [436.071, and any officer, director, partner, agent, or employee of such person involved in such violation] **436.072 by misconduct, gross negligence, fraud, misrepresentation, or dishonest** is guilty of a class D felony. Each violation of any provision of sections 436.005 to [436.071] **436.072** constitutes a separate offense and may be prosecuted individually. **The attorney general shall have concurrent jurisdiction with any local prosecutor to prosecute under this section.**

2. Any violation of the provisions of sections 436.005 to [436.071] **436.072** shall constitute a violation of the provisions of section 407.020, RSMo. In any proceeding brought by the attorney general for a violation of the provisions of sections 436.005 to [436.071] **436.072**, the court may **order all relief and penalties authorized under chapter 407, RSMo, and**, in addition to imposing the penalties provided for in sections 436.005 to [436.071] **436.072**, order the revocation or suspension of the [registration] **license** of a defendant seller or provider.

436.062. 1. The board may refuse to issue any certificate of registration or authority, permit or license required under this chapter for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit or license required by sections 436.005 to 436.072 or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit or license for any one or any combination of the following causes:

(1) Use of any controlled substance, as defined in chapter 195, RSMo, or alcoholic beverage to an extent that such use impairs a person's ability to perform the work of any profession licensed or regulated by sections 436.005 to 436.072;

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions or duties of any profession licensed or regulated under sections 436.005 to 436.072, for any offense involving a controlled substance, or for any offense an essential element of which is fraud, dishonesty or an act of violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(7) Impersonation of any person holding a certificate of registration or authority, permit or license or allowing any person to use his or her certificate of registration or authority, permit, license or diploma from any school;

4. Notwithstanding any other provision of this section, the board may automatically suspend a

license if the board finds, after an inspection, examination, investigation or audit, a shortage of more than five thousand dollars in any preneed trust or joint account maintained pursuant to this chapter. Failure to provide access to the licensee's books, records or accounts as requested by the board in any inspection, investigation, examination or audit initiated pursuant to this subsection to determine whether suspension is warranted shall constitute grounds for automatic suspension as provided in this section.

However, under such reasonable conditions and terms as the board, the division or the attorney general shall prescribe, such material shall be available for inspection and copying by the person who produced such material or any duly authorized representative of such person. The state board, the division or the attorney general, or his duly authorized assistant, may use such documentary material or copies thereof in the enforcement of the provisions of sections 436.005 to 436.071 by presentation before any court or the administrative hearing commission, but any such material which contains trade secrets shall not be presented except with the approval of the court, or the administrative hearing commission, in which the action is pending after adequate notice to the person furnishing such material. No documentary material provided the board, the division or the attorney general pursuant to the provisions of sections 436.005 to 436.071 shall be disclosed to any person for use in any criminal proceeding] **All complaints, investigation materials, annual registrations, reports, and information pertaining to the licensee shall be closed and may be disclosed only as authorized by statute or order of the court.**

436.068. 1. The board may prescribe a standard of proficiency as to the qualifications and fitness of those engaging in the practice of the preneed industry.

2. The board shall establish the amount of the fees authorized in sections 436.005 to 436.072 and required by rules promulgated thereunder. Such fees shall be set at a level to produce revenue which does not substantially exceed the cost and expense of administering sections 436.005 to 436.072.

3. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is

subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly under chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

436.072. The board or a designated member thereof or any agent authorized by the board may enter the office, premises, establishment, or place of business of any preneed seller or provider of funeral service contracts licensed in this state, or any office, premises, establishment, or place where the practice of selling and/or providing preneed funerals is carried on, or where such practice is advertised as being carried on for the purpose of inspecting such office, premises, establishment, or place to determine compliance with sections 436.005 to 436.072, or for the purpose of inspecting, examining, investigating or auditing the licensee or the sale of preneed contracts.”; and

With House Amendment Nos. 2 and 5.

HOUSE AMENDMENT NO. 2

Amend House Committee Substitute for Senate Committee Substitute for Senate Bill No. 720, Page 3, Section 393.171, Lines 1 to 9, by deleting all of said lines and inserting in lieu thereof the following:

“393.171. 1. The commission shall have the authority to grant the permission and approval specified in section 393.170, after the construction or acquisition of any electric plant located in a first class county without a charter form of government has been completed if the commission determines that the grant of such permission and approval is necessary or convenient for the public service. Any such permission and approval shall, for all purposes, have the same effect as the permission and approval granted prior to such construction or acquisition. This subsection is enacted to clarify and specify the law in existence at all times since the original enactment of section 393.170.

2. No permission or approval granted for an electric plant by the commission under subsection 1 of this section, nor any special use permit issued for any such electric plant by the governing body of the county in which the electric plant is located, shall extinguish, render moot, or mitigate any suit or claim pending or otherwise allowable by law by any landowner or other legal entity for monetary damages allegedly caused by the operation or existence of such electric plant.

3. The commission's authority under subsection 1 of this section shall expire on August 28, 2009.”; and

Further amend said bill, Pages 3 and 4, Section 393.275, Lines 1 to 25, by deleting all of said lines and inserting in lieu thereof the following:

“393.275. 1. The commission shall notify the governing body of each city or county imposing a business license tax pursuant to section 66.300, 92.045, 94.110, 94.270 or 94.360, RSMo, or a similar tax adopted pursuant to charter provisions in any constitutional charter city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county, on gross receipts of any gas corporation, electric corporation, water corporation or sewer corporation of any tariff increases authorized for such firm doing business in that city or county if the approved increase exceeds seven percent. The commission shall include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission.

2. The governing body of each city or county notified of a tariff increase as provided in subsection 1 of this section shall reduce the tax rate of its business license tax on the gross receipts of utility corporations. Within sixty days of the effective date of the tariff increase, the tax rate shall be reduced to the extent necessary so that revenue for the ensuing twelve months will be approximately equal to the revenue received during the preceding twelve months plus a growth factor. The growth factor shall be equal to the average of the additional revenue received in each of the preceding three years. However, a city or county may maintain the tax rate of its business license tax on the gross receipts of utility corporations without reduction if an ordinance to maintain the tax rate is enacted by the governing body of the city or an order to maintain the tax rate is issued by the governing body of the county after September 28, 1985. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission **and such purchased gas adjustment rates shall include the gas cost portion of net write-offs incurred by the gas corporation in providing service to system sales customers upon the filing and approval of new rate schedules applicable to such customers. Such rate schedules shall be designed to simultaneously decrease the gas corporation's base rates and increase its purchased gas adjustment rates by like amounts so as to reasonably ensure that the gas cost portion of the net write-offs applicable to such customers, as such portion is determined by the commission, is only being recovered once through the gas corporation's purchased gas adjustment rates. Increases and decreases in the gas cost portion of net write-offs shall thereafter be reflected in the gas corporation's purchased gas adjustment rates pursuant to tariff provisions approved by the commission provided, however, that such tariff provisions shall:**

(1) Limit increases or decreases in the gas cost portion of net write-offs as reflected in purchased gas adjustment rates to once each year;

(2) Require a true-up of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year; and

(3) Require commission review of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year to insure that the gas corporation is prudently pursuing collection of amounts owed by its customers.”; and

Further amend said bill, Section 394.320, Page 4 by removing all of said Section from the bill; and

Further amend said bill, Pages 4 and 5, Section 407.300, Lines 1 to 31, by deleting all of said lines and inserting in lieu thereof the following:

(3) Any transaction for which the type of metal subject to subsection 1 of this section is a minor part of a larger item, except for equipment used in the generation and transmission of electrical power or telecommunications.”; and

Further amend said bill, Page 5, Section 407.301, Lines 1 to 9, by deleting all of said lines and inserting in lieu thereof the following:

“407.301. 1. For purposes of this section, “keg” shall have the same meaning as in section 311.082, RSMo.

2. Anyone who is found guilty of, or pleads guilty to, violating this section shall be guilty of a class

A misdemeanor punishable only by fine. Nothing in this section shall be construed to preclude a person violating this section from also being prosecuted for any applicable criminal offense.”; and

Further amend said bill, Page 5, Section 407.302, Lines 1 to 10, by deleting all of said lines and inserting in lieu thereof the following:

“407.302. 1. No scrap yard shall purchase any metal that can be identified as belonging to a public or private cemetery or to a political subdivision or electrical cooperative, municipal utility, or a utility regulated under chapter 386 or 393, RSMo, including bleachers, guardrails, signs, street and traffic lights or signals, and manhole cover or covers, whether broken or unbroken, from anyone other than the cemetery or monument owner, political subdivision, electrical cooperative or utility, or manufacturer of the metal or item described in this section unless such person is authorized in writing by the cemetery or monument owner, political subdivision, electrical cooperative or utility, or manufacturer to sell the metal.

2. Anyone convicted of violating this section shall be guilty of a class B misdemeanor.”; and

Further amend said bill, Page 6, Section 407.303, Lines 1 to 8, by deleting all of said lines and inserting in lieu thereof the following:

2. This section shall not apply to any transaction for which the seller has an existing business relationship with the scrap metal dealer and is known to the scrap metal dealer making the purchase to be an established business or political subdivision that operates a business with a fixed location that can be reasonably expected to generate regulated scrap metal and can be reasonably identified as such a business.”; and

Further amend said bill, Pages 6 to 8, Section 537.340, Lines 1 to 68, by deleting all of said lines and inserting in lieu thereof the following:

“537.340. 1. If any person shall cut down, injure or destroy or carry away any tree placed or growing for use, shade or ornament, or any timber, rails or wood standing, being or growing on the land of any other person, including any governmental entity, or shall dig up, quarry or carry away any stones, ore or mineral, gravel, clay or mold, or any ice or other substance or material being a part of the realty, or any roots, fruits or plants, or cut down or carry away grass, grain, corn, flax or hemp in which such person has no interest or right, standing, lying or being on land not such person's own, or shall knowingly break the glass or any part of it in any building not such person's own, the person so offending shall pay to the party injured treble the value of the things so injured, broken, destroyed or carried away, with costs. Any person filing a claim for damages pursuant to this section need not prove negligence or intent.

2. Notwithstanding the provisions of subsection 1 of this section, the following rules shall apply to the trimming, removing, and controlling of trees and other vegetation by any electric supplier:

(1) Every electric supplier that operates electric transmission or distribution lines shall have the authority to maintain the same by trimming, removing, and controlling trees and other vegetation posing a hazard to the continued safe and reliable operation thereof;

(2) An electric supplier may exercise its authority under subdivision (1) of this subsection if the

trees and other vegetation are within the legal description of any recorded easement, or in the absence of a recorded easement, the following:

(a) Within ten feet, plus one-half the length of any attached cross arm, of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located within the limits of any city; or

(b) Within thirty feet of either side of the centerline of electricity lines potentially energized at or below 34.5 kilovolts measured line to line and located outside the limits of any city; or

(c) Within fifty feet of either side of the centerline of electricity lines potentially energized between 34.5 and one hundred kilovolts measured line to line; or

(d) Within the greater of the following for any electricity lines potentially energized at one hundred kilovolts or more measured line to line:

a. Seventy-five feet to either side of the centerline; or

b. Any required clearance distance adopted by either the Federal Energy Regulatory Commission or an Electric Reliability Organization authorized by the Energy Policy Act of 2005, 16 U.S.C. Section 824o. Such exercise shall be considered reasonable and necessary for the proper and reliable operation of electric service and shall create a rebuttable presumption, in claims for property damage, that the electric supplier acted with reasonable care, operated within its rights regarding the operation and maintenance of its electricity lines, and has not committed a trespass;

(3) An electric supplier may trim, remove, and control trees and other vegetation outside the provisions in subdivision (2) of this subsection if such actions are necessary to maintain the continued safe and reliable operation of its electric lines;

(4) An electric supplier may secure from the owner or occupier of land greater authority to trim, remove, and control trees and other vegetation than the provisions set forth in subdivision (2) of this subsection and may exercise any and all rights regarding the trimming, removing, and controlling of trees and other vegetation granted in any easement held by the electric supplier;

(5) An electric supplier may trim or remove any tree of sufficient height outside the provisions of subdivision (2) of this subsection when such tree, if it were to fall, would threaten the integrity and safety of any electric transmission or distribution line and would pose a hazard to the continued safe and reliable operation thereof;

(6) Prior to the removal of any tree under the provisions of subdivision (5) of this subsection, an electric supplier shall notify the owner or occupier of land, if available, at least fourteen days prior to such removal, unless either the electric supplier deems the removal to be immediately necessary to continue the safe and reliable operation of its electricity lines, or the electric supplier is trimming or removing trees and other vegetation following a major weather event or other emergency situation;

(7) If any tree which is partially trimmed by an electric supplier dies within three months as a result of such trimming, the owner or occupier of land upon which the tree was trimmed may request in writing that the electric supplier remove such tree at the electric supplier's expense. The electric supplier shall respond to such request within ninety days;

(8) Nothing in this subsection shall be interpreted as requiring any electric supplier to fully exercise the authorities granted in this subsection.

3. For purposes of this section, the term “electric supplier” means any rural cooperative that is subject to the provisions of chapter 394, RSMo, and any electric corporation which is required by its bylaws to operate on the not-for-profit cooperative business plan, with its consumers who receive service as the stockholders of such corporation and that holds a certificate of public convenience and necessity to serve a majority of its customer-owners in counties of the third classification as of August 28, 2003.”; and

Further amend said bill, Page 8, Section 660.135, Lines 1 through 6 by deleting all of said lines and inserting in lieu thereof the following:

“660.135. 1. The utilicare stabilization fund for any fiscal year shall be funded, subject to appropriations, by the general assembly. [Not more than five million dollars from state general revenue shall be appropriated by the general assembly to the utilicare stabilization fund established pursuant to section 660.136 for the support of the utilicare program established by sections 660.100 to 660.136 for any fiscal year, except in succeeding years the amount of state funds may be increased by a percentage which reflects the national cost-of-living index or seven percent, whichever is lower.]”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

260.1059. 1. The collection, recycling, and reuse provisions of sections 260.1050 to 260.1101 apply to equipment used and returned to the manufacturer by a consumer in this state and do not impose any obligation on an owner or operator of a solid waste facility.

2. Sections 260.1050 to 260.1101 do not apply to:

(1) Any part of a motor vehicle, a personal digital assistant, or a telephone, including wireless devices;

(2) A consumer's lease of equipment or a consumer's use of equipment under a lease agreement; or

(3) The sale or lease of equipment to an entity when the manufacturer and the entity enter into a contract that effectively addresses the collection, recycling, and reuse of equipment that has reached the end of its useful life.

260.1062. 1. Before a manufacturer may offer equipment for sale in this state, the manufacturer shall:

(1) Adopt and implement a recovery plan;

(2) Submit a written copy of the recovery plan to the department; and

(3) Affix a permanent, readily visible label to the equipment with the manufacturer's brand.

2. The recovery plan shall enable a consumer to recycle equipment without paying a separate fee at the time of recycling and shall include provisions for:

(3) Using a collection event held by the manufacturer or the manufacturer's designee at which the consumer may return equipment.

5. Collection services under this section may use existing collection and consolidation infrastructure for handling equipment and may include systems jointly managed by a group of manufacturers, electronic recyclers and repair shops, recyclers of other commodities, reuse organizations, not-for-profit corporations, retailers, recyclers, and other suitable operations. If a manufacturer or its designee offers a mail-back system as described in subsection 4 of this section, either individually or by working together with a group of manufacturers or by working with others, it shall be deemed to meet the convenience requirements of this section.

6. The recovery plan shall include information for the consumer on how and where to return the manufacturer's equipment. The manufacturer:

(1) Shall include collection, recycling, and reuse information on the manufacturer's publicly available Internet site;

(2) Shall provide collection, recycling, and reuse information to the department; and

(3) May include collection, recycling, and reuse information in the packaging for or in other materials that accompany the manufacturer's equipment when the equipment is sold.

7. Information about collection, recycling, and reuse on a manufacturer's publicly available Internet site does not constitute a determination by the department that the manufacturer's recovery plan or actual practices are in compliance with sections 260.1050 to 260.1101 or other state or federal law.

8. Each manufacturer shall submit a report to the department not later than January thirty-first of each year that includes:

(1) The weight of equipment collected, recycled, and reused during the preceding calendar year; and

(2) Documentation certifying that the collection, recycling, and reuse of equipment during the preceding calendar year was conducted in a manner that complies with section 260.1089 regarding sound environmental management.

9. If more than one person is a manufacturer of a certain brand of equipment as defined by section 260.1053, any of those persons may assume responsibility for and satisfy the obligations of a manufacturer under sections 260.1050 to 260.1101 for that brand. If none of those persons assumes responsibility or satisfies the obligations of a manufacturer for the equipment of that brand, the department may consider any of those persons to be the responsible manufacturer for purposes of sections 260.1050 to 260.1101.

10. The obligations under sections 260.1050 to 260.1101 of a manufacturer who manufactures or

manufactured equipment, or sells or sold equipment manufactured by others, under a brand that was previously used by a different person in the manufacture of the equipment extends to all equipment bearing that brand regardless of its date of manufacture.

260.1065. 1. A person who is a retailer of equipment shall not sell or offer to sell new equipment in this state unless the equipment is labeled with the manufacturer's label and the manufacturer is included on the department's list of manufacturers that have recovery plans.

2. Retailers can go to the department's Internet site as outlined in section 260.1071 and view all manufacturers that are listed as having registered a collection program. Covered electronic products from manufacturers on that list may be sold in or into this state.

3. A retailer is not required to collect equipment for recycling or reuse under sections 260.1050 to 260.1101.

260.1068. 1. A manufacturer or retailer of equipment is not liable in any way for information in any form that a consumer leaves on computer materials that are collected, recycled, or reused under sections 260.1050 to 260.1101.

2. The consumer is responsible for any information in any form left on the consumer's computer materials that are collected, recycled, or reused.

3. Compliance with sections 260.1050 to 260.1101 does not exempt a person from liability under other law.

260.1071. 1. The department shall educate consumers regarding the collection, recycling, and reuse of equipment.

2. The department shall host or designate another person to host an Internet site providing consumers with information about the recycling and reuse of equipment, including best management practices and information about and links to information on:

(1) Manufacturers' collection, recycling, and reuse programs, including manufacturers' recovery plans; and

(2) Equipment collection events, collection sites, and community equipment recycling and reuse programs.

260.1074. 1. The department may conduct audits and inspections to determine compliance with sections 260.1050 to 260.1101.

2. The department and the attorney general, as appropriate, shall enforce sections 260.1050 to 260.1101 and, except as provided by subsections 4 and 5 of this section, take enforcement action against any manufacturer, retailer, or person who recycles or reuses equipment for failure to comply with sections 260.1050 to 260.1101.

4. The department shall issue a written warning notice to a person upon the person's first violation of sections 260.1050 to 260.1101. The person shall comply with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

5. A retailer who receives a warning notice from the department that the retailer's inventory violates sections 260.1050 to 260.1101 because it includes equipment from a manufacturer that has not submitted the recovery plan required by section 260.1062 shall bring the inventory into compliance with sections 260.1050 to 260.1101 not later than the sixtieth day after the date the warning notice is issued.

6. (1) The department may assess a penalty against a manufacturer that does not label its equipment or adopt, implement, or submit a recovery plan as required by section 260.1062. No penalty shall be assessed for a first violation and the amount of the penalty shall not exceed ten thousand dollars for the second violation or twenty-five thousand dollars for each subsequent violation.

(2) Any penalty collected under this section shall be credited to the "Equipment Recycling Subaccount", which is hereby created, in the hazardous waste fund. Moneys in the subaccount shall be used for the purpose of administering the provisions of sections 260.1050 to 260.1101. The state treasurer shall be custodian of the subaccount and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the subaccount shall be used solely for the administration of sections 260.1050 to 260.1101. Any moneys remaining in the subaccount at the end of the biennium shall revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the subaccount.

260.1077. Financial or proprietary information submitted to the department under sections 260.1050 to 260.1101 shall not be considered a public record under chapter 610, RSMo.

260.1080. The department shall compile information from manufacturers and issue an electronic report to the committee in each house of the general assembly having primary jurisdiction over environmental matters not later than March first of each year.

260.1083. Sections 260.1050 to 260.1101 do not authorize the department to impose a fee, including a recycling fee or registration fee, on a consumer, manufacturer, retailer, or person who recycles or reuses equipment.

260.1089. 1. All equipment collected under sections 260.1050 to 260.1101 shall be recycled or reused in a manner that complies with federal, state, and local law.

2. The department shall, by rule, adopt as mandatory standards for recycling or reuse of equipment in this state the standards provided by "Electronics Recycling Operating Practices" as approved by the board of directors of the Institute of Scrap Recycling Industries, Inc., April 25, 2006, or other standards issued from the U.S. Environmental Protection Agency, if available.

260.1092. 1. If federal law establishes a national program for the collection and recycling of equipment and the department determines that the federal law substantially meets the purposes of sections 260.1050 to 260.1101, the department may adopt an agency statement that interprets the federal law as preemptive of sections 260.1050 to 260.1101.

2. Sections 260.1050 to 260.1101 shall expire on the date the department issues a statement under this section.

260.1101. 1. The department shall adopt any rules required to implement sections 260.1050 to

260.1101 not later than July 1, 2009. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

2. Sections 260.1050 to 260.1101 shall not be enforced before rules developed under this section are promulgated.

3. It shall not be considered a violation of sections 260.1050 to 260.1101 for a retailer to sell any inventory accrued before the effective date of sections 260.1050 to 260.1101.

260.1104. Sections 260.1050 to 260.1101 shall not apply to:

(1) Any computer material that is an electronic device that is a part of a motor vehicle or any part of a motor vehicle assembled by, or for, a vehicle manufacturer or franchised dealer, including replacement parts for use in a motor vehicle;

(2) Any electronic device that is functionally or physically a part of, connected to or integrated within a larger piece of equipment designed and intended for use in an industrial, governmental, commercial, research and development, or medical setting, including diagnostic, monitoring, or other medical products as that term is defined under the federal Food, Drug, and Cosmetic Act or equipment used for security, sensing, monitoring, or anti-terrorism purposes;

The department also shall disallow any application where the applicant has also filed a valid application for the senior citizens property tax credit, pursuant to sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit, and provide a list of all verified eligible owners to the county collectors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county collectors or county clerks in counties with a township form of government shall provide a list to the department of any verified eligible owners who failed to pay the property tax due for the tax year that ended immediately prior. Such eligible owners shall be disqualified from receiving the credit in the current tax year.

9. If application is made after 2005,] **6.** Upon receipt of the applications, the department shall calculate the tax liability, verify compliance with the maximum income limit, verify the age of the applicants, and make adjustments to these numbers as necessary on the applications. The department also shall disallow any application where the applicant also has filed a valid application for the senior citizens property tax credit under sections 135.010 to 135.035, RSMo. Once adjusted tax liability, age, and income are verified, the director shall determine eligibility for the credit and provide a list of all verified eligible owners to the county assessors or county clerks in counties with a township form of government by December fifteenth of each year. By January fifteenth, the county assessors shall provide a list to the department of any verified eligible owners who made improvements not for accommodation of a disability to the homestead and the dollar amount of the assessed value of such improvements. If the dollar amount of the assessed value of such improvements totaled more than five percent of the prior year appraised value, such eligible owners shall be disqualified from receiving the credit in the current tax year.

[10.] **7.** The director shall calculate the level of appropriation necessary [to] **and** set the homestead exemption limit at five percent when based on a year of general reassessment or at two and one-half percent when based on a year without general reassessment for the homesteads of all verified eligible owners, and provide such calculation to the speaker of the house of representatives, the president pro tempore of the senate, and the director of the office of budget and planning in the office of administration by January thirty-first of each year.

[11. For applications made in 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all but one-quarter of one percent of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year. The remaining one-quarter of one percent shall be distributed to the county assessment funds of each county on a proportional basis, based on the number of eligible owners in each county; such one-quarter percent distribution shall be delineated in any such appropriation as a separate line item in the total appropriation.]

8. If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[12. After setting the homestead exemption limit for applications made in 2005, the director shall apply the limit to the homestead of each verified eligible owner and calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation and assessment fund allocation to the county collector's funds of each county or the treasurer ex officio collector's fund in counties with a township form of government where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued, plus the one-quarter of one percent distribution for the county assessment funds. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section plus the one-quarter of one percent distribution for the county assessment funds. Funds, at the direction of the county collector or the treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or the treasurer ex officio collector's fund or may be sent by mail to the collector of a county, or the treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued. In counties with a township form of government, the county clerk shall provide the treasurer ex officio collector a summary of the homestead exemption credit for each township for the purpose of distributing the total homestead exemption credit to each township collector in a particular county.

13.] **9.** If, in any given year after 2005, the general assembly shall make an appropriation for the funding of the homestead exemption credit that is signed by the governor, then the director shall[, by July thirty-first of such year, set the homestead exemption limit. The limit shall be a single, statewide percentage increase to tax liability, rounded to the nearest hundredth of a percent, which, if applied to all homesteads of verified eligible owners who applied for the homestead exemption credit in the immediately prior tax year, would cause all of the amount of the appropriation, minus any withholding by the governor, to be distributed during that fiscal year] **determine the apportionment percentage by equally apportioning the appropriation among all eligible applicants on a percentage basis.** If no appropriation is made by the general assembly during any tax year or no funds are actually distributed pursuant to any appropriation therefor, then no homestead preservation credit shall apply in such year.

[14.] **10.** After [setting the homestead exemption limit for applications made after 2005, the director shall apply the limit to the homestead of each verified eligible owner and] **determining the apportionment percentage, the director shall** calculate the credit to be associated with each verified eligible owner's homestead, if any. The director shall send a list of those eligible owners who are to receive the homestead exemption credit, including the amount of each credit, the certified parcel number of the homestead, and the address of the homestead property, to the county collectors or county clerks in counties with a township form of government by August thirty-first. Pursuant to such calculation, the director shall instruct the state treasurer as to how to distribute the appropriation to the county collector's fund of each county where recipients of the homestead exemption credit are located, so as to exactly offset each homestead exemption credit being issued. As a result of the appropriation, in no case shall a political subdivision receive more money than it would have received absent the provisions of this section. Funds, at the direction of the collector of the county or treasurer ex officio collector in counties with a township form of government, shall be deposited in the county collector's fund of a county or may be sent by mail to the collector of a county, or treasurer ex officio collector in counties with a township form of government, not later than October first in any year a homestead exemption credit is appropriated as a result of this section and shall be distributed as moneys in such funds are commonly distributed from other property tax revenues by the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government, so as to exactly offset each homestead exemption credit being issued.

[15.] **11.** The department shall promulgate rules for implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. Any rule promulgated by the department shall in no way impact, affect, interrupt, or interfere with the performance of the required statutory duties of any county elected official, more particularly including the county collector when performing such duties as deemed necessary for the distribution of any homestead appropriation and the distribution of all other real and personal property taxes.

[16.] **12.** In the event that an eligible owner dies or transfers ownership of the property after the homestead exemption limit has been set in any given year, but prior to January first of the year in which the credit would otherwise be applied, the credit shall be void and any corresponding moneys[, pursuant to subsection 12 of this section,] shall lapse to the state to be credited to the general revenue fund. In the event

the collector of the county or the treasurer ex officio collector of the county in counties with a township form of government determines prior to issuing the credit that the individual is not an eligible owner because the individual did not pay the prior three years' property tax liability in full, the credit shall be void and any corresponding moneys[, under subsection 11 of this section,] shall lapse to the state to be credited to the general revenue fund.

[17. This section shall apply to all tax years beginning on or after January 1, 2005. This subsection shall become effective June 28, 2004.

18.] **13.** In accordance with the provisions of sections 23.250 to 23.298, RSMo, and unless otherwise authorized pursuant to section 23.253, RSMo:

(1) Any new program authorized under the provisions of this section shall automatically sunset six years after the effective date of this section; and

For purposes of this section, loss in revenue shall include the difference between the revenue that would have been collected on such property under its classification prior to enactment of this section and the amount to be collected under its classification under this section. be determined after consideration of:

- (1) Immediate prior use, if any, of such property;
- (2) Location of such property;
- (3) Zoning classification of such property; except that, such zoning classification shall not be considered conclusive if, upon consideration of all factors, it is determined that such zoning classification does not reflect the immediate most suitable economic use of the property;

- (6) Size of such property;

Further amend said bill, page 5, section 208.009, line 24 of said page, by inserting after all of said line the following:

“285.309. 1. Every employer doing business in this state who employs five or more employees shall, if applicable, submit federal 1099 miscellaneous forms to the department of revenue. Such forms shall be submitted to the department of revenue within the time lines established for the filing of Missouri Form 99 forms.

2. Any employer who intentionally, on five or more occasions, fails to submit information on any employee required under subsection 1 of this section is guilty of a class A misdemeanor and shall be fined not more than one hundred dollars for each time the employer fails to submit the information on or after the fifth occurrence. If the failure is the result of a conspiracy between the employer and the employee or worker to not supply the required report or to supply a false or incomplete report, the fine shall be one thousand dollars for each failure to report or each false or incomplete report on and after the fifth occurrence.

285.500. For the purposes of sections 285.500 to 285.515 the following terms mean:

(1) “Employee”, any individual who performs services for an employer that would indicate an employer-employee relationship in satisfaction of the factors in IRS Rev. Rule 87-41, 1987-1 C.B.296.;

(2) “Employer”, any individual, organization, partnership, political subdivision, corporation, or other legal entity which has or had in the entity's employ five or more individuals performing any of the following services within this state:

(a) Construction as defined in section 290.210, RSMo;

(b) Public works as defined in section 290.210, RSMo;

(c) Maintenance work as defined in section 290.210, RSMo.

285.503. 1. An employer knowingly misclassifies a worker if that employer fails to claim the worker as an employee but knows, or has reason to know, that worker is an employee.

2. The attorney general may investigate alleged or suspected violations of sections 285.500 to 285.515 and shall have all powers provided by sections 407.040 to 407.090, RSMo, in connection with any investigation of an alleged or suspected violation of sections 285.500 to 285.515 as if the acts enumerated in sections 285.500 to 285.515 are unlawful acts proscribed by chapter 407, RSMo.

3. In addition to the powers set out in subsection 1 of this section, the attorney general may serve and enforce subpoenas related to the enforcement of sections 285.500 to 285.515.

285.506. 1. In any action brought under sections 285.500 to 285.515, the state shall have the burden of proving that the employer misclassified the worker. If the state is unable to produce any evidence supporting its contention that the alleged misclassified worker is misclassified, the court shall

find that the worker is not an employee for purposes of that action.

2. In any action brought under sections 285.500 to 285.515, there is a rebuttable presumption that a worker is an employee if the worker is an unauthorized alien as defined in 8 U.S.C. 1324a(h)(3). To rebut this presumption, the employer must produce an I-9 form to establish that the worker is not an unauthorized alien or other documentation to show that the worker is an independent contractor. If the employer fails to produce such evidence, the court shall find that the worker is an employee for purposes of that action.

285.509. 1. The department of labor and industrial relations shall establish a complaint form to receive complaints about alleged misclassification of workers. The form shall be made available on the Internet. Upon receiving a complaint, the department shall cross-check the complaint against any employer records it maintains and shall also cross-check the complaint against any records maintained by the department of revenue.

2. If the department determines, after conducting the review set out in subsection 1 of this section, that an employer appears to have misclassified a worker, it shall forward its determination along with supporting documentation to the attorney general.

3. Upon receiving the department's determination, the attorney general may request additional information or records from the department of labor and industrial relations, the department of revenue, or any other state agency that may have information or records relevant to the matter. Upon request, the department or other state agency shall provide the information or records requested. If the attorney general receives records that are otherwise closed pursuant to law, the attorney general shall likewise treat any such records obtained in the course of an investigation as closed records, except that such records may be used in the course of any action brought under sections 285.500 to 285.515.

4. The department of labor and industrial relations shall have the authority to promulgate rules necessary to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

285.512. 1. Whenever the attorney general has reason to believe that an employer has engaged in, is engaging in, or is about to engage in any conduct that would be a violation of sections 285.500 to 285.515, the attorney general may seek an injunction prohibiting the employer from engaging in such conduct.

2. The attorney general may bring an action for injunctive relief in the circuit court of any county where the alleged violation is occurring or about to occur.

3. In seeking injunctive relief, the attorney general may petition the court to order that all work contracted for by the employer at any site of the employer be halted if the court determines that the employer has engaged in, or is about to engage in, any conduct that would be a violation of sections

285.500 to 285.515. In addition to such relief, the court may issue any other order or judgment necessary to prevent the employer from committing any further violations of sections 285.500 to 285.515.

285.515. 1. If a court determines that an employer has knowingly misclassified a worker, the court shall enter a judgment in favor of the state and award penalties in the amount of fifty dollars per day per misclassified worker up to a maximum of fifty thousand dollars to the Missouri worker protection fund established in section 285.518.

2. If a court determines that an employer has knowingly misclassified a worker after having been previously adjudicated for knowing misclassification of a worker, the court shall enter a judgment in favor of the state and award penalties in the amount of one hundred dollars per day per misclassified worker up to a maximum of one hundred thousand dollars to the Missouri worker protection fund established in section 285.518.

3. The court may, in addition to the penalties authorized by this section, order that attorneys' fees and costs be paid to the state.

4. The attorney general may enter into a consent judgment with any person alleged to have violated sections 285.500 to 285.515.

285.518. There is hereby created in the state treasury the “Missouri Worker Protection Fund”, which shall consist of money collected under sections 285.500 to 285.515. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the administration of sections 285.500 to 285.515. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. This fund shall be administered by the attorney general for the purposes of ensuring that Missouri employers hire employees and subcontract with workers who are not misclassified. The fund shall consist of:

- (1) All amounts ordered to be paid into the fund pursuant to section 285.515;**
- (2) Any amounts appropriated to the fund; and**
- (3) Any voluntary contributions, gifts, or bequests to the fund.”; and**

Further amend said bill, section C, page 30, line 25 of said page, by inserting immediately after all of said line the following:

“Section D. Because of the need to provide a level playing field for Missouri employers and workers, the provisions of sections 285.309 and 285.500 to 285.518 of this act are deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and are hereby declared to be an emergency within the meaning of the constitution, and sections 285.309 and 285.500 to 285.518 of this act shall be in full force and effect upon its passage and approval.”; and

“72.080. 1. [Notwithstanding any provision of law to the contrary, and as an alternative to, and not in lieu of, the procedure established in section 80.020, RSMo,] Any unincorporated city, town, [village,] or other area of the state may, except as otherwise provided in sections 72.400 to 72.420, become a city[, town, or village] of the class to which its population would entitle it pursuant to this chapter, and be incorporated pursuant to the law for the government of cities[, towns, or villages] of that class, in the following manner:

[(1)] Whenever a number of voters equal to fifteen percent of the [registered voters] **votes cast in the**

last gubernatorial election in the area proposed to be incorporated shall present a petition to the governing body of the county in which such city, town, [village,] or area is situated, such petition shall describe, by metes and bounds, the area to be incorporated and be accompanied by a plat thereof, shall state the approximate population and the assessed valuation of all real and personal property in the area and shall state facts showing that the proposed city[, town, or village, if such village has at least one hundred inhabitants residing in it,] shall have the ability to furnish normal municipal services within a reasonable time after its incorporation is to become effective and praying that the question be submitted to determine if it may be incorporated[;

(2) The governing body shall submit the question to the voters if it is satisfied the number of voters signing such petition is equal to fifteen percent of the registered voters in the area proposed to be incorporated.

As used in this section, “village” means any small group or assemblage of houses in an unincorporated area, being generally less than in a town or city, or any small group or assemblages of houses or buildings built for dwelling or for business, or both, in an unincorporated area, regardless of whether they are situated upon regularly laid out streets or alleys dedicated to public use, having no minimum number of registered voters in the area, and without regard to the existence of churches, parks, schools, or commercial establishments in that area or whether the proposed village is devoted to community purposes]. **If the governing body shall be satisfied that a number of voters equal to fifteen percent of the votes cast in the last gubernatorial election in the area proposed to be incorporated have signed such petition, the governing body shall submit the question to the voters.**

2. The [governing body] **county** may make changes in the petition to correct technical errors or to redefine the metes and bounds of the area to be incorporated to reflect other boundary changes occurring within six months prior to the time of filing the petition. Petitions submitted by proposing agents may be submitted with exclusions for the signatures collected in areas originally included in the proposal but subsequently annexed or incorporated separately as a city, town or village, although the governing body shall be satisfied as to the sufficiency of the signatures for the final proposed area. If a majority of the voters voting on the question vote for incorporation, the governing body shall declare such city, town, [village,] or other area incorporated, designating in such order the metes and bounds thereof, and thenceforth the inhabitants within such bounds shall be a body politic and incorporate, by the name and style of “the city of”, **or** “the town of”, [“the village of”.] **and** the first officers of such city[, or town[, or village] shall be designated by the order of the governing body, who shall hold their offices until the next municipal election and until their successors shall be duly elected and qualified. [The city, town, or village shall have perpetual succession, unless disincorporated; may sue and be sued; may plead and be impleaded; may defend and be defended in all courts and in all actions, pleas, and matters whatsoever; may grant, purchase, hold, and receive property, real and personal, within such place and no other, burial grounds and cemeteries excepted; and may lease, sell, and dispose of such property for the benefit of the city, town, or village; and may have a common seal, and alter such seal at pleasure.] The county shall pay the costs of the election.

3. In any county with a charter form of government where fifty or more cities, towns and villages have been incorporated, an unincorporated city, town or other area of the state shall not be incorporated except as provided in sections 72.400 to 72.420.

4. Any unincorporated area with a private eighteen-hole golf course community and with at least a one

hundred acre lake located within any county of the first classification with more than eighty-two thousand but less than eighty-two thousand one hundred inhabitants may incorporate as a city of the class to which its population would entitle it pursuant to this chapter notwithstanding any proposed annexation of the unincorporated area by any city of the third or fourth classification or any home rule city with more than four hundred thousand inhabitants and located in more than one county. If any city of the third or fourth classification or any home rule city with more than four hundred thousand inhabitants and located in more than one county proposes annexation by ordinance or resolution of any unincorporated area as defined in this subsection, no such annexation shall become effective until and only after a majority of the qualified voters in the unincorporated area proposed to be incorporated fail to approve or oppose the proposed incorporation by a majority vote in the election described in subsection 2 of this section.

5. Prior to the election described in subsection 2 of this section, if the owner or owners of either the majority of the commercial or the majority of the agricultural classification of real property in the proposed area to be incorporated object to such incorporation, such owner or owners may file an action in the circuit court of the county in which such unincorporated area is situated, pursuant to chapter 527, RSMo, praying for a declaratory judgment requesting that such incorporation be declared unreasonable by the court. As used in this subsection, a “majority of the commercial or agricultural classification” means a majority as determined by the assessed valuation of the tracts of real property in either classification to be determined by the assessments made according to chapter 137, RSMo. The petition in such action shall state facts showing that such incorporation including the real property owned by the petitioners is not reasonable based on the same criteria as specified in subsection 3 of section 72.403 and is not necessary to the proper development of the city or town. If the circuit court finds that such inclusion is not reasonable and necessary, it may enjoin the incorporation or require the petition requesting the incorporation to be resubmitted excluding all or part of the property of the petitioners from the proposed incorporation.

6. Any village incorporated under this section in any county of the first classification with more than ninety-three thousand eight hundred but fewer than ninety-three thousand nine hundred inhabitants after August 28, 2007, and before the effective date of this section, shall be subject to and shall comply with all county building codes.”; and

SENATE AMENDMENT NO. 10

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2058, Page 33, Section 135.562, Line 25, by inserting immediately after all of said line the following:

“135.670. 1. As used in this section, the following terms mean:

(1) “Class 8 truck”, a heavy duty vehicle, as defined in 42 U.S.C. Section 16104, as amended, that has a gross vehicle weight in excess of thirty three thousand pounds;

(2) “Department”, the department of revenue;

(3) “Idle reduction technology”, shall have the same meaning ascribed in 42 U.S.C. Section 16104, as amended;

(4) “State tax liability”, in the case of a business taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapters 143, 147, and 153, RSMo, excluding sections 143.191 to 143.265, RSMo, and related provisions, and in the case of an individual taxpayer, any liability incurred by such taxpayer pursuant to the provisions of chapter 143, RSMo, excluding sections 143.191 to 143.265, RSMo, and related provisions;

(5) “Taxpayer”, a person, firm, a partner in a firm, corporation, or a shareholder in an S corporation doing business in the state of Missouri and subject to the state income tax imposed by the provisions of chapter 143, RSMo, or a corporation subject to the annual corporation franchise tax imposed by the provisions of chapter 147, RSMo, or an express company which pays an annual tax on its gross receipts in this state pursuant to chapter 153, RSMo, or an individual subject to the state income tax imposed by the provisions of chapter 143, RSMo.

2. For all tax years beginning on or after January 1, 2008, a taxpayer shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to fifty percent of the amount such taxpayer paid to purchase and install idle reduction technology on a class 8 truck after January 1, 2008. In no case shall the tax credit exceed thirty five hundred dollars per truck.

3. The amount of the tax credit claimed shall not exceed the amount of the taxpayer's state tax liability for the taxable year for which the credit is claimed. However, any tax credit that cannot be claimed in the taxable year the purchase and installation was made may be carried over to the next three succeeding taxable years until the full credit has been claimed. The tax credit allowed under this section shall be nontransferable.

4. The cumulative amount of tax credits which may be issued under this section in any one fiscal year shall not exceed ten million dollars, and the total amount of tax credits which may be issued under this section shall not exceed twenty million dollars. If the amount of tax credits claimed under this section exceeds ten million dollars in any one fiscal year, the director of the department of revenue shall establish a procedure by which, from the beginning of the fiscal year until some point in time later in the fiscal year to be determined by the director, the cumulative amount of tax credits are equally apportioned among all taxpayers allowed a tax credit under this section. The director may establish more than one period of time and reapportion more than once during each fiscal year. To the maximum extent possible, the director shall establish the procedure described in this subsection in such a manner as to ensure that taxpayers can claim all the tax credits possible up to the cumulative amount of tax credits available for the fiscal year.

5. Not less than one hundred and twenty days from the effective date of this act, the department shall promulgate rules necessary for the implementation of the provisions of this act. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

6. The provisions of this section shall automatically sunset two years after August 28, 2008, unless reauthorized.”; and

Further amend the title and enacting clause accordingly.

Senator Koster moved that the above amendment be adopted.

Senator Dempsey raised the point of order that **SA 10** is out of order as it goes beyond the scope of the bill.

The point of order was referred to the President Pro Tem who ruled it well taken.

Senator Goodman offered **SA 11**:

SENATE AMENDMENT NO. 11

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2058, Page 51, Section 144.057, Line 23 of said page, by inserting after all of said line the following:

“305.230. 1. The state highways and transportation commission shall administer an aeronautics program within this state. The commission shall encourage, foster and participate with the political subdivisions of this state in the promotion and development of aeronautics. The commission may provide

financial assistance in the form of grants from funds appropriated for such purpose to any political subdivision or instrumentality of this state acting independently or jointly or to the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration for the planning, acquisition, construction, improvement or maintenance of airports, or for other aeronautical purposes.

2. Any political subdivision or instrumentality of this state or the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration receiving state funds for the purchase, construction, or improvement, except maintenance, of an airport shall agree before any funds are paid to it to control by ownership or lease the airport for a period equal to the useful life of the project as determined by the commission following the last payment of state or federal funds to it. In the event an airport authority ceases to exist for any reason, this obligation shall be carried out by the governing body which created the authority.

3. Unless otherwise provided, grants to political subdivisions, instrumentalities or to the owner or owners of any privately owned airport designated as a reliever by the Federal Aviation Administration shall be made from the aviation trust fund. In making grants, the commission shall consider whether the local community has given financial support to the airport in the past. Priority shall be given to airports with local funding for the past five years with no reduction in such funding. The aviation trust fund is a revolving trust fund exempt from the provisions of section 33.080, RSMo, relating to the transfer of funds to the general revenue funds of the state by the state treasurer. All interest earned upon the balance in the aviation trust fund shall be deposited to the credit of the same fund.

4. The moneys in the aviation trust fund shall be administered by the commission and, when appropriated, shall be used for the following purposes:

(1) As matching funds on an up to ninety percent state/ten percent local basis, except in the case where federal funds are being matched, when the ratio of state and local funds used to match the federal funds shall be fifty percent state/fifty percent local:

(a) For preventive maintenance of runways, taxiways and aircraft parking areas, and for emergency repairs of the same;

(b) For the acquisition of land for the development and improvement of airports;

(c) For the earthwork and drainage necessary for the construction, reconstruction or repair of runways, taxiways, and aircraft parking areas;

(d) For the construction, or restoration of runways, taxiways, or aircraft parking areas;

(e) For the acquisition of land or easements necessary to satisfy Federal Aviation Administration safety requirements;

(f) For the identification, marking or removal of natural or manmade obstructions to airport control zone surfaces and safety areas;

(g) For the installation of runway, taxiway, boundary, ramp, or obstruction lights, together with any work directly related to the electrical equipment;

(h) For the erection of fencing on or around the perimeter of an airport;

(i) For purchase, installation or repair of air navigational and landing aid facilities and communication equipment;

(j) For engineering related to a project funded under the provisions of this section and technical studies or consultation related to aeronautics;

(k) For airport planning projects including master plans and site selection for development of new airports, for updating or establishing master plans and airport layout plans at existing airports;

(l) For the purchase, installation, or repair of safety equipment and such other capital improvements and equipment as may be required for the safe and efficient operation of the airport;

(2) As total funds, with no local match:

(a) For providing air markers, windsocks, and other items determined to be in the interest of the safety of the general flying public;

(b) For the printing and distribution of state aeronautical charts and state airport directories on an annual basis, and a newsletter on a quarterly basis or the publishing and distribution of any public interest information deemed necessary by the commission;

(c) For the conducting of aviation safety workshops;

(d) For the promotion of aerospace education;

(3) As total funds with no local match, up to five hundred thousand dollars per year may be used for the cost of operating existing air traffic control towers that do not receive funding from the Federal Aviation Administration or the United States Department of Defense, except no more than one hundred sixty-seven thousand dollars per year may be used for any individual control tower.

5. In the event of a natural or manmade disaster which closes any runway or renders inoperative any electronic or visual landing aid at an airport, any funds appropriated for the purpose of capital improvements or maintenance of airports may be made immediately available for necessary repairs once they are approved by the commission. For projects designated as emergencies by the commission, all requirements relating to normal procurement of engineering and construction services are waived.

6. As used in this section, the term “instrumentality of the state” shall mean any state educational institution as defined in section 176.010, RSMo, or any state agency which owned or operated an airport on January 1, 1997, and continues to own or operate such airport.

7. Notwithstanding any provision of this section or any other provision of the law to the contrary, the commission may provide financial assistance in the form of grants appropriated for such purpose to any privately-financed and operated commercial airport that has a runway which is at least seven thousand feet long and has been given a class D airspace designation by the Federal Aviation Administration. Any grants to any airport described in this subsection shall be made from the aviation trust fund and such grants may only be used by such airport for advertising purposes to promote the use of the airport's facilities and to attract tourists to the surrounding area.”; and

Further amend the title and enacting clause accordingly.

Senator Goodman moved that the above amendment be adopted.

We know that sometimes we may be short on patience so we need Your help this day so that we might practice what we have been taught and concerned how we treat another. So walk with us this day as we discuss and discern the needs of the people of this state and how to be instruments of healing our hurting world. In Your Holy Name we pray. Amen.

There is hereby created and established within the division of professional registration a “Board of Professional Midwives” which consists of five members appointed by the governor with the advice and consent of the senate. Each member shall be a United States citizen and a resident of this state for at least one year immediately preceding their appointment. Of these five members, one member shall be a public member, four members shall be licensed professional midwives who attend births in homes or other out-of-hospital settings, provided that the first midwife members appointed need not be licensed at the time of appointment if they are actively working toward licensure under the provisions of sections 324.1230 to 324.1245.

2. The initial appointments to the board shall be one member for a term of one year, one member for a term of two years, one member for a term of three years, one member for a term of four years, and one member for a term of five years. The board's order of probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefore, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. 6. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of any certificate of registration or authority, permit, or license required by this chapter, or any person who has failed to renew or has surrendered the person's certificate or registration or authority, permit, or license for any one or any combination of the following causes:

Journal of the Senate

SECOND REGULAR SESSION

SIXTY-NINTH DAY—THURSDAY, MAY 15, 2008

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“The true contemplative is one who has discovered the art of finding leisure even in the midst of his work, by working with such a spirit of detachment and recollection that even his work is a prayer.” (Thomas Merton)

Almighty God, as we face these final two days there is much to do and many bills we are not familiar with and long hours to sit and listen and debates to enter in and decisions to be made. May we discover the art of finding leisure in the midst of it that our souls may be at rest, our bodies calm and our heart at peace as we seek to be at peace with those we serve with here. May our faith have confidence that we will please You as we follow the path You lead us. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

3. If the territory of more than one county be included in said special road district, the county commission of each county in said district shall, as soon as the returns are in from said election, cause a certificate to be made out stating the number of votes cast for and against said proposition in said county, and cause such certificate to be filed with the county clerk of the county commission of every other county which shall form a part of said special road district. Amend House Committee Substitute No. 2 for Senate Bill No. 976, Section 566.226, Page 195, Line 15, by inserting after all of said section the following:

“573.525. 1. It is the purpose of sections 573.525 to 573.537 to regulate sexually oriented businesses in order to promote the health, safety, and general welfare of the citizens of this state, and to establish reasonable and uniform regulations to prevent the deleterious secondary effects of sexually oriented businesses within the state. The provisions of sections 573.525 to 573.537 have neither the purpose nor effect of imposing a limitation or restriction on the content or reasonable access to any communicative materials, including sexually oriented materials. Similarly, it is neither the intent nor effect of sections 573.525 to 573.537 to restrict or deny access by adults to sexually oriented materials protected by the First Amendment, or to deny access by the distributors and exhibitors of sexually oriented entertainment to their intended market. Neither is it the intent nor effect of sections 573.525 to 573.537 to condone or legitimize the distribution of obscene material.

2. The general assembly finds that:

(1) Sexually oriented businesses, as a category of commercial enterprises, are associated with a wide variety of adverse secondary effects, including but not limited to personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, obscenity, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation;

(2) Sexually oriented businesses should be separated from sensitive land uses to minimize the impact of their secondary effects upon such uses, and should be separated from other sexually oriented businesses, to minimize the secondary effects associated with such uses and to prevent an unnecessary concentration of sexually oriented businesses in one area;

(3) Each of the foregoing negative secondary effects constitutes a harm which the state has a substantial interest in preventing and/or abating. Such substantial government interest in preventing secondary effects, which is the state's rationale for sections 573.525 to 573.537, exists independent of any comparative analysis between sexually oriented and nonsexually oriented businesses. Additionally, the state's interest in regulating sexually oriented businesses extends to preventing

future secondary effects of current or future sexually oriented businesses that may locate in the state.

573.528. For purposes of sections 573.525 to 573.537, the following terms shall mean:

(1) “Adult bookstore” or “adult video store”, a commercial establishment which, as one of its principal business activities, offers for sale or rental for any form of consideration any one or more of the following: books, magazines, periodicals, or other printed matter, or photographs, films, motion pictures, video cassettes, compact discs, digital video discs, slides, or other visual representations which are characterized by their emphasis upon the display of specified sexual activities or specified anatomical areas. A “principal business activity” exists where the commercial establishment:

Such definition includes the lower portion of the human female breast, but shall not include any portion of the cleavage of the human female breasts exhibited by a bikini, dress, blouse, shirt, leotard, or similar wearing apparel provided the areola is not exposed in whole or in part;

(13) “Semi-nude model studio”, a place where persons regularly appear in a state of semi-nudity for money or any form of consideration in order to be observed, sketched, drawn, painted, sculptured, photographed, or similarly depicted by other persons. 573.531. 1. No person shall establish a sexually oriented business within one thousand feet of any preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business. This subsection shall not apply to any sexually oriented business lawfully established prior to the effective date of sections 573.525 to 573.537. For purposes of this subsection, measurements shall be made in a straight line, without regard to intervening structures or objects, from the closest portion of the parcel containing the sexually oriented business to the closest portion of the parcel containing the preexisting primary or secondary school, house of worship, state-licensed day care facility, public library, public park, residence, or other sexually oriented business.

3. No person shall knowingly or intentionally, in a sexually oriented business, appear in a state of nudity.

4. (2) An operator's station shall not exceed thirty-two square feet of floor area;

(3) If the premises has two or more operator's stations designated, the interior of the premises shall be configured in such a manner that there is an unobstructed view of each area of the premises to which any patron is permitted access for any purpose from at least one of the operator's stations;

573.534. Sections 573.525 to 573.537 do not impose strict liability. Unless a culpable mental state is otherwise specified herein, a showing of a knowing or reckless mental state is necessary to establish a violation of sections 573.525 to 573.537. Notwithstanding any other provision of law to the contrary, for purposes of sections 573.525 to 573.537, an act by an employee shall be imputed to the sexually oriented business for purposes of finding a violation of sections 573.525 to 573.537 only if an officer, director, or general partner, or a person who managed, supervised, or controlled the operation of the business premises knowingly or recklessly allowed such act to occur on the premises. It shall be a defense to liability that the person to whom liability is imputed was powerless to prevent the act.

573.537. 1. Any person, business, or entity violating or refusing to comply with any provision of sections 573.525 to 573.537 shall, upon conviction, be deemed guilty of a misdemeanor and shall be punished by imposition of a fine not to exceed five hundred dollars or by imprisonment for a period not to exceed ninety days, or both. Each day that a violation is permitted to exist or occur, and each separate occurrence shall constitute a separate offense.

2. Any premises, building, dwelling, or other structure in which a sexually oriented business is repeatedly operated or maintained in violation of sections 573.525 to 573.537 shall constitute a public nuisance and shall be subject to civil abatement proceedings initiated by the state in a court of competent jurisdiction. Each day that a violation is permitted to exist or occur shall constitute a separate operation or maintenance of the violation.

3. Notwithstanding the provisions of this section, the state may employ any remedy available at law or in equity to prevent or remedy a violation of any provision of sections 573.525 to 573.537.

573.540. Nothing in sections 573.525 to 573.537 shall preempt or prevent any political subdivision in this state from maintaining, enacting, or enforcing any local ordinance, rule, regulation, resolution, or similar law concerning the regulation of sexually oriented businesses or similar adult oriented businesses.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. The disclosures required in subsection 1 of this section are supplemental to those required by rules of the supreme court relating to a continuing duty to disclose information, the use of matters disclosed, matters not subject to disclosure, protective orders, and sanctions for failure to comply with an applicable discovery rule or order, all of which shall also apply to any disclosure required by this section.

565.006. 1. At any time before the commencement of the trial of a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve**, the defendant may, with the assent of the court, waive a trial by jury and agree to submit all issues in the case to the court, whose finding shall have the force and effect of a verdict of a jury. Such a waiver must include a waiver of a trial by jury of all issues and offenses charged in the case, including the punishment to be assessed and imposed if the defendant is found guilty.

2. No defendant who pleads guilty to a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve**, or who is found guilty of a homicide [offense], **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** after trial to the court without a jury shall be permitted a trial by jury on the issue of the punishment to be imposed, except by agreement of the state.

3. If a defendant is found guilty of murder in the first degree, **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** after a jury trial in which the state has not waived the death penalty, the defendant may not waive a jury trial of the issue of the punishment to be imposed, except by agreement with the state and the court.

4. Any waiver of a jury trial and agreement permitted by this section shall be entered in the court record.

565.035. 1. Whenever the death penalty is imposed in any case, and upon the judgment becoming final in the trial court, the sentence shall be reviewed on the record by the supreme court of Missouri. The circuit clerk of the court trying the case, within ten days after receiving the transcript, shall transmit the entire

record and transcript to the supreme court together with a notice prepared by the circuit clerk and a report prepared by the trial judge. The notice shall set forth the title and docket number of the case, the name of the defendant and the name and address of his attorney, a narrative statement of the judgment, the offense, and the punishment prescribed. The report by the judge shall be in the form of a standard questionnaire prepared and supplied by the supreme court of Missouri.

2. The supreme court of Missouri shall consider the punishment as well as any errors enumerated by way of appeal.

3. With regard to the sentence, the supreme court shall determine:

(1) Whether the sentence of death was imposed under the influence of passion, prejudice, or any other arbitrary factor; and

(2) Whether the evidence supports the jury's or judge's finding of a statutory aggravating circumstance as enumerated in subsection 2 of section 565.032 **or subsection 2 of section 565.435** and any other circumstance found;

(3) Whether the sentence of death is excessive or disproportionate to the penalty imposed in similar cases, considering both the crime, the strength of the evidence and the defendant.

4. Both the defendant and the state shall have the right to submit briefs within the time provided by the supreme court, and to present oral argument to the supreme court.

5. The supreme court shall include in its decision a reference to those similar cases which it took into consideration. In addition to its authority regarding correction of errors, the supreme court, with regard to review of death sentences, shall be authorized to:

(1) Affirm the sentence of death; or

(2) Set the sentence aside and resentence the defendant to life imprisonment without eligibility for probation, parole, or release except by act of the governor; or

(3) Set the sentence aside and remand the case for retrial of the punishment hearing. A new jury shall be selected or a jury may be waived by agreement of both parties and then the punishment trial shall proceed in accordance with this chapter, with the exception that the evidence of the guilty verdict shall be admissible in the new trial together with the official transcript of any testimony and evidence properly admitted in each stage of the original trial where relevant to determine punishment.

6. There shall be an assistant to the supreme court, who shall be an attorney appointed by the supreme court and who shall serve at the pleasure of the court. The court shall accumulate the records of all cases in which the sentence of death or life imprisonment without probation or parole was imposed after May 26, 1977, or such earlier date as the court may deem appropriate. The assistant shall provide the court with whatever extracted information the court desires with respect thereto, including but not limited to a synopsis or brief of the facts in the record concerning the crime and the defendant. The court shall be authorized to employ an appropriate staff, within the limits of appropriations made for that purpose, and such methods to compile such data as are deemed by the supreme court to be appropriate and relevant to the statutory questions concerning the validity of the sentence. The office of the assistant to the supreme court shall be attached to the office of the clerk of the supreme court for administrative purposes.

7. In addition to the mandatory sentence review, there shall be a right of direct appeal of the conviction to the supreme court of Missouri. This right of appeal may be waived by the defendant. If an appeal is taken,

the appeal and the sentence review shall be consolidated for consideration. The court shall render its decision on legal errors enumerated, the factual substantiation of the verdict, and the validity of the sentence.

565.040. 1. In the event that the death penalty provided in this chapter is held to be unconstitutional, any person convicted of murder in the first degree, **forcible rape of a child under the age of twelve, or forcible sodomy of a child under the age of twelve** shall be sentenced by the court to life imprisonment without eligibility for probation, parole, or release except by act of the governor, with the exception that when a specific aggravating circumstance found in a case is held to be unconstitutional or invalid for another reason, the supreme court of Missouri is further authorized to remand the case for resentencing or retrial of the punishment pursuant to subsection 5 of section 565.036.

2. In the event that any death sentence imposed pursuant to this chapter is held to be unconstitutional, the trial court which previously sentenced the defendant to death shall cause the defendant to be brought before the court and shall sentence the defendant to life imprisonment without eligibility for probation, parole, or release except by act of the governor, with the exception that when a specific aggravating circumstance found in a case is held to be inapplicable, unconstitutional or invalid for another reason, the supreme court of Missouri is further authorized to remand the case for retrial of the punishment pursuant to subsection 5 of section 565.035.”; and

Further amend said Bill, Page 195, Section 565.084, Line 20, by inserting after all of said Line, the following:

“565.425. 1. Except as provided in subsections 2, 3, and 4 of this section, no forcible rape of a child under the age of twelve offense may be tried together with any offense other than forcible rape of a child under the age of twelve and no forcible sodomy of a child under the age of twelve offense may be tried together with any offense other than forcible sodomy of a child under the age of twelve. In the event of a joinder of forcible rape of a child under the age of twelve offenses or forcible sodomy of a child under the age of twelve offenses, all offenses charged which are supported by the evidence in the case shall, when requested by one of the parties or the court, be submitted to the jury or, in a jury-waived trial, considered by the judge.

2. A count charging any offense of forcible rape of a child under the age of twelve of a particular individual may be joined in an indictment or information and tried with one or more counts charging alternatively any other forcible rape of a child under the age of twelve or offense other than forcible rape of a child under the age of twelve committed against that individual. A count charging any offense of forcible sodomy of a child under the age of twelve of a particular individual may be joined in an indictment or information and tried with one or more counts charging alternatively any other forcible sodomy of a child under the age of twelve or offense other than forcible sodomy of a child under the age of twelve committed against that individual. The state shall not be required to make an election as to the alternative count on which it will proceed. This subsection in no way limits the right to try in the conjunctive, where they are properly joined under subsection 1 of this section, either:

(1) Separate offenses other than forcible rape of a child under the age of twelve or separate offenses of forcible rape of a child under the age of twelve committed against different individuals;

(2) Separate offenses other than forcible sodomy of a child under the age of twelve or separate offenses of forcible sodomy of a child under the age of twelve committed against different individuals.

3. (1) When a defendant has been charged and proven before trial to be a prior offender pursuant to chapter 558, RSMo, so that the judge shall assess punishment and not a jury for an offense other than forcible rape of a child under the age of twelve, that offense may be tried and submitted to the trier together with any forcible rape of a child under the age of twelve charge with which it is lawfully joined. In such case the judge shall assess punishment on any offense joined with a forcible rape of a child under the age of twelve charge according to law and, when the trier is a jury, it shall be instructed upon punishment on the charge of forcible rape of a child under the age of twelve in accordance with section 565.430.

(2) When a defendant has been charged and proven before trial to be a prior offender pursuant to chapter 558, RSMo, so that the judge shall assess punishment and not a jury for an offense other than forcible sodomy of a child under the age of twelve, that offense may be tried and submitted to the trier together with any forcible sodomy of a child under the age of twelve charge with which it is lawfully joined. In such case the judge shall assess punishment on any offense joined with a forcible sodomy of a child under the age of twelve charge according to law and, when the trier is a jury, it shall be instructed upon punishment on the charge of forcible sodomy of a child under the age of twelve in accordance with section 565.430.

4. When the state waives the death penalty for a forcible rape of a child under the age of twelve offense or forcible sodomy of a child under the age of twelve offense, that offense may be tried and submitted to the trier together with any other charge with which it is lawfully joined.

565.430. 1. Where forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve is charged but not submitted or where the state waives the death penalty, the submission to the trier and all subsequent proceedings in the case shall proceed as in all other criminal cases with a single stage trial in which guilt and punishment are submitted together.

2. Where forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve is submitted to the trier without a waiver of the death penalty, the trial shall proceed in two stages before the same trier. At the first stage, the trier shall decide only whether the defendant is guilty or not guilty of any submitted offense. The issue of punishment shall not be submitted to the trier at the first stage. If an offense is charged other than forcible rape of a child under the age of twelve in a count together with a count of forcible rape of a child under the age of twelve, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558, RSMo. If an offense is charged other than forcible sodomy of a child under the age of twelve in a count together with a count of forcible sodomy of a child under the age of twelve, the trial judge shall assess punishment on any such offense according to law, after the defendant is found guilty of such offense and after he finds the defendant to be a prior offender pursuant to chapter 558, RSMo.

3. If the trier at the first stage of a trial where the death penalty was not waived finds the defendant guilty of forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve, a second stage of the trial shall proceed at which the only issue shall be the punishment to be assessed and declared. Evidence in aggravation and mitigation of punishment, including but not limited to evidence supporting any of the aggravating or mitigating circumstances listed in subsection 2 or 3 of section 565.435, may be presented subject to the rules of evidence at criminal trials. Such evidence may include, within the discretion of the court, evidence concerning the

victim and the impact of the crime upon the family of the victim and others. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. If the trier is a jury, it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The trier shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor:

(1) If the trier finds by a preponderance of the evidence that the defendant is mentally retarded;
or

(2) If the trier does not find beyond a reasonable doubt at least one of the aggravating circumstances set out in subsection 2 of section 565.435; or

(3) If the trier concludes that there is evidence in mitigation of punishment, including but not limited to evidence supporting the mitigating circumstances listed in subsection 3 of section 565.435, which is sufficient to outweigh the evidence in aggravation of punishment found by the trier; or

(4) If the trier decides under all of the circumstances not to assess and declare the punishment at death. If the trier is a jury it shall be so instructed.

If the trier assesses and declares the punishment at death it shall, in its findings or verdict, set out in writing the aggravating circumstance or circumstances listed in subsection 2 of section 565.435 which it found beyond a reasonable doubt. If the trier is a jury, it shall be instructed before the case is submitted that if it is unable to decide or agree upon the punishment the court shall assess and declare the punishment at life imprisonment without eligibility for probation, parole, or release except by act of the governor or death. The court shall follow the same procedure as set out in this section whenever it is required to determine punishment for forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve.

4. Upon written agreement of the parties and with leave of the court, the issue of the defendant's mental retardation may be taken up by the court and decided prior to trial without prejudicing the defendant's right to have the issue submitted to the trier of fact as provided in subsection 3 of this section.

5. As used in this section, the terms "mental retardation" or "mentally retarded" refer to a condition involving substantial limitations in general functioning characterized by significantly subaverage intellectual functioning with continual extensive related deficits and limitations in two or more adaptive behaviors such as communication, self-care, home living, social skills, community use, self-direction, health and safety, functional academics, leisure and work, which conditions are manifested and documented before eighteen years of age.

6. The provisions of this section shall only govern offenses committed on or after August 28, 2008.

565.435. 1. In all cases of forcible rape of a child under the age of twelve or forcible sodomy of a child under the age of twelve for which the death penalty is authorized, the judge in a jury-waived trial shall consider, or he or she shall include in his or her instructions to the jury for it to consider:

(1) Whether an aggravating circumstance or circumstances enumerated in subsection 2 of this section is established by the evidence beyond a reasonable doubt; and

(2) If an aggravating circumstance or circumstances is proven beyond a reasonable doubt, whether the evidence as a whole justifies a sentence of death or a sentence of life imprisonment

without eligibility for probation, parole, or release except by act of the governor. 402.215. 1. The board of trustees is authorized and directed to establish and administer the Missouri family trust and to advise, consult with, and render services to departments and agencies of the state of Missouri and to other nonprofit organizations which qualify as organizations pursuant to Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, and which provide services to Missouri residents with a disability. The board shall be authorized to execute all documents necessary to establish and administer the trust including the formation of a not-for-profit corporation created pursuant to chapter 355, RSMo, and to qualify as an organization pursuant to Section 501(c)(3) of the United States Internal Revenue Code of 1986, as amended.

2. The trust documents shall include and be limited by the following provisions:

(1) The Missouri family trust shall be authorized to accept contributions from any source including trustees, personal representatives, personal custodians pursuant to chapter 404, RSMo, and other fiduciaries, and, subject to the provisions of subdivision [(11)] **(10)** of this subsection, from the life beneficiaries and their respective spouses, to be held, administered, managed, invested and distributed in order to facilitate the coordination and integration of private financing for individuals who have a disability or are eligible for services provided by the Missouri department of mental health, or both, while maintaining the eligibility of such individuals for government entitlement funding. All contributions, and the earnings thereon, shall be administered as one trust fund; however, separate accounts shall be established for each designated beneficiary. The income earned[, after deducting administrative expenses,] shall be credited to the accounts of the respective life beneficiaries in proportion to the principal balance in the account for each such life beneficiary, to the total principal balances in the accounts for all life beneficiaries;

(2) Every donor may designate a specific person as the life beneficiary of the contribution made by such donor. In addition, each donor may name a cotrustee, including the donor, and a successor or successors to the cotrustee, to act with the trustees of the trust on behalf of the designated life beneficiary; provided, however, a life beneficiary shall not be eligible to be a cotrustee or a successor cotrustee[; provided, however, that]. Court approval of the specific [person] **persons** designated as life beneficiary and as cotrustee or successor trustee shall be required [in connection with] **at the time** any trust **is** created pursuant to section 473.657, RSMo, or section 475.093, RSMo;

(3) The cotrustee, with the consent of the trust, shall from time to time [but not less frequently than annually] determine the amount of income or principal or income and principal to be used to provide noncash benefits and the nature and type of benefits to be provided for the life beneficiary. Any net income which is not used shall be added to principal annually. In the event that the trust and the cotrustee shall be

unable to agree either on the amount of income or principal or income and principal to be used or the benefits to be provided, then either the trust or the cotrustee shall have the right to request that the matter be resolved by arbitration which shall be conducted in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The requesting party shall send a written request for arbitration to the responding party and shall in such request set forth the name, address and telephone number of such requesting party's arbitrator. The responding party shall, within ten days after receipt of the request for arbitration, set forth in writing to the requesting party the name, address and telephone number of the responding party's arbitrator. Copies of the request for arbitration and response shall be sent to the director of the department. If the two designated arbitrators shall be unable to agree upon a third arbitrator within ten days after the responding party shall have identified such party's arbitrator, then the director of the department shall designate the third arbitrator by written notice to the requesting and responding parties' arbitrators. The three arbitrators shall meet, conduct a hearing, and render a decision within thirty days after the appointment of the third arbitrator. A decision of a majority of the arbitrators shall be binding upon the requesting and responding parties. Each party shall pay the fees and expenses of such party's arbitrator and the fees and expenses of the third arbitrator shall be borne equally by the parties. Judgment on the arbitrators' award may be entered in any court of competent jurisdiction;

(4) Any donor, during his or her lifetime, except for a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, may revoke any gift made to the trust; provided, however, any donor may, at any time, voluntarily waive the right to revoke. In the event that at the time the donor shall have revoked his or her gift to the trust the life beneficiary shall not have received any benefits provided by use of trust income or principal, then an amount equal to one hundred percent of the principal balance shall be returned to the donor. Any undistributed net income shall be distributed to the charitable trust. In the event that at the time the donor shall have revoked his or her gift to the trust the life beneficiary shall have received any benefits provided by the use of trust income or principal, then an amount equal to ninety percent of the principal balance shall be returned to the donor. The balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(5) Any acting cotrustee, except a cotrustee of a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, other than the original donor of a life beneficiary's account, shall have the right, for good and sufficient reason upon written notice to the trust and the department stating such reason, to withdraw all or a portion of the principal balance. In such event, the applicable portion, as set forth in subdivision (7) of this subsection, of the principal balance shall then be distributed to the successor trust and the balance of the principal balance together with any undistributed net income shall be distributed to the charitable trust;

(6) In the event that a life beneficiary for whose benefit a contribution or contributions shall have been made to the family trust shall cease to [be eligible for services provided by the department of mental health] **have a disability as defined in section 402.200** and neither the donor nor the then acting cotrustee, except a cotrustee of a trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo, shall revoke or withdraw the applicable portion, as set for in subdivision (7) of this subsection, of the principal balance, then the board of trustees may, by written notice to such donor or acting cotrustee, terminate the trust as to such beneficiary and thereupon shall distribute the applicable portion, as set forth in subdivision (7) of this subsection, of the principal balance, to the trustee of the successor trust to be held, administered and distributed by such trustee in accordance with the provisions of the successor trust described in subdivision (12) of this subsection;

(7) If at the time of withdrawal or termination as provided in subdivision (6) of this subsection of a life beneficiary's account from the trust either the life beneficiary shall not have received any benefits provided by the use of the trust income or principal or the life beneficiary shall have received benefits provided by the use of trust income or principal for a period of not more than five years from the date a contribution shall have first been made to the trust for such life beneficiary, then an amount equal to ninety percent of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust; provided, however, if the life beneficiary at the time of such withdrawal by the cotrustee or termination as provided above shall have received any benefits provided by the use of trust income or principal for a period of more than five years from the date a contribution shall have first been made to the trust for such life beneficiary, then an amount equal to seventy-five percent of the principal balance shall be distributed to the successor trust, and the balance of the principal balance together with all undistributed net income shall be distributed to the charitable trust;

(8) Subject to the provisions of subdivision (9) of this subsection, if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, then an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons as the donor shall have designated. Any undistributed net income shall be distributed to the charitable trust. If at the time of death of the life beneficiary, the life beneficiary shall have been receiving benefits provided by the use of trust income or principal or income and principal, then, in such event, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons as the donor designated, and the balance of the principal balance, together with all undistributed net income, shall be distributed to the charitable trust;

(9) In the event the trust is created as a result of a distribution from a personal representative of an estate of which the life beneficiary is a distributee, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. Any undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary shall have been receiving benefits provided by the use of trust income or principal or income and principal, then, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. The balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs at the time of either such distribution, the then-principal balance together with all undistributed income shall be distributed to the charitable trust;

(10) In the event the trust is created [as a result of the recovery of damages by reason of a personal injury to the life beneficiary, then if the life beneficiary dies before receiving any benefits provided by the use of trust income or principal, the state of Missouri shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to one hundred percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law. If there are no heirs, the balance, if any, of the principal balance together with all undistributed income shall be distributed to the charitable trust. If at the time of death of the life beneficiary the life beneficiary should have been receiving benefits provided by the use of trust income or principal or income and principal then

the state of Missouri shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code, and then to the extent there is any amount remaining in the life beneficiary's account, an amount equal to seventy-five percent of the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. If there are no heirs, the balance of the principal balance, together with all undistributed income, shall be distributed to the charitable trust;

(11) In the event an account is established] **with the proceeds from the recovery of damages by reason of a personal injury to the life beneficiary or** with the assets of the beneficiary by the beneficiary, a family member, the beneficiary's guardian, or pursuant to a court order, all in accordance with Title 42 of the United States Code Section **1396p(d)(4)(A) or Section 1396p(d)(4)(C)**, then upon the death of the life beneficiary the state of [Missouri] **residence of the beneficiary** shall receive all amounts remaining in the life beneficiary's account up to an amount equal to the total medical assistance paid on behalf of such life beneficiary under a state plan under Title 42 of the United States Code[, and then] **("State Plan")**; **except that twenty-five percent of the principal balance shall first be distributed to the charitable trust.** To the extent there is any amount remaining in the life beneficiary's account, [an amount equal to seventy-five percent of] the principal balance shall be distributed to such person or persons who are the life beneficiary's heirs at law [and the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust]. If there are no heirs, the balance of the principal balance together with all undistributed income shall be distributed to the charitable trust. **In the event that two or more states are entitled to receive reimbursement for medical assistance paid on behalf of a beneficiary and the total of such medical assistance is in excess of the balance in the beneficiary account, then each such state shall be paid an amount equal to that portion of the beneficiary's account as is equal to the portion of the total medical assistance paid by each such state;**

[(12)] (11) Notwithstanding the provisions of subdivisions (4) to (8) of this subsection to the contrary, the donor may voluntarily agree to a smaller percentage of the principal balance in any account established by such donor than is provided in this subsection to be returned to the donor or distributed to the successor trust, as the case may be; and a corresponding larger percentage of the principal balance in such account to be distributed either to the charitable trust or to a designated restricted account within the charitable trust;

[(13)] (12) Upon receipt of a notice of withdrawal from a designated cotrustee, other than the original donor, and a determination by the board of trustees that the reason for such withdrawal is good and sufficient, or upon the issuance of notice of termination by the board of trustees, the board of trustees shall distribute and pay over to the designated trustee of the successor trust the applicable portion of the principal balance as set forth in subdivision (7) of this subsection; provided, however, that court approval of distribution to a successor trustee shall be required in connection with any trust created pursuant to section 473.657, RSMo, or section 475.093, RSMo.

The designated trustee of the successor trust shall hold, administer and distribute the principal and income of the successor trust, in the discretion of such trustee, for the maintenance, support, health, education and general well-being of the beneficiary, recognizing that it is the purpose of the successor trust to supplement, not replace, any government benefits for the beneficiary's basic support to which such beneficiary may be entitled and to increase the quality of such beneficiary's life by providing the beneficiary with those amenities which cannot otherwise be provided by public assistance or entitlements or other available sources. Permissible expenditures include, but are not limited to, more sophisticated dental, medical and

diagnostic work or treatment than is otherwise available from public assistance, private rehabilitative training, supplementary education aid, entertainment, periodic vacations and outings, expenditures to foster the interests, talents and hobbies of the beneficiary, and expenditures to purchase personal property and services which will make life more comfortable and enjoyable for the beneficiary but which will not defeat his or her eligibility for public assistance. Expenditures may include payment of the funeral and burial costs of the beneficiary. The designated trustee, in his or her discretion, may make payments from time to time for a person to accompany the beneficiary on vacations and outings and for the transportation of the beneficiary or of friends and relatives of the beneficiary to visit the beneficiary. Any undistributed income shall be added to the principal from time to time. Expenditures shall not be made for the primary support or maintenance of the beneficiary, including basic food, shelter and clothing, if, as a result, the beneficiary would no longer be eligible to receive public benefits or assistance to which the beneficiary is then entitled. After the death and burial of the beneficiary, the remaining balance of the successor trust shall be distributed to such person or persons as the donor shall have designated;

[(14)] **(13)** The charitable trust shall be administered as part of the family trust, but as a separate account. The income attributable to the charitable trust shall be used to provide benefits for individuals who have a disability [or who are eligible for services provided by or through the department and who either have no immediate family or whose immediate family, in the reasonable opinion of the trustees, is financially unable to make a contribution to the trust sufficient to provide benefits for such individuals, while maintaining such individuals' eligibility for government entitlement funding] **and who have no income or very limited income other than benefits**. The trustees may from time to time determine to use part of the principal of the charitable trust to provide such benefits. [As used in this section, the term "immediate family" includes parents, children and siblings. The individuals to be beneficiaries of the charitable trust shall be recommended to the trustees by the department and others from time to time.] The trustees shall annually determine the amount of charitable trust income or principal to be used to provide benefits and the nature and type of benefits to be provided for each identified beneficiary of the charitable trust. Any income not used shall be added to principal annually;

[(15)] **(14)** Any person, with the consent of the board of trustees, may establish a restricted account within the charitable trust and shall be permitted to determine, with the consent of the board of trustees, the beneficiaries of such restricted account provided such beneficiaries qualify as participants of the trust as set forth in subsection 1 of section 402.205.

402.217. 1. No beneficiary shall have any vested or property rights or interests in [the family] **any trust established for the benefit of such beneficiary**, nor shall any beneficiary have the power to anticipate, assign, convey, alienate, or otherwise encumber any interest in the income or principal of the [family] trust, nor shall such income or the principal or any interest of any beneficiary thereunder be liable for any debt incurred by such beneficiary, nor shall the principal or income of the [family] trust be subject to seizure by any creditor or any beneficiary under any writ or proceeding in law or in equity.

2. Except for the right of a donor to revoke any gift made to the trust, pursuant to subdivision (4) of subsection 2 of section 402.215, and the right of any acting cotrustee, other than the original donor, to withdraw all or a portion of the principal balance, pursuant to subdivision (5) of subsection 2 of section 402.215, neither the donor nor any acting cotrustee shall have the right to sell, assign, convey, alienate or otherwise encumber, for consideration or otherwise, any interest in the income or principal of the family trust, nor shall such income or the principal or any interest of any beneficiary thereunder be liable for any debt incurred by the donor or any acting cotrustee, nor shall the principal or income of the family trust be

subject to seizure by any creditor of any donor or any acting cotrustee under any writ or proceeding in law or in equity.”; and

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1722, Page 29, Section 161.650, Line 22 of said page, by inserting after all of said line the following:

“161.670. 1. Notwithstanding any other law, prior to July 1, 2007, the state board of education shall establish a virtual public school to serve school-age students residing in the state. The virtual public school shall offer instruction in a virtual setting using technology, intranet, and/or Internet methods of communication. Any student under the age of twenty-one in grades kindergarten through twelve who resides in this state shall be eligible to enroll in the virtual public school regardless of the student's physical location.

2. For purposes of calculation and distribution of state school aid, students enrolled in a virtual public school shall be included, at the choice of the student's parent or guardian, in the student enrollment of the school district in which the student physically resides. The virtual public school shall report to the district of residence the following information about each student served by the virtual public school: name, address, eligibility for free or reduced-price lunch, limited English proficiency status, special education needs, and the number of courses in which the student is enrolled. The virtual public school shall promptly notify the resident district when a student discontinues enrollment. A “full-time equivalent student” is a student who successfully has completed the instructional equivalent of six credits per regular term. Each virtual course shall count as one class and shall generate that portion of a full-time equivalent that a comparable course offered by the school district would generate. In no case shall more than the full-time equivalency of a regular term of attendance for a single student be used to claim state aid. Full-time equivalent student credit completed shall be reported to the department of elementary and secondary education in the manner prescribed by the department. Nothing in this section shall prohibit students from enrolling in additional courses under a separate agreement that includes terms for paying tuition or course fees.

3. When a school district has a student who has completed courses through the virtual public school authorized by this section, the school district may identify any credits that were earned through the virtual public school on the student's diploma, transcript, or in the student's records. A school district may exclude credits earned through the virtual school when calculating in-district academic awards.

4. When a school district has one or more resident students enrolled in a virtual public school program authorized by this section, whose parent or guardian has chosen to include such student in the district's enrollment, the department of elementary and secondary education shall disburse an amount corresponding to fifteen percent of the state aid under sections 163.031 and 163.043, RSMo, attributable to such student to the resident district. Subject to an annual appropriation by the general assembly, the department shall

disburse an amount corresponding to eighty-five percent of the state adequacy target attributable to such student to the virtual public school.

[4.] **5.** Except as specified in this section and as may be specified by rule of the state board of education, the virtual public school shall comply with all state laws and regulations applicable to school districts, including but not limited to the Missouri school improvement program (MSIP), adequate yearly progress (AYP), annual performance report (APR), teacher certification, and curriculum standards.

[5.] **6.** The state board of education through the rulemaking process and the department of elementary and secondary education in its policies and procedures shall ensure that multiple content providers are allowed.

[6.] **7.** Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. (8) Between July 1, 2001, and July 1, 2013, two and fifty-five hundredths percent of the member's final average salary for each year of membership service, if the member's creditable service is thirty-one years or more regardless of age.

2. In lieu of the retirement allowance provided in subsection 1 of this section, a member whose age is sixty years or more on September 28, 1975, may elect to have the member's retirement allowance calculated as a sum of the following items:

(1) Sixty cents plus one and five-tenths percent of the member's final average salary for each year of membership service;

(2) Six-tenths of the amount payable for a year of membership service for each year of prior service not exceeding thirty years;

(3) Three-fourths of one percent of the sum of subdivisions (1) and (2) of this subsection for each month of attained age in excess of sixty years but not in excess of age sixty-five.

3. (1) In lieu of the retirement allowance provided either in subsection 1 or 2 of this section, collectively called "option 1", a member whose creditable service is twenty-five years or more or who has attained the age of fifty-five with five or more years of creditable service may elect in the member's application for retirement to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement with the provision that:

Option 2. Upon the member's death the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the retired member elected option 1;

OR

Option 3. Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 4. Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 5. Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the total of the remainder of such one hundred twenty monthly payments shall be paid to the estate of the last person to receive a monthly allowance. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum;

OR

Option 6. Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the total of the remainder of such sixty monthly payments shall be paid to the estate of the last person to receive a monthly allowance. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated to receive the survivorship payments dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after acquiring twenty-five or more years of creditable service or after attaining the age of fifty-five years and acquiring five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship benefits under option 2 or a payment of the accumulated contributions of the member. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section;

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either a payment of the member's accumulated contributions, or survivorship benefits

under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the member's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 or 2 of this section.

4. If the total of the retirement or disability allowance paid to an individual before the death of the individual is less than the accumulated contributions at the time of retirement, the difference shall be paid to the beneficiary of the individual, or to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) estate of the individual in that order of precedence. If an optional benefit as provided in option 2, 3 or 4 in subsection 3 of this section had been elected, and the beneficiary dies after receiving the optional benefit, and if the total retirement allowance paid to the retired individual and the beneficiary of the retired individual is less than the total of the contributions, the difference shall be paid to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

5. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the death of the member shall be paid to the beneficiary of the member or, if there is no beneficiary, to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) to the estate of the member in that order of precedence; except that, no such payment shall be made if the beneficiary elects option 2 in subsection 3 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that subsection shall be paid to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) estate of the beneficiary, in that order of precedence.

6. If a member ceases to be a public school employee as herein defined and certifies to the board of trustees that such cessation is permanent, or if the membership of the person is otherwise terminated, the member shall be paid the member's accumulated contributions with interest.

7. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, if a member ceases to be a public school employee after acquiring five or more years of membership service in Missouri, the member may at the option of the member leave the member's contributions with the retirement system and claim a retirement allowance any time after reaching the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.010 to 169.141 on the basis of the member's age, years of service, and the provisions of the law in effect at the time the member requests the member's retirement to become effective.

8. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty, or fifty percent of one-twelfth of the annual salary rate used in determining the member's contributions during the last school year for which the member received a year of creditable service immediately prior to the member's disability, whichever is greater, except that no such allowance shall exceed the retirement allowance to which the member would have been entitled upon retirement at age sixty if the member had continued to teach from the date of disability until age sixty at the same salary rate.

9. Notwithstanding any provisions of sections 169.010 to 169.141 to the contrary, from October 13, 1961, the contribution rate pursuant to sections 169.010 to 169.141 shall be multiplied by the factor of two-thirds for any member of the system for whom federal Old Age and Survivors Insurance tax is paid

from state or local tax funds on account of the member's employment entitling the person to membership in the system. The monetary benefits for a member who elected not to exercise an option to pay into the system a retroactive contribution of four percent on that part of the member's annual salary rate which was in excess of four thousand eight hundred dollars but not in excess of eight thousand four hundred dollars for each year of employment in a position covered by this system between July 1, 1957, and July 1, 1961, as provided in subsection 10 of this section as it appears in RSMo, 1969, shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, and prior to July 1, 1961, the benefits provided in this section as it appears in RSMo, 1959; except that if the member has at least thirty years of creditable service at retirement the member shall receive the benefit payable pursuant to that section as though the member's age were sixty-five at retirement;

(4) For years of membership service after July 1, 1961, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

10. The monetary benefits for each other member for whom federal Old Age and Survivors Insurance tax is or was paid at any time from state or local funds on account of the member's employment entitling the member to membership in the system shall be the sum of:

(1) For years of service prior to July 1, 1946, six-tenths of the full amount payable for years of membership service;

(2) For years of membership service after July 1, 1946, in which the full contribution rate was paid, full benefits under the formula in effect at the time of the member's retirement;

(3) For years of membership service after July 1, 1957, in which the two-thirds contribution rate was paid, two-thirds of the benefits under the formula in effect at the time of the member's retirement.

11. Any retired member of the system who was retired prior to September 1, 1972, or beneficiary receiving payments under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 1, 1972, will be eligible to receive an increase in the retirement allowance of the member of two percent for each year, or major fraction of more than one-half of a year, which the retired member has been retired prior to July 1, 1975. This increased amount shall be payable commencing with January, 1976, and shall thereafter be referred to as the member's retirement allowance. The increase provided for in this subsection shall not affect the retired member's eligibility for compensation provided for in section 169.580 or 169.585, nor shall the amount being paid pursuant to these sections be reduced because of any increases provided for in this section.

12. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases two percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by two percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board with the provision that the increases provided for in this subsection shall not become effective until the fourth January first following the member's retirement or January 1, 1977, whichever later occurs, or in the

case of any member retiring on or after July 1, 2000, the increase provided for in this subsection shall not become effective until the third January first following the member's retirement, or in the case of any member retiring on or after July 1, 2001, the increase provided for in this subsection shall not become effective until the second January first following the member's retirement. Commencing with January 1, 1992, if the board of trustees determines that the cost of living has increased five percent or more in the preceding fiscal year, the board shall increase the retirement allowances by five percent. The total of the increases granted to a retired member or the beneficiary after December 31, 1976, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other subsections. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

13. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 12 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; except that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1976.

14. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

15. Notwithstanding any other provision of law, any person retired prior to September 28, 1983, who is receiving a reduced retirement allowance under option 1 or option 2 of subsection 3 of this section, as such option existed prior to September 28, 1983, and whose beneficiary nominated to receive continued retirement allowance payments under the elected option dies or has died, shall upon application to the board of trustees have his or her retirement allowance increased to the amount he or she would have been receiving had the option not been elected, actuarially adjusted to recognize any excessive benefits which would have been paid to him or her up to the time of application.

16. Benefits paid pursuant to the provisions of the public school retirement system of Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code except as provided pursuant to this subsection. Notwithstanding any other law to the contrary, the board of trustees may establish a benefit plan pursuant to Section 415(m) of Title 26 of the United States Code. Such plan shall be created solely for the purpose described in Section 415(m)(3)(A) of Title 26 of the United States Code. The board of trustees may promulgate regulations necessary to implement the provisions of this subsection and to create and administer such benefit plan.

17. Notwithstanding any other provision of law to the contrary, any person retired before, on, or after May 26, 1994, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties the person shall receive an amount based on the person's years of service so that the total amount received pursuant to sections 169.010 to 169.141 shall be at least the minimum amounts specified in subdivisions (1) to (4) of this subsection. In determining the minimum amount to be received, the amounts in subdivisions (3) and (4) of this subsection shall be adjusted in accordance with the actuarial adjustment, if any, that was applied to the person's

retirement allowance. In determining the minimum amount to be received, beginning September 1, 1996, the amounts in subdivisions (1) and (2) of this subsection shall be adjusted in accordance with the actuarial adjustment, if any, that was applied to the person's retirement allowance due to election of an optional form of retirement having a continued monthly payment after the person's death. Notwithstanding any other provision of law to the contrary, no person retired before, on, or after May 26, 1994, and no beneficiary of such a person, shall receive a retirement benefit pursuant to sections 169.010 to 169.141 based on the person's years of service less than the following amounts:

- (1) Thirty or more years of service, one thousand two hundred dollars;
- (2) At least twenty-five years but less than thirty years, one thousand dollars;
- (3) At least twenty years but less than twenty-five years, eight hundred dollars;
- (4) At least fifteen years but less than twenty years, six hundred dollars.

18. Notwithstanding any other provisions of law to the contrary, any person retired prior to May 26, 1994, and any designated beneficiary of such a retired member who was deceased prior to July 1, 1999, shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement or aging and upon request shall give written or oral opinions to the board in response to such requests. Beginning September 1, 1996, as compensation for such service, the member shall have added, pursuant to this subsection, to the member's monthly annuity as provided by this section a dollar amount equal to the lesser of sixty dollars or the product of two dollars multiplied by the member's number of years of creditable service. Beginning September 1, 1999, the designated beneficiary of the deceased member shall as compensation for such service have added, pursuant to this subsection, to the monthly annuity as provided by this section a dollar amount equal to the lesser of sixty dollars or the product of two dollars multiplied by the member's number of years of creditable service. The total compensation provided by this section including the compensation provided by this subsection shall be used in calculating any future cost-of-living adjustments provided by subsection 12 of this section.

19. Any member who has retired prior to July 1, 1998, and the designated beneficiary of a deceased retired member shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging, and upon request shall give written or oral opinions to the board in response to such requests. 2. If the board of trustees determines that the cost of living, as measured by generally accepted standards, increases five percent or more in the preceding fiscal year, the board shall increase the retirement allowances which the retired members or beneficiaries are receiving by five percent of the amount being received by the retired member or the beneficiary at the time the annual increase is granted by the board; provided that, the increase provided in this subsection shall not become effective until the fourth January first following a member's retirement or January 1, 1982, whichever occurs later, and the total of the increases granted to a retired member or the beneficiary after December 31, 1981, may not exceed eighty percent of the retirement allowance established at retirement or as previously adjusted by other provisions of law. If the cost of living increases less than five percent, the board of trustees may determine the percentage of increase to be made in retirement allowances, but at no time can the increase exceed five percent per year. If the cost of living decreases in a fiscal year, there will be no increase in allowances for retired members on the following January first.

3. The board of trustees may reduce the amounts which have been granted as increases to a member pursuant to subsection 2 of this section if the cost of living, as determined by the board and as measured by generally accepted standards, is less than the cost of living was at the time of the first increase granted to the member; provided that, the reductions shall not exceed the amount of increases which have been made to the member's allowance after December 31, 1981.

4. (1) In lieu of the retirement allowance provided in subsection 1 of this section, called "option 1", a member whose creditable service is twenty-five years or more or who has attained age fifty-five with five or more years of creditable service may elect, in the application for retirement, to receive the actuarial equivalent of the member's retirement allowance in reduced monthly payments for life during retirement

with the provision that:

Option 2. Upon the member's death, the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member as the member shall have nominated in the member's election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 3. Upon the death of the member three-fourths of the reduced retirement allowance shall be continued throughout the life of and paid to such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance will be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 4. Upon the death of the member one-half of the reduced retirement allowance shall be continued throughout the life of, and paid to, such person as has an insurable interest in the life of the member and as the member shall have nominated in an election of the option, and provided further that if the person so nominated dies before the retired member, the retirement allowance shall be increased to the amount the retired member would be receiving had the member elected option 1;

OR

Option 5. Upon the death of the member prior to the member having received one hundred twenty monthly payments of the member's reduced allowance, the remainder of the one hundred twenty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the one hundred twenty monthly payments, the reserve for the remainder of such one hundred twenty monthly payments shall be paid to the estate of the last person to receive a monthly allowance. If the total of the one hundred twenty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum;

OR

Option 6. Upon the death of the member prior to the member having received sixty monthly payments of the member's reduced allowance, the remainder of the sixty monthly payments of the reduced allowance shall be paid to such beneficiary as the member shall have nominated in the member's election of the option or in a subsequent nomination. If there is no beneficiary so nominated who survives the member for the remainder of the sixty monthly payments, the reserve for the remainder of such sixty monthly payments shall be paid to the estate of the last person to receive a monthly allowance. If the total of the sixty payments paid to the retired individual and the beneficiary of the retired individual is less than the total of the member's accumulated contributions, the difference shall be paid to the beneficiary in a lump sum;

OR

Option 7. A plan of variable monthly benefit payments which provides, in conjunction with the member's retirement benefits under the federal Social Security laws, level or near-level retirement benefit

payments to the member for life during retirement, and if authorized, to an appropriate beneficiary designated by the member. Such a plan shall be actuarially equivalent to the retirement allowance under option 1 and shall be available for election only if established by the board of trustees under duly adopted rules.

(2) The election of an option may be made only in the application for retirement and such application must be filed prior to the date on which the retirement of the member is to be effective. If either the member or the person nominated dies before the effective date of retirement, the option shall not be effective, provided that:

(a) If the member or a person retired on disability retirement dies after attaining age fifty-five and acquiring five or more years of creditable service or after acquiring twenty-five or more years of creditable service and before retirement, except retirement with disability benefits, and the person named by the member as the member's beneficiary has an insurable interest in the life of the deceased member, the designated beneficiary may elect to receive either survivorship payments under option 2 or a payment of the member's accumulated contributions. If survivorship benefits under option 2 are elected and the member at the time of death would have been eligible to receive an actuarial equivalent of the member's retirement allowance, the designated beneficiary may further elect to defer the option 2 payments until the date the member would have been eligible to receive the retirement allowance provided in subsection 1 of this section.

(b) If the member or a person retired on disability retirement dies before attaining age fifty-five but after acquiring five but fewer than twenty-five years of creditable service, and the person named as the beneficiary has an insurable interest in the life of the deceased member or disability retiree, the designated beneficiary may elect to receive either a payment of the person's accumulated contributions or survivorship benefits under option 2 to begin on the date the member would first have been eligible to receive an actuarial equivalent of the person's retirement allowance, or to begin on the date the member would first have been eligible to receive the retirement allowance provided in subsection 1 of this section.

5. If the total of the retirement or disability allowances paid to an individual before the person's death is less than the person's accumulated contributions at the time of the person's retirement, the difference shall be paid to the person's beneficiary or, if there is no beneficiary, to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) person's estate in that order of precedence; provided, however, that if an optional benefit, as provided in option 2, 3 or 4 in subsection 4, had been elected and the beneficiary dies after receiving the optional benefit, then, if the total retirement allowances paid to the retired individual and the individual's beneficiary are less than the total of the contributions, the difference shall be paid to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) estate of the beneficiary, in that order of precedence, unless the retired individual designates a different recipient with the board at or after retirement.

6. If a member dies before receiving a retirement allowance, the member's accumulated contributions at the time of the member's death shall be paid to the member's beneficiary or, if there is no beneficiary, to the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) to the member's estate; provided, however, that no such payment shall be made if the beneficiary elects option 2 in subsection 4 of this section, unless the beneficiary dies before having received benefits pursuant to that subsection equal to the accumulated contributions of the member, in which case the amount of accumulated contributions in excess of the total benefits paid pursuant to that subsection shall be paid to

the (1) surviving spouse, (2) surviving children in equal shares, (3) surviving parents in equal shares, or (4) estate of the beneficiary, in that order of precedence.

7. If a member ceases to be an employee as defined in section 169.600 and certifies to the board of trustees that such cessation is permanent or if the person's membership is otherwise terminated, the person shall be paid the person's accumulated contributions with interest.

8. Notwithstanding any provisions of sections 169.600 to 169.715 to the contrary, if a member ceases to be an employee as defined in section 169.600 after acquiring five or more years of creditable service, the member may, at the option of the member, leave the member's contributions with the retirement system and claim a retirement allowance any time after the member reaches the minimum age for voluntary retirement. When the member's claim is presented to the board, the member shall be granted an allowance as provided in sections 169.600 to 169.715 on the basis of the member's age and years of service.

9. The retirement allowance of a member retired because of disability shall be nine-tenths of the allowance to which the member's creditable service would entitle the member if the member's age were sixty.

10. Notwithstanding any provisions of sections 169.600 to 169.715 to the contrary, any member who is a member prior to October 13, 1969, may elect to have the member's retirement allowance computed in accordance with sections 169.600 to 169.715 as they existed prior to October 13, 1969.

11. Any application for retirement shall include a sworn statement by the member certifying that the spouse of the member at the time the application was completed was aware of the application and the plan of retirement elected in the application.

12. Notwithstanding any other provision of law, any person retired prior to August 14, 1984, who is receiving a reduced retirement allowance under option 1 or 2 of subsection 4 of this section, as the option existed prior to August 14, 1984, and whose beneficiary nominated to receive continued retirement allowance payments under the elected option dies or has died, shall upon application to the board of trustees have the person's retirement allowance increased to the amount the person would have been receiving had the person not elected the option actuarially adjusted to recognize any excessive benefits which would have been paid to the person up to the time of the application.

13. Benefits paid pursuant to the provisions of the public education employee retirement system of Missouri shall not exceed the limitations of Section 415 of Title 26 of the United States Code, except as provided under this subsection. Notwithstanding any other law, the board of trustees may establish a benefit plan under Section 415(m) of Title 26 of the United States Code. Such plan shall be credited solely for the purpose described in Section 415(m)(3)(A) of Title 26 of the United States Code. The board of trustees may promulgate regulations necessary to implement the provisions of this subsection and to create and administer such benefit plan.

14. Any member who has retired prior to July 1, 1999, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. As compensation for such duties the person shall receive a payment equivalent to seven and four-tenths percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 2 and 3 of this section for the purposes of the limit on the total amount of increases which may be received.

15. Any member who has retired prior to July 1, 2000, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. As compensation for such duties the person shall receive a payment equivalent to three and four-tenths percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 2 and 3 of this section for the purposes of the limit on the total amount of increases which may be received.

16. Any member who has retired prior to July 1, 2001, and the designated beneficiary of a deceased retired member upon request shall be made, constituted, appointed and employed by the board as a special consultant on the matters of education, retirement and aging. As compensation for such duties the person shall receive a payment equivalent to seven and one-tenth percent of the previous month's benefit, which shall be added to the member's or beneficiary's monthly annuity and which shall not be subject to the provisions of subsections 2 and 3 of this section for the purposes of the limit on the total amount of increases which may be received.

17. Notwithstanding the provisions of subsection 7 of section 169.620 to the contrary, any member who has retired, attained the age of seventy-five and above, and received cost-of-living increases totaling eighty percent as provided in subsection 2 of this section prior to January 1, 2009, shall be made, constituted, and employed by the board as a special consultant on the matters of education, retirement, and aging, and upon request shall give written or oral opinions to the board in response to such requests. As compensation for such duties, beginning January 1, 2009, and through January 1, 2014, the member shall receive an amount equal to three dollars per month multiplied by years of service which shall be added to the member's monthly annuity.”; and

The sponsor's decision of approval or denial shall be made within ninety days of the filing of the proposed charter;
- (2) If the charter is denied, the proposed sponsor shall notify the applicant in writing as to the reasons for its denial and forward a copy to the state board of education within five business days following the denial;

"Dropout" shall be defined through the guidelines of the school core

data report. The provisions of this subsection do not apply to charters sponsored by the state board of education.

3. If a charter is approved by a sponsor, the charter application shall be submitted to the state board of education, along with a statement of finding that the application meets the requirements of sections 160.400 to 160.420 and section 167.439, RSMo, and a monitoring plan under which the charter sponsor will evaluate the academic performance of students enrolled in the charter school. The state board of education may, within sixty days, disapprove the granting of the charter. The state board of education may disapprove a charter on grounds that the application fails to meet the requirements of sections 160.400 to 160.420 and section 167.349, RSMo, or that a charter sponsor previously failed to meet the statutory responsibilities of a charter sponsor.

4. Any disapproval of a charter pursuant to subsection 3 of this section shall be subject to judicial review pursuant to chapter 536, RSMo.

5. A charter school shall, as provided in its charter:

A charter school that receives local educational agency status under subsection 6 of this section shall meet the requirements imposed by the Elementary and Secondary Education Act for audits of such agencies. For purposes of an audit by petition under section 29.230, RSMo, a charter school shall be treated as a political subdivision on the same terms and conditions as the school district in which it is located. No charter school will be considered in the Missouri school improvement program review of the district in which it is located for the resource or process standards of the program.

(b) For proposed high risk or alternative charter schools, sponsors shall approve performance measures based on mission, curriculum, teaching methods, and services. Sponsors shall also approve comprehensive academic and behavioral measures to determine whether students are meeting performance standards on a different time frame as specified in that school's charter. Student performance shall be assessed comprehensively to determine whether a high risk or alternative charter school has documented adequate student progress. Student performance shall be based on sponsor-approved comprehensive measures as well as standardized public school measures. Annual presentation of charter school report card data to the department of elementary and secondary education, the state board, and the public shall include comprehensive measures of student progress.

(c) Nothing in this [paragraph] **subdivision** shall be construed as permitting a charter school to be held to lower performance standards than other public schools within a district; however, the charter of a charter school may permit students to meet performance standards on a different time frame as specified in its charter;

(7) Assure that the needs of special education children are met in compliance with all applicable federal and state laws and regulations;

(8) Provide along with any request for review by the state board of education the following:

(a) Documentation that the applicant has provided a copy of the application to the school board of the district in which the charter school is to be located, except in those circumstances where the school district is the sponsor of the charter school; and

(b) A statement outlining the reasons for approval or disapproval by the sponsor, specifically addressing the requirements of sections 160.400 to 160.420 and 167.349, RSMo.

6. The charter of a charter school may be amended at the request of the governing body of the charter school and on the approval of the sponsor. The sponsor and the governing board and staff of the charter school shall jointly review the school's performance, management and operations at least once every two years or at any point where the operation or management of the charter school is changed or transferred to another entity, either public or private. The governing board of a charter school may amend the charter, if the sponsor approves such amendment, or the sponsor and the governing board may reach an agreement in writing to reflect the charter school's decision to become a local educational agency [for the sole purpose of seeking direct access to federal grants]. In such case the sponsor shall give the department of elementary and secondary education written notice no later than March first of any year, with the agreement to become effective July first. The department may waive the March first notice date in its discretion. The department shall identify and furnish a list of its regulations that pertain to local educational agencies to such schools within thirty days of receiving such notice.

7. (1) A sponsor may revoke a charter at any time if the charter school commits a serious breach of one

or more provisions of its charter or on any of the following grounds: failure to meet academic performance standards as set forth in its charter, failure to meet generally accepted standards of fiscal management, failure to provide information necessary to confirm compliance with all provisions of the charter and sections 160.400 to 160.420 and 167.349, RSMo, within forty-five days following receipt of written notice requesting such information, or violation of law.

(2) The sponsor may place the charter school on probationary status to allow the implementation of a remedial plan, which may require a change of methodology, a change in leadership, or both, after which, if such plan is unsuccessful, the charter may be revoked.

(3) At least sixty days before acting to revoke a charter, the sponsor shall notify the governing board of the charter school of the proposed action in writing. The notice shall state the grounds for the proposed action. The school's governing board may request in writing a hearing before the sponsor within two weeks of receiving the notice.

(4) The sponsor of a charter school shall establish procedures to conduct administrative hearings upon determination by the sponsor that grounds exist to revoke a charter. Final decisions of a sponsor from hearings conducted pursuant to this subsection are subject to judicial review pursuant to chapter 536, RSMo.

(5) A termination shall be effective only at the conclusion of the school year, unless the sponsor determines that continued operation of the school presents a clear and immediate threat to the health and safety of the children.

(6) A charter sponsor shall make available the school accountability report card information as provided under section 160.522 and the results of the academic monitoring required under subsection 3 of this section.

8. A sponsor shall take all reasonable steps necessary to confirm that each charter school sponsored by such sponsor is in material compliance and remains in material compliance with all material provisions of the charter and sections 160.400 to 160.420 and 167.349, RSMo. Every charter school shall provide all information necessary to confirm ongoing compliance with all provisions of its charter and sections 160.400 to 160.420 and 167.349, RSMo, in a timely manner to its sponsor.

9. A school district may enter into a lease with a charter school for physical facilities.

10. A governing board or a school district employee who has control over personnel actions shall not take unlawful reprisal against another employee at the school district because the employee is directly or indirectly involved in an application to establish a charter school. A governing board or a school district employee shall not take unlawful reprisal against an educational program of the school or the school district because an application to establish a charter school proposes the conversion of all or a portion of the educational program to a charter school. As used in this subsection, "unlawful reprisal" means an action that is taken by a governing board or a school district employee as a direct result of a lawful application to establish a charter school and that is adverse to another employee or an educational program.

11. Charter school board members shall be subject to the same liability for acts while in office as if they were regularly and duly elected members of school boards in any other public school district in this state. The governing board of a charter school may participate, to the same extent as a school board, in the Missouri public entity risk management fund in the manner provided under sections 537.700 to 537.756, RSMo.

12. Any entity, either public or private, operating, administering, or otherwise managing a charter school shall be considered a quasi-public governmental body and subject to the provisions of sections 610.010 to 610.035, RSMo.

13. The chief financial officer of a charter school shall maintain a surety bond in an amount determined by the sponsor to be adequate based on the cash flow of the school.

160.410. 1. A charter school shall enroll:

(1) All pupils resident in the district in which it operates;

(2) Nonresident pupils eligible to attend a district's school under an urban voluntary transfer program; [and]

(3) In the case of a charter school whose mission includes student drop-out prevention or recovery, a nonresident pupil from the same or an adjacent county who submits a timely application; and

(4) In the case of a workplace charter school, any student eligible to attend under subdivision (1) or (2) of this subsection whose parent is employed in the business district, who submits a timely application, unless the number of applications exceeds the capacity of a program, class, grade level or building. The configuration of a business district shall be set forth in the charter and shall not be construed to create an undue advantage for a single employer or small number of employers.

2. If capacity is insufficient to enroll all pupils who submit a timely application, the charter school shall have an admissions process that assures all applicants of an equal chance of gaining admission except that:

(1) A charter school may establish a geographical area around the school whose residents will receive a preference for enrolling in the school, provided that such preferences do not result in the establishment of racially or socioeconomically isolated schools and provided such preferences conform to policies and guidelines established by the state board of education; [and]

(2) A charter school may also give a preference for admission of children whose siblings attend the school or whose parents are employed at the school or in the case of a workplace charter school, a child whose parent is employed in the business district or at the business site of such school; **and**

(3) A charter school whose mission includes student drop-out prevention or recovery as described in subdivision (3) of subsection 1 of this section shall give preference for admission to resident pupils over nonresident pupils.

3. A charter school shall not limit admission based on race, ethnicity, national origin, disability, gender, income level, proficiency in the English language or athletic ability, but may limit admission to pupils within a given age group or grade level.

4. The department of elementary and secondary education shall commission a study of the performance of students at each charter school in comparison with [a comparable] **an equivalent group of district students representing an equivalent demographic and geographic population** and a study of the impact of charter schools upon **the constituents they serve in** the districts in which they are located, to be conducted by a contractor selected through a request for proposal. **The department of elementary and secondary education shall coordinate the request for proposal process in conjunction with individuals representing charter public schools and the districts in which the charter schools are located.** The department of elementary and secondary education shall reimburse the contractor from funds appropriated

by the general assembly for the purpose. The study of a charter school's student performance in relation to a comparable group shall be designed to provide information that would allow parents and educators to make valid comparisons of academic performance between the charter school's students and [a] **an equivalent group of district students** [comparable to the students enrolled in the charter school] **representing an equivalent demographic and geographic population. The student performance assessment and comparison shall include, but may not be limited to as prescribed by the request for proposal: Missouri Assessment Program test performance and aggregate growth over several years; student reenrollment rates; educator, parent, and student satisfaction data; graduation rates in secondary programs; and performance of students enrolled in the same public school for three or more consecutive years.** The impact study shall be undertaken every two years to determine the [effect] **impact** of charter schools on [education stakeholders] **the constituents they serve** in the districts where charter schools are operated. The impact study [may] **shall** include, but is not limited to, determining if changes have been made in district policy or procedures attributable to the charter school and to perceived changes in attitudes and expectations on the part of district personnel, school board members, parents, students, the business community and other education stakeholders. The department of elementary and secondary education shall make the results of the studies public and shall deliver copies to the governing boards of the charter schools, the sponsors of the charter schools, the school board and superintendent of the districts in which the charter schools are operated.

5. A charter school shall make available for public inspection, and provide upon request, to the parent, guardian, or other custodian of any school-age pupil resident in the district in which the school is located the following information:

- (1) The school's charter;
- (2) The school's most recent annual report card published according to section 160.522; and
- (3) The results of background checks on the charter school's board members.

The charter school may charge reasonable fees, not to exceed the rate specified in section 610.026, RSMo, for furnishing copies of documents under this subsection.”; and

Further amend the title and enacting clause accordingly.

Senator Smith moved that the above amendment be adopted, which motion failed.

Senator Bray offered **SA 15**:

“160.950. 1. There is hereby created in the state treasury the “The Persistence to Graduation Fund”, which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the administration of this section. Any moneys remaining in the fund at the end of the biennium shall revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund. The fund shall be administered by the department of elementary and

secondary education.

2. The department of elementary and secondary education shall establish a procedure whereby seven-director, urban, and metropolitan school districts may apply for grant awards from the Persistence to Graduation Fund in order for such districts to implement drop-out prevention strategies. Successful applicants under this section shall be awarded grants for one to five consecutive years. Upon expiration of the initial grant, the district may reapply for an extension of the grant award for a period of time deemed appropriate by both the district and the department. The department of elementary and secondary education shall give preference to school districts that propose a holistic approach to drop-out prevention, directed at a broad array of students, from the pre-kindergarten level through early adulthood, including the following characteristics:

(1) A collaborative approach between the school district and various community organizations, including non-profit organizations, local governmental organizations, law enforcement agencies, “approved public institutions” and “approved private institutions” as such terms are defined in section 173.1102, RSMo, and institutions able to deliver proven, research-based intervention services;

(2) Early intervention strategies, including family engagement, early childhood education, early literacy development, family literacy, and mental health detection and treatment;

(3) Increased accountability measures that track at-risk students that leave the district;

(4) The implementation or augmentation of the following basic core strategies for drop-out prevention:

(a) Mentoring;

(2) The district is classified as unaccredited, provisionally accredited, or interim accredited by the state board of education;

(3) The district obtained a score on its most recent annual performance review consistent with the classification of provisionally accredited or unaccredited.

4. The department of elementary and secondary education shall promulgate rules, no later than January 15, 2009, for the implementation of this section, including:

(1) A procedure by which funds shall be allocated to the applying school districts; and

(2) A means to judge the effectiveness of the drop-out prevention programs of the districts that receive grants under this program.

Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

5. The department of elementary and secondary education may cease award payments to any district at any time if the department determines that such funds are being misused or if the district's drop-out prevention program is deemed to be ineffectual. Any decision to discontinue payments of such funds shall be presented to the applicable district in writing at least thirty days prior to the cessation of fund payments.

6. The department of elementary and secondary education shall report to the general assembly and to the governor, no later than January fifteenth annually:

(1) The recipients and amounts of the grants awarded under this section; and

(2) The persistence to graduation data from the preceding five years for each district awarded grants under this section.

7. The general assembly shall annually appropriate an amount sufficient to properly fund the provisions of this section, which shall be a minimum of five million dollars in any fiscal year.

8. Pursuant to section 23.253, RSMo, of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall sunset automatically six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall sunset automatically twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.”; and

must be teaching; sixty contact hours as a substitute teacher, with at least thirty consecutive hours in the same classroom; sixty contact hours of teaching in a private school; or sixty contact hours of teaching as a paraprofessional, for an initial four-year ABCTE certificate of license to teach, except that such certificate shall not be granted for the areas of early childhood education, elementary education, or special education. (a) Completion of thirty contact hours of professional development within four years, which may include hours spent in class in an appropriate college curriculum;

3. Certificates of license to teach in the public schools of the state shall be based upon minimum requirements prescribed by the state board of education. The state board shall provide for the following levels of professional certification: an initial professional certificate and a career continuous professional certificate.

(1) The initial professional certificate shall be issued upon completion of requirements established by the state board of education and shall be valid based upon verification of actual teaching within a specified time period established by the state board of education. (b) The career continuous professional certificate shall be continuous based upon verification of actual employment in an educational position as provided for in state board guidelines and completion of fifteen contact hours of professional development per year which may include hours spent in class in an appropriate college curriculum. Should the possessor of a valid career continuous professional certificate fail, in any given year, to meet the fifteen-hour professional development requirement, the possessor may, within two years, make up the missing hours. In order to make up for missing hours, the possessor shall first complete the fifteen-hour requirement for the current year and then may count hours in excess of the current year requirement as make-up hours. Should the possessor fail to make up the missing hours within two years, the certificate shall become inactive. In order to reactivate the certificate, the possessor shall complete twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate. - b. Possesses a master's degree; or
- c. Obtains a rigorous national certification as approved by the state board of education.

4. Policies and procedures shall be established by which a teacher who was not retained due to a reduction in force may retain the current level of certification. 5. The state board shall, upon an appropriate background check, issue a professional certificate classification in the areas most closely aligned with an applicant's current areas of certification, commensurate with the years of teaching experience of the applicant, to any person who is hired to teach in a public school in this state and who possesses a valid teaching certificate from another state, provided that the certificate holder shall annually complete the state board's requirements for such level of certification, and shall establish policies by which residents of states other than the state of Missouri may be assessed a fee for a certificate license to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to recover any or all costs associated with the issuing of a certificate of license to teach.

6. The state board may assess to holders of an initial professional certificate a fee, to be deposited into the excellence in education revolving fund established pursuant to section 160.268, RSMo, for the issuance of the career continuous professional certificate. However, such fee shall not exceed the combined costs of issuance and any criminal background check required as a condition of issuance. **Applicants for the initial**

There shall also be established policies and procedures allowing a teacher who has not been employed in an educational position for three years or more to reactivate his or her last level of certification by completing twenty-four contact hours of professional development which may include hours spent in the classroom in an appropriate college curriculum within the six months prior to or after reactivating his or her certificate.

5. The state board shall, upon an appropriate background check, issue a professional certificate classification in the areas most closely aligned with an applicant's current areas of certification, commensurate with the years of teaching experience of the applicant, to any person who is hired to teach in a public school in this state and who possesses a valid teaching certificate from another state, provided that the certificate holder shall annually complete the state board's requirements for such level of certification, and shall establish policies by which residents of states other than the state of Missouri may be assessed a fee for a certificate license to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to recover any or all costs associated with the issuing of a certificate of license to teach.

6. The state board may assess to holders of an initial professional certificate a fee, to be deposited into the excellence in education revolving fund established pursuant to section 160.268, RSMo, for the issuance of the career continuous professional certificate. However, such fee shall not exceed the combined costs of issuance and any criminal background check required as a condition of issuance. **Applicants for the initial ABCTE certificate shall be responsible for any fees associated with the program leading to the issuance of the certificate, but nothing in this section shall prohibit a district from developing a policy that permits fee reimbursement.**

7. Any member of the public school retirement system of Missouri who entered covered employment with ten or more years of educational experience in another state or states and held a certificate issued by another state and subsequently worked in a school district covered by the public school retirement system of Missouri for ten or more years who later became certificated in Missouri shall have that certificate dated back to his or her original date of employment in a Missouri public school.

8. The provisions of subdivision (4) of subsection 1 of this section, as well as any other provision of this section relating to the American Board for Certification of Teacher Excellence, shall terminate on August 28, 2014.]”; and

SENATE AMENDMENT NO. 17

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1722, Page 13, Section 160.261, Line 7 of said page, by inserting immediately after all of said line the following:

“160.405. 1. A person, group or organization seeking to establish a charter school shall submit the proposed charter, as provided in this section, to a sponsor. If the sponsor is not a school board, the applicant shall give a copy of its application to the school board of the district in which the charter school is to be located and to the state board of education, within five business days of the date the application is filed with the proposed sponsor. The school board may file objections with the proposed sponsor, and, if a charter is granted, the school board may file objections with the state board of education. The charter shall include a mission statement for the charter school, a description of the charter school's organizational structure and bylaws of the governing body, which will be responsible for the policy and operational decisions of the charter school, a financial plan for the first three years of operation of the charter school including provisions for annual audits, a description of the charter school's policy for securing personnel services, its personnel policies, personnel qualifications, and professional development plan, a description of the grades or ages of students being served, the school's calendar of operation, which shall include at least the equivalent of a full school term as defined in section 160.011, and an outline of criteria specified in this section designed to measure the effectiveness of the school. The charter shall also state:

- (1) The educational goals and objectives to be achieved by the charter school;
- (2) A description of the charter school's educational program and curriculum;

(3) The term of the charter, which shall be not less than five years, nor greater than ten years and shall be renewable;

(4) A description of the charter school's pupil performance standards, which must meet the requirements of subdivision (6) of subsection 5 of this section. The charter school program must be designed to enable each pupil to achieve such standards;

(5) A description of the governance and operation of the charter school, including the nature and extent of parental, professional educator, and community involvement in the governance and operation of the charter school; and

(6) A description of the charter school's policies on student discipline and student admission, which shall include a statement, where applicable, of the validity of attendance of students who do not reside in the district but who may be eligible to attend under the terms of judicial settlements.

2. Proposed charters shall be subject to the following requirements:

(1) A charter may be approved when the sponsor determines that the requirements of this section are met and determines that the applicant is sufficiently qualified to operate a charter school. The sponsor's decision of approval or denial shall be made within ninety days of the filing of the proposed charter;

(2) If the charter is denied, the proposed sponsor shall notify the applicant in writing as to the reasons for its denial and forward a copy to the state board of education within five business days following the denial;

(3) If a proposed charter is denied by a sponsor, the proposed charter may be submitted to the state board of education, along with the sponsor's written reasons for its denial. If the state board determines that the applicant meets the requirements of this section, that the applicant is sufficiently qualified to operate the charter school, and that granting a charter to the applicant would be likely to provide educational benefit to the children of the district, the state board may grant a charter and act as sponsor of the charter school. The state board shall review the proposed charter and make a determination of whether to deny or grant the proposed charter within sixty days of receipt of the proposed charter, provided that any charter to be considered by the state board of education under this subdivision shall be submitted no later than March first prior to the school year in which the charter school intends to begin operations. The state board of education shall notify the applicant in writing as the reasons for its denial, if applicable; and

(4) The sponsor of a charter school shall give priority to charter school applicants that propose a school oriented to high-risk students and to the reentry of dropouts into the school system. If a sponsor grants three or more charters, at least one-third of the charters granted by the sponsor shall be to schools that actively recruit dropouts or high-risk students as their student body and address the needs of dropouts or high-risk students through their proposed mission, curriculum, teaching methods, and services. For purposes of this subsection, a "high-risk" student is one who is at least one year behind in satisfactory completion of course work or obtaining credits for graduation, pregnant or a parent, homeless or has been homeless sometime within the preceding six months, has limited English proficiency, has been suspended from school three or more times, is eligible for free or reduced-price school lunch, or has been referred by the school district for enrollment in an alternative program. "Dropout" shall be defined through the guidelines of the school core data report. The provisions of this subsection do not apply to charters sponsored by the state board of education.

3. If a charter is approved by a sponsor, the charter application shall be submitted to the state board of

education, along with a statement of finding that the application meets the requirements of sections 160.400 to 160.420 and section 167.439, RSMo, and a monitoring plan under which the charter sponsor will evaluate the academic performance of students enrolled in the charter school. The state board of education may, within sixty days, disapprove the granting of the charter. The state board of education may disapprove a charter on grounds that the application fails to meet the requirements of sections 160.400 to 160.420 and section 167.349, RSMo, or that a charter sponsor previously failed to meet the statutory responsibilities of a charter sponsor.

4. Any disapproval of a charter pursuant to subsection 3 of this section shall be subject to judicial review pursuant to chapter 536, RSMo.

5. A charter school shall, as provided in its charter:

(1) Be nonsectarian in its programs, admission policies, employment practices, and all other operations;

(2) Comply with laws and regulations of the state, county, or city relating to health, safety, and state minimum educational standards, as specified by the state board of education, including the requirements relating to student discipline under sections 160.261, 167.161, 167.164, and 167.171, RSMo, notification of criminal conduct to law enforcement authorities under sections 167.115 to 167.117, RSMo, academic assessment under section 160.518, transmittal of school records under section 167.020, RSMo, and the minimum number of school days and hours required under section 160.041;

(3) Except as provided in sections 160.400 to 160.420, be exempt from all laws and rules relating to schools, governing boards and school districts;

(4) Be financially accountable, use practices consistent with the Missouri financial accounting manual, provide for an annual audit by a certified public accountant, publish audit reports and annual financial reports as provided in chapter 165, RSMo, provided that the annual financial report may be published on the department of elementary and secondary education's Internet web site in addition to other publishing requirements, and provide liability insurance to indemnify the school, its board, staff and teachers against tort claims. A charter school that receives local educational agency status under subsection 6 of this section shall meet the requirements imposed by the Elementary and Secondary Education Act for audits of such agencies. For purposes of an audit by petition under section 29.230, RSMo, a charter school shall be treated as a political subdivision on the same terms and conditions as the school district in which it is located. For the purposes of securing such insurance, a charter school shall be eligible for the Missouri public entity risk management fund pursuant to section 537.700, RSMo. A charter school that incurs debt must include a repayment plan in its financial plan;

(5) Provide a comprehensive program of instruction for at least one grade or age group from kindergarten through grade twelve, which may include early childhood education if funding for such programs is established by statute, as specified in its charter;

(6) (a) Design a method to measure pupil progress toward the pupil academic standards adopted by the state board of education pursuant to section 160.514, collect baseline data during at least the first three years for determining how the charter school is performing and to the extent applicable, participate in the statewide system of assessments, comprised of the essential skills tests and the nationally standardized norm-referenced achievement tests, as designated by the state board pursuant to section 160.518, complete and distribute an annual report card as prescribed in section 160.522, which shall also include a statement that background checks have been completed on the charter school's board members, report to its sponsor,

the local school district, and the state board of education as to its teaching methods and any educational innovations and the results thereof, and provide data required for the study of charter schools pursuant to subsection 4 of section 160.410. No charter school will be considered in the Missouri school improvement program review of the district in which it is located for the resource or process standards of the program.

(b) For proposed high risk or alternative charter schools, sponsors shall approve performance measures based on mission, curriculum, teaching methods, and services. Sponsors shall also approve comprehensive academic and behavioral measures to determine whether students are meeting performance standards on a different time frame as specified in that school's charter. Student performance shall be assessed comprehensively to determine whether a high risk or alternative charter school has documented adequate student progress. Student performance shall be based on sponsor-approved comprehensive measures as well as standardized public school measures. Annual presentation of charter school report card data to the department of elementary and secondary education, the state board, and the public shall include comprehensive measures of student progress.

(c) Nothing in this paragraph shall be construed as permitting a charter school to be held to lower performance standards than other public schools within a district; however, the charter of a charter school may permit students to meet performance standards on a different time frame as specified in its charter;

(7) Assure that the needs of special education children are met in compliance with all applicable federal and state laws and regulations;

(8) Provide along with any request for review by the state board of education the following:

(a) Documentation that the applicant has provided a copy of the application to the school board of the district in which the charter school is to be located, except in those circumstances where the school district is the sponsor of the charter school; and

(b) A statement outlining the reasons for approval or disapproval by the sponsor, specifically addressing the requirements of sections 160.400 to 160.420 and 167.349, RSMo.

6. The charter of a charter school may be amended at the request of the governing body of the charter school and on the approval of the sponsor. The sponsor and the governing board and staff of the charter school shall jointly review the school's performance, management and operations at least once every two years or at any point where the operation or management of the charter school is changed or transferred to another entity, either public or private. The governing board of a charter school may amend the charter, if the sponsor approves such amendment, or the sponsor and the governing board may reach an agreement in writing to reflect the charter school's decision to become a local educational agency for the sole purpose of seeking direct access to federal grants. In such case the sponsor shall give the department of elementary and secondary education written notice no later than March first of any year, with the agreement to become effective July first. The department may waive the March first notice date in its discretion. The department shall identify and furnish a list of its regulations that pertain to local educational agencies to such schools within thirty days of receiving such notice.

7. (1) A sponsor may revoke a charter at any time if the charter school commits a serious breach of one or more provisions of its charter or on any of the following grounds: failure to meet academic performance standards as set forth in its charter, failure to meet generally accepted standards of fiscal management, failure to provide information necessary to confirm compliance with all provisions of the charter and sections 160.400 to 160.420 and 167.349, RSMo, within forty-five days following receipt of written notice

requesting such information, or violation of law.

(2) The sponsor may place the charter school on probationary status to allow the implementation of a remedial plan, which may require a change of methodology, a change in leadership, or both, after which, if such plan is unsuccessful, the charter may be revoked.

(3) At least sixty days before acting to revoke a charter, the sponsor shall notify the governing board of the charter school of the proposed action in writing. The notice shall state the grounds for the proposed action. The school's governing board may request in writing a hearing before the sponsor within two weeks of receiving the notice.

(4) The sponsor of a charter school shall establish procedures to conduct administrative hearings upon determination by the sponsor that grounds exist to revoke a charter. Final decisions of a sponsor from hearings conducted pursuant to this subsection are subject to judicial review pursuant to chapter 536, RSMo.

(5) A termination shall be effective only at the conclusion of the school year, unless the sponsor determines that continued operation of the school presents a clear and immediate threat to the health and safety of the children.

(6) A charter sponsor shall make available the school accountability report card information as provided under section 160.522 and the results of the academic monitoring required under subsection 3 of this section.

(7) Any charter school that attains a score on its annual performance review consistent with the classification of unaccredited shall be classified as unaccredited by the state board of education within sixty days of the publication of the annual performance review data. Any charter school classified as unaccredited by the state board of education for two successive school years shall have their charter revoked on June thirtieth of the second full school year of such unaccredited classification after the school year during which the unaccredited classification is initially assigned.

8. A sponsor shall take all reasonable steps necessary to confirm that each charter school sponsored by such sponsor is in material compliance and remains in material compliance with all material provisions of the charter and sections 160.400 to 160.420 and 167.349, RSMo. Every charter school shall provide all information necessary to confirm ongoing compliance with all provisions of its charter and sections 160.400 to 160.420 and 167.349, RSMo, in a timely manner to its sponsor.

9. A school district may enter into a lease with a charter school for physical facilities.

10. A governing board or a school district employee who has control over personnel actions shall not take unlawful reprisal against another employee at the school district because the employee is directly or indirectly involved in an application to establish a charter school. A governing board or a school district employee shall not take unlawful reprisal against an educational program of the school or the school district because an application to establish a charter school proposes the conversion of all or a portion of the educational program to a charter school. As used in this subsection, "unlawful reprisal" means an action that is taken by a governing board or a school district employee as a direct result of a lawful application to establish a charter school and that is adverse to another employee or an educational program.

11. Charter school board members shall be subject to the same liability for acts while in office as if they were regularly and duly elected members of school boards in any other public school district in this state. The governing board of a charter school may participate, to the same extent as a school board, in the

Missouri public entity risk management fund in the manner provided under sections 537.700 to 537.756, RSMo.

12. Any entity, either public or private, operating, administering, or otherwise managing a charter school shall be considered a quasi-public governmental body and subject to the provisions of sections 610.010 to 610.035, RSMo.

13. The chief financial officer of a charter school shall maintain a surety bond in an amount determined by the sponsor to be adequate based on the cash flow of the school.”; and

Further amend the title and enacting clause accordingly.

This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.”; and

Expenses incurred by

an electrical corporation in association with the payment of any such damages shall not be recoverable, in any form at any time, from the rate payers of any such electrical corporation.

3. The commission's authority under subsection 1 of this section shall expire on August 28, 2009.”;

Further amend said bill, Pages 22 and 23, Section 393.275, Lines 1 to 40, by deleting all of said lines and inserting in lieu thereof the following:

“393.275. 1. The commission shall notify the governing body of each city or county imposing a business license tax pursuant to section 66.300, 92.045, 94.110, 94.270 or 94.360, RSMo, or a similar tax adopted pursuant to charter provisions in any constitutional charter city with a population of at least three hundred fifty thousand inhabitants which is located in more than one county, on gross receipts of any gas corporation, electric corporation, water corporation or sewer corporation of any tariff increases authorized for such firm doing business in that city or county if the approved increase exceeds seven percent. The commission shall include with such notice to any city or county the percentage increase approved for the utility, together with an estimate of the annual increase in gross receipts resulting from the tariff increase on customers residing in that city or county. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission.

2. The governing body of each city or county notified of a tariff increase as provided in subsection 1 of this section shall reduce the tax rate of its business license tax on the gross receipts of utility corporations. Within sixty days of the effective date of the tariff increase, the tax rate shall be reduced to the extent necessary so that revenue for the ensuing twelve months will be approximately equal to the revenue received during the preceding twelve months plus a growth factor. The growth factor shall be equal to the average of the additional revenue received in each of the preceding three years. However, a city or county may maintain the tax rate of its business license tax on the gross receipts of utility corporations without reduction if an ordinance to maintain the tax rate is enacted by the governing body of the city or an order to maintain the tax rate is issued by the governing body of the county after September 28, 1985. The provisions of this subsection shall not apply to rate adjustments in the purchase price of natural gas which are approved by the commission **and such purchased gas adjustment rates shall include the gas cost portion of net write-offs incurred by the gas corporation in providing service to system sales customers upon the filing and approval of new rate schedules applicable to such customers. Such rate schedules shall be designed to simultaneously decrease the gas corporation's base rates and increase its purchased gas adjustment rates by like amounts so as to reasonably ensure that the gas cost portion of the net write-offs applicable to such customers, as such portion is determined by the commission, is only being recovered once through the gas corporation's purchased gas adjustment rates. Increases and decreases in the gas cost portion of net write-offs shall thereafter be reflected in the gas corporation's purchased gas adjustment rates pursuant to tariff provisions approved by the commission provided, however, that such tariff provisions shall:**

(1) Limit increases or decreases in the gas cost portion of net write-offs as reflected in purchased gas adjustment rates to once each year;

(2) Require a true-up of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year; and

(3) Require commission review of the gas cost portion of net write-offs as reflected in purchased gas adjustment rates once each year to insure that the gas corporation is prudently pursuing

collection of amounts owed by its customers.

Based on its annual reviews of such collection efforts, the commission shall prepare and submit a report to the general assembly by December 1, 2011, comparing and describing any changes made or experienced in the collection practices, level of utility resources devoted to collection activities, amount and percentage of net write-offs incurred, and regulations affecting collection activities for the period beginning July 1, 2007, and ending July 1, 2011.”; and

8. (1) Prior to construction of a proposed facility an applicant may apply to the department for preliminary certification if the applicant will be the owner or contract purchaser of the facility at the time of construction.

(a) A statement that the applicant plans to construct a facility that meets the requirements under subsection 5 of this section;

(b) A detailed description of the proposed facility and its operation and information showing that the facility shall operate as represented in the application;

(4) If the director determines that the proposed construction is technically feasible and should operate in accordance with the representations made by the applicant, and is in accordance with the provisions under subsection 5 of this section and any applicable rules or standards adopted by the director, the director shall issue a preliminary credit certificate approving the construction of the facility. The preliminary credit certificate shall state the following:

9. (1) To change a project that has already received preliminary certification, the applicant shall file a written request to the director which states:

(a) A detailed description of the changes;

(b) The reasons for the changes; and

(c) The effects that the changes will have on the amount of tax credit stated by the preliminary certification.

(2) The director shall make the determination as to whether the changed project complies with

the requirements under subsection 5 of this section.

(a) If the changed project complies with the requirements under subsection 5 of this section, then the director shall issue an amended preliminary certification.

(b) If the changed project fails to comply with the requirements under subsection 5 of this section, then the director shall issue an order that revokes the preliminary certification.

10. (1) No final certification shall be issued by the director under this subsection unless the facility was constructed under a preliminary certificate of approval issued under subsection 8 of this section.

(2) An applicant may apply to the department for final certification of a facility:

(a) If the department issued preliminary certification for the facility under subsection 8 of this section; and

(b) After completion of construction of the proposed facility.

(3) An application for final certification shall be made in writing on a form prepared by the department and shall contain:

(a) A statement that the conditions of the preliminary certification have been complied with;

(b) An eligibility certificate from the project architect or professional engineer licensed to practice in the state of Missouri or from a LEED accredited professional that consists of a certification by either:

a. The Green Building Initiative that the building with respect to which the credit is claimed meets the requirements for a green globes rating; or

b. The United States Green Building Council that the building with respect to which the credit is claimed is LEED certified and that in achieving its LEED rating, the building has earned at least four LEED points for Energy and Atmosphere Credit Number One and the Energy and Atmosphere Credit Number Three;

(c) A statement of the level of Green Globes or LEED performance achieved by the building to permit determination of the proper credit amount under subsection 6 of this section;

(d) A statement that the facility is in operation; and

(e) Any other information determined by the director to be necessary prior to issuance of a final certificate, including inspection of the facility by the department.

11. (1) The director may order the revocation of the final certificate issued under subsection 10 of this section if the director finds that:

(a) The certification was obtained by fraud or misrepresentation; or

(b) The holder of the certificate has failed substantially to construct the facility in compliance with the plans, specification, and procedures in such certificate.

(2) As soon as the order of revocation under this subsection becomes final, the director shall notify the department of revenue of such order.

(3) If the certificate is ordered revoked under paragraph (a) of subdivision (1) of this subsection, all prior tax credits provided to the applicant by virtue of such certificate shall be forfeited, and upon

notification under subdivision (2) of this subsection, the department of revenue immediately shall proceed to collect those taxes not paid by the applicant as a result of the tax credits provided to the applicant under this section.

(4) If the certificate is ordered revoked under this subsection, the applicant shall be denied any tax credit under this section in connection with such facility after the date that the order of revocation becomes final.

12. Pursuant to section 23.253, RSMo, of the Missouri sunset act:

(1) The tax credit authorized under this section shall automatically sunset three years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

“491.725. 1. This section shall be known and may be cited as the “Children's Bill of Courtroom Rights”.

2. As used in this section, the following terms shall mean:

(1) “Child”, a person seventeen years of age or under who is a witness in any judicial proceeding under chapters 452 or 453, RSMo, or the alleged victim or witness in any judicial proceeding under chapters 455, 565, 566, or 568, RSMo. “Victim” or “witness” shall not include any child accused of committing a felony; however, these terms may, in the court's discretion, include:

(a) A child where such child's participation in a felony appears to have been induced, coerced, or unwilling; or

(b) A child who has participated in the felony, but who has subsequently and voluntarily agreed to testify on behalf of the state.

(2) “Comfort item”, a favorite toy, stuffed animal, blanket, or any other object whose presence helps the child calm himself or herself;

(3) “Support person”, an adult who is known to the child victim or witness and with whom the child feels comfortable, whose purpose will be to provide emotional support to the child and to promote the child's feelings of security and safety.

3. In order to facilitate testimony that is fair and accurate, and in order to protect children from confusing practices while testifying in court, the following children's bill of courtroom rights shall apply to all children testifying in court:

(1) A child victim or witness testifying at a judicial proceeding has the right to understand the oath which is being administered to such child. Whether at a competency hearing or trial itself, the judge shall ensure that any oath that is required of a child shall be administered in a developmentally appropriate manner;

(2) A child victim or witness testifying at a judicial proceeding has the right to understand all the questions asked of such child. Accordingly, the court shall take special care to ensure that questions are stated in a form which is appropriate to the age of the child. The court shall explain to the child that if he or she does not understand a question, the child has the right to say that he or she does not understand the question;

Accordingly, in the court's discretion, the taking of testimony may be limited in duration or limited to normal school hours. The court may order a recess when the energy, comfort, or attention span of the child warrants;

(4) A child victim or witness testifying at or attending a judicial proceeding has a right to a comfort item. The court, at its discretion, may place any reasonable limitations on the size or type of comfort item;

(5) A child victim or witness testifying at or attending a judicial proceeding has a right to the presence of a support person designated by the child victim or witness and approved by the court. The court, at its discretion, may allow the support person to remain in close physical proximity to or in contact with the child while the child testifies, provided such person shall not obscure the child from the view of the defendant or the trier of fact. A support person shall not provide the child with an answer to any question directed to the child during the course of the child's testimony or otherwise prompt the child. If the support person attempts to influence or affect in any manner the testimony of the child victim or witness during the giving of testimony or at any other time, the court shall exclude that support person and allow the child victim or witness to designate another attendant;

(6) A child victim or witness testifying at a judicial proceeding has a right to be questioned in a manner that is neither intimidating nor frightening. Accordingly, the attorneys shall ask questions or pose objections in a manner which is not intimidating to the child and shall not engage in conduct that a child may interpret as an angry confrontation. The court shall take every reasonable means necessary to prevent intimidation or harassment of the child by the parties or their attorneys. The judge may rephrase any question so that the child is not intimidated; and

(7) A child victim or witness testifying at a judicial proceeding has a right to be comfortable when testifying. Accordingly, upon its own motion or the motion of a party, the court may order such accommodations as are appropriate under the circumstances to ensure the comfort of the child victim or witness, including the following measures:

With House Amendments Nos. 1, 2 and 3.

HOUSE AMENDMENT NO. 1

“21.840. 1. There is established a joint committee of the general assembly to be known as the “Joint Committee on Preneed Funeral Contracts” to be composed of seven members of the senate and

seven members of the house of representatives. The senate members of the joint committee shall be appointed by the president pro tem and minority floor leader of the senate and the house members shall be appointed by the speaker and minority floor leader of the house of representatives. The appointment of each member shall continue during the member's term of office as a member of the general assembly or until a successor has been appointed to fill the member's place when his or her term of office as a member of the general assembly has expired. No party shall be represented by more than four members from the house of representatives nor more than four members from the senate. A majority of the committee shall constitute a quorum, but the concurrence of a majority of the members shall be required for the determination of any matter within the committee's duties.

2. The joint committee shall:

(1) Make a comprehensive study and analysis of the consumer and economic impact on the preneed funeral contract industry in the state of Missouri;

(2) Determine from its study and analysis the need for changes in statutory law; and

(4) Make any other recommendation to the general assembly relating to its findings.

3. The joint committee shall meet within thirty days after its creation and organize by selecting a chairperson and a vice chairperson, one of whom shall be a member of the senate and the other a member of the house of representatives.

The report shall be submitted not later than January 31, 2009, and shall include any recommendations which the committee may have for legislative action as well as any recommendations for administrative or procedural changes in the internal management or organization of state or local government agencies and departments. Copies of the report containing such recommendations shall be sent to the appropriate directors of state or local government agencies or departments included in the report.

8. The provisions of this section shall expire on January 31, 2009.”; and

Further amend said bill, Page13, Section148.330, Line 68 by inserting after said line the following:

“194.119. 1. As used in this section, the term “right of sepulcher” means the right to choose and control the burial, cremation, or other final disposition of a dead human body.

2. For purposes of this chapter and chapters 193, 333, and 436, RSMo, and in all cases relating to the custody, control, and disposition of deceased human remains, including the common law right of sepulcher, where not otherwise defined, the term “next-of-kin” means the following persons in the priority listed if such person is eighteen years of age or older, is mentally competent, and is willing to assume responsibility for the costs of disposition:

(1) An attorney in fact designated in a durable power of attorney wherein the deceased specifically granted the right of sepulcher over his or her body to such attorney in fact;

(2) The surviving spouse;

[(2)] (3) Any surviving child of the deceased. If a surviving child is less than eighteen years of age and has a legal or natural guardian, such child shall not be disqualified on the basis of the child's age and such child's legal or natural guardian, if any, shall be entitled to serve in the place of the child unless such child's legal or natural guardian was subject to an action in dissolution from the deceased. In such event the person or persons who may serve as next-of-kin shall serve in the order provided in subdivisions **[(3)] (4)** to (8) of this subsection;

[(3)] (4) (a) Any surviving parent of the deceased; or

(b) If the deceased is a minor, a surviving parent who has custody of the minor; or

(c) If the deceased is a minor and the deceased's parents have joint custody, the parent whose residence is the minor child's residence for purposes of mailing and education;

[(4)] (5) Any surviving sibling of the deceased;

[(5)] Any person designated by the deceased to act as next-of-kin pursuant to a valid designation of right of sepulcher as provided in subsection 8 of this section;]

(6) The next nearest surviving relative of the deceased by consanguinity or affinity;

(7) Any person or friend who assumes financial responsibility for the disposition of the deceased's remains if no next-of-kin assumes such responsibility;

(8) The county coroner or medical examiner; provided however that such assumption of responsibility shall not make the coroner, medical examiner, the county, or the state financially responsible for the cost of disposition.

3. The next-of-kin of the deceased shall be entitled to control the final disposition of the remains of any dead human being consistent with all applicable laws, including all applicable health codes.

4. A funeral director or establishment is entitled to rely on and act according to the lawful instructions of any person claiming to be the next-of-kin of the deceased; provided however, in any civil cause of action against a funeral director or establishment licensed pursuant to this chapter for actions taken regarding the funeral arrangements for a deceased person in the director's or establishment's care, the relative fault, if any, of such funeral director or establishment may be reduced if such actions are taken in reliance upon a person's claim to be the deceased person's next-of-kin.

5. Any person who desires to exercise the right of sepulcher and who has knowledge of an individual or individuals with a superior right to control disposition shall notify such individual or individuals prior to making final arrangements.

6. If an individual with a superior claim is personally served with written notice from a person with an inferior claim that such person desires to exercise the right of sepulcher and the individual so served does not object within forty-eight hours of receipt, such individual shall be deemed to have waived such right. An individual with a superior right may also waive such right at any time if such waiver is in writing and dated.

7. If there is more than one person in a class who are equal in priority and the funeral director has no knowledge of any objection by other members of such class, the funeral director or establishment shall be entitled to rely on and act according to the instructions of the first such person in the class to make arrangements; provided that such person assumes responsibility for the costs of disposition and no other person in such class provides written notice of his or her objection.

[8. Any person may designate an individual to be his or her closest next-of-kin, regardless of blood or marital relationship, by means of a written instrument that is signed, dated, and verified. Such designation of right of sepulcher shall be witnessed by two persons, and shall contain the names and last known address of each person entitled to be next-of-kin but for the execution of the designation of right of sepulcher and who are higher in priority than the person so designated.]

5. The applicant shall pass a test administered by the board on the laws and rules related to the practice of physical therapy in Missouri.

334.540. 1. The board shall issue a license to any physical therapist who [is licensed] **possesses an active license** in another jurisdiction and who has had no violations, suspensions or revocations of a license to practice physical therapy in any jurisdiction, provided that, such person is licensed in a jurisdiction whose

requirements are substantially equal to, or greater than, the requirements for licensure of physical therapists in Missouri at the time the applicant applies for licensure.

2. Every applicant for a license pursuant to this section, upon making application and showing the necessary qualifications as provided in subsection 1 of this section, shall be required to pay the same fee as the fee required to be paid by applicants who apply to take the examination before the board. Within the limits provided in this section, the board may negotiate reciprocal compacts with licensing boards of other states for the admission of licensed practitioners from Missouri in other states.

3. [Notwithstanding the provisions of subsections 1 and 2 of this section, the board shall not issue a license to any applicant who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia.

334.550. 1. An applicant who has not been previously examined in **this state or** another jurisdiction and meets the qualifications of subsection 1 of section 334.530, **or an applicant applying for reinstatement of an inactive license under a supervised active practice,** may pay a temporary license fee and submit an agreement-to-supervise form, which is signed by the applicant's supervising physical therapist, to the board and obtain without examination a nonrenewable temporary license. Such temporary licensee may only engage in the practice of physical therapy under the supervision of a licensed physical therapist. **The supervising physical therapist shall hold an unencumbered license to practice physical therapy in this state and shall provide the board proof of active clinical practice in this state for a minimum of one year prior to supervising a temporary licensee. The supervising physical therapist shall not be an immediate family member of the applicant.** The board shall define **immediate family member** and the scope of such supervision by rules and regulations. **The supervising physical therapist for the first-time examinee applicant shall submit to the board a signed notarized form prescribed by the board attesting that the applicant for temporary license shall begin employment at a location in this state within seven days of issuance of the temporary license. The supervising physical therapist shall notify the board within three days if the temporary licensee's employment ceases. A licensed physical therapist shall not supervise more than one temporary licensee.**

2. The temporary license **for the first-time examinee applicant** shall expire on [either] the date the applicant receives the results of the applicant's initial examination, **the date the applicant withdraws from sitting for the examination, the date the board is notified by the supervising physical therapist that the temporary licensee's employment has ceased,** or within ninety days of its issuance, whichever occurs first.

3. The temporary license for the reinstatement applicant under the supervised active practice shall expire effective one year from the date of issuance.

334.560. The board shall charge each person who applies for examination for a license to practice as a physical therapist an examination fee. Should the examination prove unsatisfactory and the board refuse to issue a license thereon, the applicant failing to pass the examination may reapply [and return to any meeting] and be examined upon payment of a reexamination fee[; but no temporary license may be issued to such persons].

334.570. 1. Every person licensed under sections 334.500 to 334.620 shall, on or before the registration renewal date, apply to the board for a certificate of registration for the ensuing licensing period. The application shall be made **under oath** on a form furnished to the applicant [and shall state] **by the board. 2. A [blank form] **notice** for application for registration shall be [mailed] **made available** to each person licensed in this state [at the person's last known address of practice or residence]. The failure to [mail the form of application or the failure to receive it] **receive the notice** does not, however, relieve any person of the duty to register and pay the fee required by sections 334.500 to 334.620 nor exempt such person from the penalties provided by sections 334.500 to 334.620 for failure to register.

3. If a physical therapist does not renew such license for two consecutive renewal periods, such license shall be deemed void.

4. Each applicant for registration shall accompany the application for registration with a registration fee to be paid to the director of revenue for the licensing period for which registration is sought.

5. If the application is filed and the fee paid after the registration renewal date, a delinquent fee shall be paid; except that, whenever in the opinion of the board the applicant's failure to register is caused by extenuating circumstances including illness of the applicant, as defined by rule, the delinquent fee may be waived by the board.

6. Upon application and submission by such person of evidence satisfactory to the board that such

person is licensed to practice in this state and upon the payment of fees required to be paid by this chapter, the board shall issue to such person a certificate of registration. The certificate of registration shall contain the name of the person to whom it is issued and his or her office address, the expiration date, and the number of the license to practice.

If any licensee changes practice locations during the period for which any certificate of registration has been issued, the licensee shall, within fifteen days thereafter, notify the board of such change and the board shall issue to the licensee, without additional fee, a new registration certificate showing the new location.

8. Whenever any new license is granted to any physical therapist or physical therapist assistant under the provisions of this chapter, the board shall, upon application therefore, issue to such physical therapist or physical therapist assistant a certificate of registration covering a period from the date of the issuance of the license to the next renewal date without the payment of any registration fee.

334.601. The board shall set the amount of the fees which this chapter authorizes and requires by rule. The fees shall be set at a level to produce revenue which shall not substantially exceed the cost and expense of administering this chapter.

4. The board shall not obtain a patient medical record without written authorization from the patient to obtain the medical record or the issuance of a subpoena for the patient medical record.

334.610. Any person who holds himself or herself out to be a physical therapist or a licensed physical therapist within this state or any person who advertises as a physical therapist or claims that the person can render physical therapy services and who, in fact, does not hold a valid physical therapist license is guilty of a class B misdemeanor and, upon conviction, shall be punished as provided by law. Any person who, in any manner, represents himself or herself as a physical therapist, or who uses in connection with such person's name the words or letters "physical therapist", "physiotherapist", "registered physical therapist", "**doctor of physical therapy**", "P.T.", "Ph.T.", "P.T.T.", "R.P.T.", "**D.P.T.**", "**M.P.T.**", or any other letters, words, abbreviations or insignia, indicating or implying that the person is a physical therapist without a valid existing license as a physical therapist issued to such person pursuant to the provisions of sections 334.500 to 334.620, is guilty of a class B misdemeanor. Nothing in sections 334.500 to 334.620 shall prohibit any person licensed in this state under chapter 331, RSMo, from carrying out the practice for which the person is duly licensed, or from advertising the use of physiologic and rehabilitative modalities; nor shall it prohibit any person licensed or registered in this state under section 334.735 or any other law from carrying out the practice for which the person is duly licensed or registered; nor shall it prevent professional and semiprofessional teams, schools, YMCA clubs, athletic clubs and similar organizations from furnishing treatment to their players and members. This section, also, shall not be construed so as to prohibit masseurs and masseuses from engaging in their practice not otherwise prohibited by law and provided they do not represent themselves as physical therapists. This section shall not apply to physicians and surgeons licensed under this chapter or to a person in an entry level of a professional education program approved by the commission for accreditation of physical therapists and physical therapist assistant education (CAPTE) who is satisfying supervised clinical education requirements related to the person's physical therapist or physical therapist assistant education while under on-site supervision of a physical therapist; or to a physical therapist who is practicing in the United States Armed Services, United States Public Health Service, or Veterans Administration under federal regulations for state licensure for health care providers.

334.611. Notwithstanding any other provision of law to the contrary, any qualified physical therapist who is legally authorized to practice under the laws of another state may practice as a physical therapist in this state without examination by the board or payment of any fee if such practice consists solely of the provision of gratuitous services provided for a summer camp or teaching or participating in a continuing educational seminar for a period not to exceed fourteen days in any one calendar year. Nothing in sections 334.500 to 334.625 shall be construed to prohibit isolated or occasional gratuitous service to and treatment of the afflicted or to prohibit physical therapists from other nations, states, or territories from performing their duties for their respective teams or organizations during the course of their teams' or organizations' stay in this state.

334.612. 1. If the board finds merit to a complaint by an individual incarcerated or under the care and control of the department of corrections and takes further investigative action, no documentation shall appear on file or disciplinary action shall be taken in regards to the licensee's license unless the provisions of subsection 2 of section 334.613 have been violated. Any case file documentation that does not result in the board filing an action under subsection 2 of section 334.613 shall be destroyed within three months after the final case disposition by the board. No notification to any other licensing board in another state or any national registry regarding any investigative action shall be made unless the

provisions of subsection 2 of section 334.613 have been violated.

2. Upon written request of the physical therapist or physical therapist assistant subject to a complaint prior to August 28, 1999, by an individual incarcerated or under the care and control of the department of corrections that did not result in the board filing an action described in subsection 2 of section 334.613, the board and the division of professional registration shall in a timely fashion:

(1) Destroy all documentation regarding the complaint;

(2) If previously notified of the complaint, notify any other licensing board in another state or any national registry regarding the board's actions; and

(3) Send a letter to the licensee that clearly states that the board found the complaint to be unsubstantiated, that the board has taken the requested action, and notify the licensee of the provisions of subsection 3 of this section.

3. Any person who has been the subject of an unsubstantiated complaint as provided in subsection 1 or 2 of this section shall not be required to disclose the existence of such complaint in subsequent applications or representations relating to their practice.

334.613. 1. The board may refuse to issue or renew a license to practice as a physical therapist or physical therapist assistant for one or any combination of causes stated in subsection 2 of this section. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of the applicant's right to file a complaint with the administrative hearing commission as provided by chapter 621, RSMo. As an alternative to a refusal to issue or renew a license to practice as a physical therapist or physical therapist assistant, the board may, at its discretion, issue a license which is subject to probation, restriction, or limitation to an applicant for licensure for any one or any combination of causes stated in subsection 2 of this section. The board's order of probation, limitation, or restriction shall contain a statement of the discipline imposed, the basis therefor, the date such action shall become effective, and a statement that the applicant has thirty days to request in writing a hearing before the administrative hearing commission. If the board issues a probationary, limited, or restricted license to an applicant for licensure, either party may file a written petition with the administrative hearing commission within thirty days of the effective date of the probationary, limited, or restricted license seeking review of the board's determination. If no written request for a hearing is received by the administrative hearing commission within the thirty-day period, the right to seek review of the board's decision shall be considered as waived.

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621, RSMo, against any holder of a license to practice as a physical therapist or physical therapist assistant who has failed to renew or has surrendered his or her license for any one or any combination of the following causes:

(2) The person has been finally adjudicated and found guilty, or entered a plea of guilty or nolo contendere, in a criminal prosecution under the laws of any state or of the United States, for any offense reasonably related to the qualifications, functions, or duties of a physical therapist or physical therapist assistant, for any offense an essential element of which is fraud, dishonesty, or an act of

violence, or for any offense involving moral turpitude, whether or not sentence is imposed;

(3) Use of fraud, deception, misrepresentation, or bribery in securing any certificate of registration or authority, permit, or license issued under this chapter or in obtaining permission to take any examination given or required under this chapter;

(4) Misconduct, fraud, misrepresentation, dishonesty, unethical conduct, or unprofessional conduct in the performance of the functions or duties of a physical therapist or physical therapist assistant, including but not limited to the following:

(a) Obtaining or attempting to obtain any fee, charge, tuition, or other compensation by fraud, deception, or misrepresentation; willfully and continually overcharging or overtreating patients; or charging for sessions of physical therapy which did not occur unless the services were contracted for in advance, or for services which were not rendered or documented in the patient's records;

(24) Being unable to practice as a physical therapist or physical therapist assistant with reasonable skill and safety to patients by reasons of incompetency, or because of illness, drunkenness, excessive use of drugs, narcotics, chemicals, or as a result of any mental or physical condition. The following shall apply to this subdivision:

(a) In enforcing this subdivision the board shall, after a hearing by the board, upon a finding of probable cause, require a physical therapist or physical therapist assistant to submit to a reexamination for the purpose of establishing his or her competency to practice as a physical therapist or physical therapist assistant conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the pattern and practice of such physical therapist's or physical therapist assistant's professional conduct, or to submit to a mental or physical examination or combination thereof by a facility or professional approved by the board;

(b) For the purpose of this subdivision, every physical therapist and physical therapist assistant licensed under this chapter is deemed to have consented to submit to a mental or physical examination when directed in writing by the board;

(c) In addition to ordering a physical or mental examination to determine competency, the board may, notwithstanding any other law limiting access to medical or other health data, obtain medical data and health records relating to a physical therapist, physical therapist assistant or applicant without the physical therapist's, physical therapist assistant's or applicant's consent;

(d) Written notice of the reexamination or the physical or mental examination shall be sent to the physical therapist or physical therapist assistant, by registered mail, addressed to the physical therapist or physical therapist assistant at the physical therapist's or physical therapist assistant's last known address. Failure of a physical therapist or physical therapist assistant to submit to the examination when directed shall constitute an admission of the allegations against the physical therapist or physical therapist assistant, in which case the board may enter a final order without the presentation of evidence, unless the failure was due to circumstances beyond the physical therapist's or physical therapist assistant's control. A physical therapist or physical therapist assistant whose right to practice has been affected under this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that the physical therapist or physical therapist assistant can resume the competent practice as a physical therapist or physical therapist assistant with reasonable skill and safety to patients;

(e) In any proceeding under this subdivision neither the record of proceedings nor the orders entered by the board shall be used against a physical therapist or physical therapist assistant in any other proceeding. Proceedings under this subdivision shall be conducted by the board without the filing of a complaint with the administrative hearing commission;

(f) When the board finds any person unqualified because of any of the grounds set forth in this subdivision, it may enter an order imposing one or more of the disciplinary measures set forth in subsection 3 of this section.

3. After the filing of such complaint before the administrative hearing commission, the proceedings shall be conducted in accordance with the provisions of chapter 621, RSMo. Upon a finding by the administrative hearing commission that the grounds provided in subsection 2 of this section for disciplinary action are met, the board may, singly or in combination:

(1) Warn, censure or place the physical therapist or physical therapist assistant named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed ten years;

(2) Suspend the physical therapist's or physical therapist assistant's license for a period not to exceed three years;

(3) Restrict or limit the physical therapist's or physical therapist assistant's license for an indefinite period of time;

(4) Revoke the physical therapist's or physical therapist assistant's license;

(5) Administer a public or private reprimand;

(6) Deny the physical therapist's or physical therapist assistant's application for a license;

(7) Permanently withhold issuance of a license;

(8) Require the physical therapist or physical therapist assistant to submit to the care, counseling or treatment of physicians designated by the board at the expense of the physical therapist or physical therapist assistant to be examined;

(9) Require the physical therapist or physical therapist assistant to attend such continuing educational courses and pass such examinations as the board may direct.

4. In any order of revocation, the board may provide that the physical therapist or physical therapist assistant shall not apply for reinstatement of the physical therapist's or physical therapist assistant's license for a period of time ranging from two to seven years following the date of the order of revocation. All stay orders shall toll this time period.

5. Before restoring to good standing a license issued under this chapter which has been in a revoked, suspended, or inactive state for any cause for more than two years, the board may require the applicant to attend such continuing medical education courses and pass such examinations as the board may direct.

6. In any investigation, hearing or other proceeding to determine a physical therapist's, physical therapist assistant's or applicant's fitness to practice, any record relating to any patient of the physical therapist, physical therapist assistant, or applicant shall be discoverable by the board and admissible into evidence, regardless of any statutory or common law privilege which such physical therapist, physical therapist assistant, applicant, record custodian, or patient might otherwise invoke. In addition, no such physical therapist, physical therapist assistant, applicant, or record custodian may withhold records or testimony bearing upon a physical therapist's, physical therapist assistant's, or applicant's fitness to practice on the ground of privilege between such physical therapist, physical therapist assistant, applicant, or record custodian and a patient.

334.614. 1. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, the board shall at least quarterly publish a list of the names and addresses of all physical therapists and

physical therapist assistants who hold licenses under the provisions of this chapter, and shall publish a list of all physical therapists and physical therapist assistants whose licenses have been suspended, revoked, surrendered, restricted, denied, or withheld.

2. Notwithstanding any other provisions of section 620.010, RSMo, to the contrary, in addition, the board shall prepare and make available to the public a report upon the disciplinary matters submitted to them where the board recommends disciplinary action, except in those instances when physical therapists and physical therapist assistants possessing licenses voluntarily enter treatment and monitoring programs for purposes of rehabilitation and, in such instances, only such specific action shall not be reported with any other actions taken prior to, as part of, or following voluntary entrance into such treatment programs. The report shall set forth findings of fact and any final disciplinary actions of the board. If the board does not recommend disciplinary action, a report stating that no action is recommended shall be prepared and forwarded to the complaining party.

334.615. 1. Upon receipt of information that the holder of any license as a physical therapist or physical therapist assistant issued under this chapter may present a clear and present danger to the public health and safety, the executive director shall direct that the information be brought to the board in the form of sworn testimony or affidavits during a meeting of the board.

2. The board may issue an order suspending or restricting the holder of a license as a physical therapist or physical therapist assistant if it believes:

(1) The licensee's acts, conduct, or condition may have violated subsection 2 of section 334.613; and

(2) A licensee is practicing, attempting, or intending to practice in Missouri; and

(3) (a) A licensee is unable by reason of any physical or mental condition to receive and evaluate information or to communicate decisions to the extent that the licensee's condition or actions significantly affect the licensee's ability to practice; or

(b) Another state, territory, federal agency, or country has issued an order suspending or restricting the physical therapist's or physical therapist assistant's right to practice his or her profession; or

(c) The licensee has engaged in repeated acts of life-threatening negligence as defined in subsection 2 of section 334.613; and

(4) The acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.

3. (1) The order of suspension or restriction:

(a) Shall be based on the sworn testimony or affidavits presented to the board;

(b) May be issued without notice and hearing to the licensee;

(c) Shall include the facts which lead the board to conclude that the acts, conduct, or condition of the licensee constitute a clear and present danger to the public health and safety.

(2) The board or the administrative hearing commission shall serve the licensee, in person or by certified mail, with a copy of the order of suspension or restriction and all sworn testimony or affidavits presented to the board, a copy of the complaint and the request for expedited hearing, and

a notice of the place of and the date upon which the preliminary hearing will be held.

(3) The order of restriction shall be effective upon service of the documents required in subdivision (2) of this subsection.

(4) The order of suspension shall become effective upon the entry of the preliminary order of the administrative hearing commission.

(5) The licensee may seek a stay order from the circuit court of Cole County from the preliminary order of suspension, pending the issuance of a final order by the administrative hearing commission.

4. The board shall file a complaint in the administrative hearing commission with a request for expedited preliminary hearing and shall certify the order of suspension or restriction and all sworn testimony or affidavits presented to the board. Immediately upon receipt of a complaint filed under this section, the administrative hearing commission shall set the place and date of the expedited preliminary hearing which shall be conducted as soon as possible, but not later than five days after the date of service upon the licensee. The administrative hearing commission shall grant a licensee's request for a continuance of the preliminary hearing; however, the board's order shall remain in full force and effect until the preliminary hearing, which shall be held not later than forty-five days after service of the documents required in subdivision (2) of subsection 3 of this section.

5. At the preliminary hearing, the administrative hearing commission shall receive into evidence all information certified by the board and shall only hear evidence on the issue of whether the board's order of suspension or restriction should be terminated or modified. Within one hour after the preliminary hearing, the administrative hearing commission shall issue its oral or written preliminary order, with or without findings of fact and conclusions of law, that adopts, terminates, or modifies the board's order. The administrative hearing commission shall reduce to writing any oral preliminary order within five business days, but the effective date of the order shall be the date orally issued.

6. The preliminary order of the administrative hearing commission shall become a final order and shall remain in effect for three years unless either party files a request for a full hearing on the merits of the complaint filed by the board within thirty days from the date of the issuance of the preliminary order of the administrative hearing commission.

7. Upon receipt of a request for full hearing, the administrative hearing commission shall set a date for hearing and notify the parties in writing of the time and place of the hearing. If a request for full hearing is timely filed, the preliminary order of the administrative hearing commission shall remain in effect until the administrative hearing commission enters an order terminating, modifying, or dismissing its preliminary order or until the board issues an order of discipline following its consideration of the decision of the administrative hearing commission under section 621.110, RSMo, and subsection 3 of section 334.100.

8. In cases where the board initiates summary suspension or restriction proceedings against a physical therapist or physical therapist assistant licensed under this chapter, and such petition is subsequently denied by the administrative hearing commission, in addition to any award made under sections 536.085 and 536.087, RSMo, the board, but not individual members of the board, shall pay actual damages incurred during any period of suspension or restriction.

9. Notwithstanding the provisions of this chapter or chapter 610, RSMo, or chapter 621, RSMo, to the contrary, the proceedings under this section shall be closed and no order shall be made public

until it is final, for purposes of appeal.

10. The burden of proving the elements listed in subsection 2 of this section shall be upon the state board of registration for the healing arts.

334.616. 1. A license issued under this chapter by the Missouri state board of registration for the healing arts shall be automatically revoked at such time as the final trial proceedings are concluded whereby a licensee has been adjudicated and found guilty, or has entered a plea of guilty or nolo contendere, in a felony criminal prosecution under the laws of the state of Missouri, the laws of any other state, or the laws of the United States of America for any offense reasonably related to the qualifications, functions or duties of their profession, or for any felony offense, an essential element of which is fraud, dishonesty or an act of violence, or for any felony offense involving moral turpitude, whether or not sentence is imposed, or, upon the final and unconditional revocation of the license to practice their profession in another state or territory upon grounds for which revocation is authorized in this state following a review of the record of the proceedings and upon a formal motion of the state board of registration for the healing arts. The license of any such licensee shall be automatically reinstated if the conviction or the revocation is ultimately set aside upon final appeal in any court of competent jurisdiction.

2. Anyone who has been denied a license, permit, or certificate to practice in another state shall automatically be denied a license to practice in this state. However, the board of healing arts may set up other qualifications by which such person may ultimately be qualified and licensed to practice in Missouri.

334.617. 1. Upon application by the board and the necessary burden having been met, a court of general jurisdiction may grant an injunction, restraining order, or other order as may be appropriate to enjoin a person from:

(1) Offering to engage or engaging in the performance of any acts or practices for which a license is required by chapters 334.500 to 334.687 upon a showing that such acts or practices were performed or offered to be performed without a license; or

(2) Engaging in any practice or business authorized by a license issued under chapters 334.500 to 334.687 upon a showing that the holder presents a substantial probability of serious danger to the health, safety, or welfare of any resident of the state or client or patient of the licensee.

2. Any such action shall be commenced in the county in which such conduct occurred or in the county in which the defendant resides or Cole County.

3. Any action brought under this section shall be in addition to and not in lieu of any penalty provided by chapters 334.500 to 334.687 and may be brought concurrently with other actions to enforce chapters 334.500 to 334.687.

334.618. Upon receiving information that any provision of sections 334.500 to 334.687 has been or is being violated, the executive director of the board or other person designated by the board shall investigate, and upon probable cause appearing, the executive director shall, under the direction of the board, file a complaint with the administrative hearing commission or appropriate official or court. All such complaints shall be handled as provided by rule promulgated under subdivision (6) of subsection 16 of section 620.010, RSMo.

334.650. 1. After January 1, 1997, no person shall hold himself or herself out as being a physical therapist assistant in this state unless the person is licensed as provided in sections 334.650 to 334.685.

2. A licensed physical therapist shall direct and supervise a physical therapist assistant [at all times. The licensed physical therapist shall have the responsibility of supervising the physical therapy treatment program]. **The physical therapist shall retain ultimate authority and responsibility for the physical therapy treatment. Applications for examination shall be [in writing,] on a form furnished by the board and shall include evidence satisfactory to the board that the applicant possesses the qualifications provided in subsection 1 of this section. Each application shall contain a statement that the statement is made under oath of affirmation and that its representations are true and correct to the best knowledge and belief of the person signing the statement, subject to the penalties of making a false affidavit or declaration.

3. The examination of qualified candidates for licensure to practice as physical therapist assistants shall embrace [a written] **an** examination [and] which shall cover the curriculum taught in accredited associate degree programs of physical therapy assistant education. Such examination shall be sufficient to test the qualification of the candidates as practitioners.

4. [The board shall not issue a license to practice as a physical therapist assistant or allow any person to sit for the Missouri state board examination for physical therapist assistants who has failed three or more times any physical therapist licensing examination administered in one or more states or territories of the United States or the District of Columbia.

5. The board may waive the provisions of subsection 4 if the applicant has met one of the following provisions: the applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States, the District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States, the District of Columbia or Canada.

6.] The examination shall include, as related to the human body, the subjects of anatomy, kinesiology, pathology, physiology, psychology, physical therapy theory and procedures as related to medicine and such other subjects, including medical ethics, as the board deems useful to test the fitness of the candidate to practice as a physical therapist assistant.

5. The applicant shall pass a test administered by the board on the laws and rules related to the practice as a physical therapist assistant in this state.

[7.] **6.** The board shall license without examination any legally qualified person who is a resident of this state and who was actively engaged in practice as a physical therapist assistant on August 28, 1993. The board may license such person pursuant to this subsection until ninety days after the effective date of this section.

[8.] **7.** A candidate to practice as a physical therapist assistant who does not meet the educational qualifications may submit to the board an application for examination if such person can furnish written evidence to the board that the person has been employed in this state for at least three of the last five years under the supervision of a licensed physical therapist and such person possesses the knowledge and training equivalent to that obtained in an accredited school. The board may license such persons pursuant to this subsection until ninety days after rules developed by the state board of healing arts regarding physical therapist assistant licensing become effective.

334.660. 1. The board shall license without examination legally qualified persons who [hold] **possess active** certificates of licensure, registration or certification in any state or territory of the United States or the District of Columbia, who have had no violations, suspensions or revocations of such license, registration or certification, if such persons have passed [a written] **an** examination to practice as a physical therapist assistant that was substantially equal to the examination requirements of this state and in all other aspects, including education, the requirements for such certificates of licensure, registration or certification were, at the date of issuance, substantially equal to the requirements for licensure in this state.

2. [The board shall not issue a license to any applicant who has failed three or more times any physical therapist assistant licensing examination administered in one or more states or territories of the United States or the District of Columbia.

3. The board may waive the provisions of subsection 1 if the applicant has met one of the following provisions: the applicant is licensed and has maintained an active clinical practice for the previous three years in another state of the United States, the District of Columbia or Canada and the applicant has achieved a passing score on a licensing examination administered in a state or territory of the United States, the District of Columbia and no license issued to the applicant has been disciplined or limited in any state or territory of the United States, the District of Columbia or Canada.

4.] Every applicant for a license pursuant to this section, upon making application and providing documentation of the necessary qualifications as provided in this section, shall pay the same fee required of applicants to take the examination before the board. Within the limits of this section, the board may negotiate reciprocal contracts with licensing boards of other states for the admission of licensed practitioners from Missouri in other states.

3. The applicant shall successfully pass a test administered by the board on the laws and rules related to practice as a physical therapist assistant in this state.

334.665. **1.** An applicant who has not been previously examined in another jurisdiction and meets the qualifications of subsection 1 of section 334.655 **or an applicant applying for reinstatement of an inactive license under a supervised active practice** may pay a temporary license fee and submit an agreement-to-supervise form which is signed by the applicant's supervising physical therapist to the board and obtain without examination a nonrenewable temporary license. Such temporary licensee may only

practice under the supervision of a licensed physical therapist. **The supervising physical therapist shall hold an unencumbered license to practice physical therapy in the state of Missouri and shall provide the board proof of active clinical practice in the state of Missouri for a minimum of one year prior to supervising the temporary licensee. The supervising physical therapist shall not be an immediate family member of the applicant. The board shall define immediate family member and the scope of such supervision by rule. The supervising physical therapist for the first-time examinee applicant shall submit to the board a signed notarized form prescribed by the board attesting that the applicant for temporary license shall begin employment at a location in this state within seven days of issuance of the temporary license. The supervising physical therapist shall notify the board within three days if the temporary licensee's employment ceases.** A licensed physical therapist shall supervise no more than one temporary licensee. [The board shall define the scope of such supervision by rules and regulations.]

2. The temporary license **for the first-time examinee applicant** shall expire on [either] the date the applicant receives the results of the applicant's initial examination, **the date the applicant withdraws from sitting for the examination, the date the board is notified by the supervising physical therapist that the temporary licensee's employment has ceased,** or within ninety days of its issuance, whichever occurs first.

3. **The temporary license for the reinstatement applicant under the supervised active practice shall expire effective one year from the date of issuance.**

334.670. The board shall charge a person, who applies for examination for a license to practice as a physical therapist assistant, an examination fee. If the person does not score a passing grade on the examination, the board may refuse to issue a license. Any applicant who fails to pass the examination may reapply and be reexamined upon payment of a reexamination fee. [No temporary license may be issued to any person who has previously failed the examination in Missouri or any other state or jurisdiction.]

334.675. 1. Every person licensed pursuant to sections 334.650 to 334.685 shall, on or before the licensing renewal date, apply to the board for a certificate of licensure for the next licensing period. The application for renewal shall be made **under oath** on a form furnished to the applicant [and shall state] **by the board. The application shall include, but not be limited to, disclosure of the following:**

The applicant may be required to successfully complete a test administered by the board on the laws and rules related to the practice of physical therapy in this state. The test process, dates, and passing scores shall be established by the board by rule.

2. A [blank application form] **notice** shall be [mailed] **made available** to each person licensed in this state [pursuant to sections 334.650 to 334.685 at the person's last known address of practice or residence. The failure to mail the application for or the failure to receive the application form]. **The failure to receive the notice** does not relieve any person of the duty to renew the person's license and pay the renewal fee as required by sections 334.650 to 334.685 nor shall it exempt the person from the penalties provided by sections 334.650 to 334.685 for failure to renew a license.

3. If a physical therapist assistant does not renew such license for two consecutive renewal periods, such license shall be deemed voided.

4. Each applicant for registration shall accompany the application for registration with a registration fee to be paid to the director of revenue for the licensing period for which registration is sought.

5. If the application is filed and the fee paid after the registration renewal date, a delinquent fee shall be paid; except that, if in the opinion of the board the applicant's failure to register is caused by extenuating circumstances, including illness of the applicant as defined by rule, the delinquent fee may be waived by the board.

6. Upon due application therefore and upon submission by such person of evidence satisfactory to the board that he or she is licensed to practice in this state and upon the payment of fees required to be paid by this chapter, the board shall issue to such person a certificate of registration. The certificate of registration shall contain the name of the person to whom it is issued and his or her office address, the expiration date, and the number of the license to practice.

7. Upon receiving such certificate, every person shall cause it to be readily available or conspicuously displayed at all times in every practice location maintained by such licensee in the state. If the licensee maintains more than one practice location in this state, the board shall without additional fee issue to them duplicate certificates of registration for each practice location so maintained. If any licensee changes practice locations during the period for which any certificate of registration has been issued, such licensee shall, within fifteen days thereafter, notify the board of such change and the board shall issue to the licensee, without additional fee, a new registration certificate showing the new location.

8. Whenever any new license is granted to any physical therapist or physical therapist assistant under the provisions of this chapter, the board shall, upon application therefore, issue to such physical therapist or physical therapist assistant a certificate of registration covering a period from the date of the issuance of the license to the next renewal date without the payment of any registration fee.

334.686. Any person who holds himself or herself out to be a physical therapist assistant or a licensed physical therapist assistant within this state or any person who advertises as a physical therapist assistant and who, in fact, does not hold a valid physical therapist assistant license is guilty of a class B misdemeanor and, upon conviction, shall be punished as provided by law. Any person who, in any manner, represents himself or herself as a physical therapist assistant, or who uses in connection with such person's name the words or letters, "physical therapist assistant", the letters "P.T.A.", "L.P.T.A.", "C.P.T.A.", or any other letters, words, abbreviations or insignia, indicating or implying that the person is a physical therapist assistant without a valid existing license as a physical therapist assistant issued to such person under the provisions of sections 334.500 to 334.620, is guilty of a class B misdemeanor. This section shall not apply to physicians and surgeons licensed

under this chapter or to a person in an entry level of a professional education program approved by the Commission for Accreditation of Physical Therapists and Physical Therapist Assistant Education (CAPTE) who is satisfying supervised clinical education requirements related to the person's physical therapist or physical therapist assistant education while under onsite supervision of a physical therapist; or to a physical therapist who is practicing in the United States Armed Forces, United States Public Health Service, or Veterans Administration under federal regulations for state licensure for health care providers.

334.687. 1. For purposes of this section, the licensing of physical therapists and physical therapist assistants shall take place within processes established by the state board of registration for the healing arts through rules. 9. The board shall require by rule, as a condition to the renewal of permits, that firms undergo, no more frequently than once every three years, peer reviews conducted in a manner as the board shall specify. The review shall include a verification that individuals in the firm who are responsible for supervising attest, review and compilation services or sign or authorize someone to sign the accountant's report on the financial statements on behalf of the firm meet the competency requirements set out in the professional standards for such services, provided that any such rule:

No third party, other than the oversight body, the board, subject to the provisions of subsection 12 of this section, or the organization performing peer review shall have access to documents furnished or generated in the course of the review. All documents shall be privileged and closed records for all purposes and all meetings at which the documents are discussed shall be considered closed meetings [pursuant to] **under** subdivision (1) of section 610.021, RSMo. Nonlicensees may prepare financial statements and issue nonattest transmittals or information thereon which do not purport to be in compliance with the Statements on Standards for Accounting and Review Services (SSARS).

Amend Senate Committee Substitute for House Committee Substitute for House Bill No. 2041, Page 14, Section 288.070, Line 124, by inserting after all of said line the following:

“288.131. For calendar years 2009, 2010, and 2011, each employer that is liable for contributions under this chapter, except employers with a contribution rate equal to zero, shall pay an annual unemployment automation surcharge in an amount equal to five one-hundredths of one percent of such employer's total taxable wages for the twelve-month period ending the preceding June thirteenth. However, the division may reduce the foregoing percentage to ensure that the total amount of surcharge due from all employers under this subsection shall not exceed thirteen million dollars annually. Each employer liable to pay such surcharge shall be notified of the amount due under this subsection by March thirty-first of each year and such amount shall be considered delinquent thirty days thereafter. Delinquent unemployment automation surcharge amounts may be collected in the manner provided under sections 288.160 and 288.170. All moneys collected under this subsection shall be deposited in the unemployment automation fund established in section 288.312.

2. For calendar years 2009, 2010, and 2011, the otherwise applicable unemployment contribution rate of each employer liable for contributions under this chapter shall be reduced by five one-hundredths of one percent, except such contribution rate shall not be less than zero.”; and

Further amend said bill, page 15, section 288.250, line 30, by inserting after all of said line the following:

“288.312. 1. There is hereby created in the state treasury the “Unemployment Automation Fund”, with shall consist of money collected under subsection 1 of section 288.131, and such other state funds appropriated by the general assembly. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180, RSMo. Upon

appropriation, money in the fund shall be used solely for the purpose of providing automated systems, and the payment of associated costs, to improve the administration of the state's unemployment insurance program. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, all moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and money earned on such investments shall be credited to the fund.

2. The unemployment automation fund shall not be used in whole or in part for any purpose or in any manner that would permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this chapter, or cause the appropriate agency of the United States government to withhold any part of an administrative grant which would otherwise be made.”; and

SENATE AMENDMENT NO. 1

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bills Nos. 2062 and 1518, Pages 57-61, Section 173.234, by striking all of said section and inserting in lieu thereof the following:

“173.234. 1. As used in this section, unless the context clearly requires otherwise, the following terms mean:

- (1) “Board”, the coordinating board for higher education;**
- (2) “Books”, any books required for any course for which tuition was paid by a grant awarded under this section;**
- (3) “Grant”, the war veteran's survivors grant as established in this section;**
- (4) “Institution of postsecondary education”, any approved Missouri public institution of postsecondary education, as defined in section 173.205;**
- (5) “Survivor”, a child or spouse of a war veteran;**
- (6) “Tuition”, any tuition or incidental fee, or both, charged by an institution of postsecondary education for attendance at the institution by a student as a resident of this state. The tuition grant**

shall not exceed the amount of tuition charged a Missouri resident at the University of Missouri-Columbia for attendance;

(7) “War veteran”, a person who served in armed combat in the military and to whom the following criteria shall apply:

(a) The veteran was a Missouri resident when first entering the military service and at the time of death or injury; and

(b) The veteran dies as a result of combat action or the veteran's death was certified by a Veterans' Administration medical authority to be attributable to an illness that was contracted while serving in combat, or who became eighty percent disabled as a result of injuries or accidents sustained in combat action.

2. Within the limits of the amounts appropriated therefor, the coordinating board for higher education shall award annually up to twenty-five grants to survivors of war veterans to attend institutions of postsecondary education in this state, which shall continue to be awarded annually to eligible recipients as long as the recipient achieves and maintains a cumulative grade point average of at least two and one-half on a four point scale, or its equivalent. If the waiting list of eligible survivors exceeds fifty, the coordinating board may petition the general assembly to expand the quota. If the quota is not expanded, then the eligibility of survivors on the waiting list shall be extended.

3. A survivor may receive a grant under this section only so long as the survivor is enrolled in a program leading to a certificate, or an associate or baccalaureate degree. In no event shall a survivor receive a grant beyond the completion of the first baccalaureate degree, regardless of age.

4. The coordinating board for higher education shall:

(1) Promulgate all necessary rules and regulations for the implementation of this section; and

(2) Provide the forms and determine the procedures necessary for a survivor to apply for and receive a grant under this section.

5. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2008, shall be invalid and void.

6. In order to be eligible to receive a grant under this section, a survivor shall be certified as eligible by the Missouri veterans' commission. In the case of an illness-related death, such certification shall be made upon qualified medical certification by a Veterans' Administration medical authority that the illness was both a direct result of the veteran's combat service and a substantial factor in the cause of the resulting death of the veteran.

7. A survivor who is enrolled or has been accepted for enrollment as an undergraduate postsecondary student at an approved institution of postsecondary education, and who is selected to receive a grant under this section, shall receive the following:

(1) An amount not to exceed the actual tuition charged at the approved institution of

postsecondary education where the survivor is enrolled or accepted for enrollment;

(2) An allowance of up to two thousand dollars per semester for room and board; and

(3) The actual cost of books, up to a maximum of five hundred dollars per semester.

8. A survivor who is a recipient of a grant may transfer from one approved public institution of postsecondary education to another without losing his or her entitlement under this section. The board shall make necessary adjustments in the amount of the grant. If a grant recipient at any time withdraws from the institution of postsecondary education so that under the rules and regulations of that institution he or she is entitled to a refund of any tuition, fees, room and board, books, or other charges, the institution shall pay the portion of the refund to which he or she is entitled attributable to the grant for that semester or similar grading period to the board.

9. If a survivor is granted financial assistance under any other student aid program, public or private, the full amount of such aid shall be reported to the board by the institution and the eligible survivor.

10. Nothing in this section shall be construed as a promise or guarantee that a person will be admitted to an institution of postsecondary education or to a particular institution of postsecondary education, will be allowed to continue to attend an institution of postsecondary education after having been admitted, or will be graduated from an institution of postsecondary education.

11. The benefits conferred by this section shall be available to any academically qualified surviving spouse or children of war veterans. Surviving children who are eligible shall be permitted to apply for full benefits conferred by this section until they reach twenty-five years of age.

12. Pursuant to section 23.253, RSMo, of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall sunset automatically six years after the effective date of this section unless reauthorized by an act of the general assembly; and

(2) If such program is reauthorized, the program authorized under this section shall sunset automatically twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset.”; and

Dear Mrs. Spieler:

Pursuant to Senate Rule 31, I am establishing the following Senate Select Committees:

NINETY-FOURTH GENERAL ASSEMBLY

OF THE

STATE OF MISSOURI

SECOND REGULAR SESSION

VETO SESSION

FIRST DAY—WEDNESDAY, SEPTEMBER 10, 2008

The Senate was called to order in Veto Session by Lieutenant Governor Peter Kinder.

Reverend Carl Gauck offered the following prayer:

“We must adjust to changing times and still hold to unchanging principles.” (Jimmy Carter)

Almighty God, today we fulfill our constitutional requirement of this Veto Session and are grateful to do so. But today will mark the last time we shall all be in attendance together. We recognize the work of those who have faithfully served here; those who have tried to address the needs of the people of this state with unfailing principles and service and especially those who will now leave the Senate. We thank You for the friendship, collegiality and respect that was earned and shared by all here. And we are thankful for the staff and employees who have given of their time and talents to make sure all things were properly done. Today is special for us Lord and we thank You for making it all possible. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

Senator Shields announced that photographers from KOMU-TV and KRCG-TV were given permission to take pictures in the Senate Chamber today.

SENATE RESOLUTION NO. 1

BE IT RESOLVED by the Senate that the Secretary of Senate inform the House of Representatives that the Senate is duly convened and is now in session as provided by Article III, Section 32 of the Constitution and is ready for the consideration of its business.

Senator Shields offered the following resolution, which was read and adopted:

SENATE RESOLUTION NO. 2

BE IT RESOLVED by the Senate that the rules of the Senate, as adopted by the Ninety-fourth General Assembly, Second Regular Session, be declared to be the rules of the Veto Session of the Ninety-fourth General Assembly.

COMMUNICATIONS FROM THE GOVERNOR

The following communications, regarding vetoed Senate bills, were received by the Secretary of State, reading of which was waived:

OFFICE OF THE GOVERNOR

STATE OF MISSOURI

JEFFERSON CITY

July 9, 2008

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you Senate Committee Substitute for Senate Bill No. 873 entitled:

AN ACT

To repeal sections 172.030, 172.035, 172.040, and 172.060, RSMo, and to enact in lieu thereof four new sections relating to student curators.

I disapprove of the Senate Committee Substitute for Senate Bill No. 873. My reasons for disapproval are as follows:

- I. This legislation would create "stakeholder" representatives with voting authority on the Board of Curators where currently none of the nine curators represent a specific group of university stakeholders.
- II. The bill as written would make it extremely difficult to find a student whose status of enrollment matches the student curator's term on the Board. This would significantly limit governors' ability to select the best person for the position.
- III. Student curator representatives are transitional members of the board and experience much greater turnover than its regular members.
- IV. A new policy at the University of Missouri would be inconsistent with other education institutions across the state.
- V. The makeup of the board is unclear if Missouri does not lose a congressional district after the 2010 census, but does so in a later census.
- VI. The potential to add an uneven element to the current climate of the voting members of the board by giving one area or region a stronger vote over others. This power would present potential conflicts of interest.

In addition to these objections, this legislation is also fiercely opposed by many members of the higher education community who also expressed the above concerns and more through correspondence, phone calls and conversation with me and my office.

For the above stated reasons, I am returning Senate Committee Substitute for Senate Bill No. 873 without my approval.

Respectfully submitted,

MATT BLUNT

July 10, 2008

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI

Herewith I return to you Senate Bill No. 1061

AN ACT

To amend chapter 58, RSMo, by adding thereto one new section relating to the registration of coroners and their assistants.

I disapprove of Senate Bill No. 1061. My reason for disapproval is as follows:

The Missouri Constitution prohibits the general assembly from passing any special law granting any special or exclusive right or privilege to any corporation, association, or individual. Mo. Const. Art. III, Sec. 40(28). Senate Bill No. 1061 would grant to the Missouri Coroners' and Medical Examiners' Association the exclusive right of having coroners, deputy coroners, and assistants to coroners register with their executive director. Senate Bill No. 1061 would also grant to the Missouri Coroners' and Medical Examiners' Association the exclusive right to train deputy coroners. Although current law grants them this right for deputy coroners seeking a salary increase, Senate Bill No. 1061 would mandate that training within six months.

Current law ties salary increases for coroners and deputy coroners to training but does not require that training. Senate Bill No. 1061 mandates that training. Requiring coroners and deputy coroners to pay for such training and subsequently requiring their respective counties to pay an increased salary results in an unfunded mandate to counties in further contravention of the Missouri Constitution. Mo. Const. Art. X, Sec. 21. The objectives of Senate Bill No. 1061 that coroners, deputy coroners and their assistants be trained, competent, and monitored are laudable. However, the manner through which Senate Bill No. 1061 pursues those objectives is not constitutionally permissible.

Respectfully,
MATT BLUNT

July 10, 2008

TO THE SECRETARY OF STATE OF THE STATE OF MISSOURI:

Herewith I return to you Senate Bill No. 1190 entitled:

AN ACT

To repeal section 620.010, RSMo, and to enact in lieu thereof one new section relating to the division of professional registration.

I disapprove of Senate Bill No. 1190. My reason for disapproval is as follows:

In 2006, I signed Executive Order 06-04 to move the Divisions of Finance, Credit Unions and Professional Registration, and the State Banking Board, to the Department of Insurance, Financial Institutions and Professional Registration (DIFP) by type III transfer. Statutory codification of that reorganization plan was Truly Agreed and Finally Passed as a part of Senate Committee Substitute for Senate Bill No. 788.

Senate Bill No. 1190 and Senate Committee Substitute for Senate Bill No. 788 contain identical language relating to the division of professional registration. However, Senate Bill No. 1190 is drafted to a section of law that is deleted in Senate Committee Substitute for Senate Bill No. 788. My disapproval of this bill will complete the codification of that transfer and avoid the unnecessary reprinting of a statute that will be obsolete upon the effective date of Senate Committee Substitute for Senate Bill No. 788, which I am returning to you today with my approval.

Respectfully submitted,
MATT BLUNT

Senator Shields requested unanimous consent to allow members of the Missouri State Capitol Police force to enter the Chamber with side arms, which request was granted.

RESOLUTIONS

Senator Vogel, joined by the entire membership, offered the following resolution, which was read and adopted:

SENATE RESOLUTION NO. 3

Whereas, the members of the Missouri Senate feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens, particularly members of the law enforcement community; and

Whereas, the members now pause to recognize Edward W. Hayob, Esquire, of Jefferson City, Missouri, who is celebrating his thirtieth year with the Missouri State Capitol Police Department with a special celebration to be held on September 13, 2008; and

Whereas, a member of United Sportsman's Club, Officer Hayob graduated from Creighton University with a Juris Doctorate in 1978 and subsequently passed the Missouri Bar exam; and

Whereas, a truly remarkable source of history and trivia concerning Missouri's capitol building, Officer Hayob is the brother of John Leo Hayob of Kansas City; and

Whereas, the members of the Missouri Senate are pleased and proud for the opportunity to formally recognize the many and various contributions of Officer Hayob during his three decades of service on the Missouri State Capitol Police force; and

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fourth General Assembly, extend our most sincere congratulations and gratitude to Officer Hayob on the illustrious occasion of his thirtieth year in the service of the great state of Missouri; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution in honor of Officer Edward W. Hayob, Esquire.

Senator Shields moved that the Senate proceed to the order of business of Vetoed Bills and that the calendar be called, which motion prevailed.

Senator Graham moved that **SCS** for **SB 873** be passed, the objections of the Governor thereto notwithstanding, which motion failed to receive the necessary two-thirds majority by the following vote:

YEAS—Senators

Barnitz	Bray	Callahan	Coleman	Crowell	Days	Engler	Graham
Green	Justus	Kennedy	Koster	McKenna	Shoemyer	Smith	Wilson—16

NAYS—Senators

Bartle	Champion	Clemens	Dempsey	Gibbons	Griesheimer	Lager	Loudon
Mayer	Nodler	Purgason	Ridgeway	Rupp	Scott	Shields	Stouffer

Vogel—17

Absent—Senators—None

Absent with leave—Senator Goodman—1

Vacancies—None

SB 1061 was called thereafter and no motion was taken thereon.

SB 1190 was called thereafter and no motion was taken thereon.
